# 1 THE YEAR THAT WAS

## THE YEAR THAT WAS

### FEBRUARY

- Wednesday 13th Induction of Chaplain  
Friday 15th Prefects' Dedication Service  
Friday 22nd School Swimming Championships  
Thursday 28th Preparatory School Swimming Championships

### MARCH

- Friday 1st Quadrangular Swimming Sports at Wesley  
Monday 11th House Lifesaving Carnival  
Wednesday 13th Preparatory School Parents' Evening  
Friday 15th House Swimming Carnival  
Wednesday 27th Cadets - Helicopter Familiarisation Exercise  
First XI v. Incogniti - Mt. Claremont.

### APRIL

- Thursday 4th The Crucible — School Chapel  
Friday 19th Old Boys' Dinner — Memorial Hall  
Saturday 20th P.S.A. Head of the River  
Thursday 25th School Anzac Service  
Friday 26th Cadet Bivouac

### MAY

- Sunday 5th Sporting Matches v. Old Boys  
Wednesday 8th Term Ends.  
Friday 10th Football Trip to Melbourne

### JUNE

- Wednesday 12th Senior School Parents Evening

### JULY

- Sunday 21st First XI v. HOTSPURS  
Tuesday 23rd English Schoolboys — Perry Lakes  
Middle School Parents' Evening  
Thursday 8th The Mikado — by St. Hilda's and Christ Church at St. Hilda's  
Friday 9th Melbourne Youth Orchestra — School Chapel  
Saturday 17th Cadets depart for Northam Camp  
Wednesday 21st Term Ends.

### SEPTEMBER

- Friday 13th Trial Examinations for Vth Years  
Saturday 28th 5 Cadet Brigade Shoot  
Earl Roberts Shoot

### OCTOBER

- Thursday 3rd Preparatory School Athletic Sports — Mt. Claremont  
Friday 4th Senior School Athletic Sports — Mt. Claremont  
Saturday 12th Quadrangular Athletics, Wesley College  
Wednesday 16th Senior Cadets — Cliff Roping with S.A.S.  
Saturday 19th P.S.A. Inters Athletics, Perry Lakes

### NOVEMBER

- Friday 1st Open Day and Opening of Art Exhibition  
Monday 4th Third Year Examinations begin  
Saturday 9th School Gymnastics Championships  
Wednesday 13th Leaving Examinations commence  
Monday 25th Second year Examinations commence  
Thursday 29th Fourth Year Examinations commence

### DECEMBER

- Friday 6th Preparatory School Carol Service  
Sunday 8th End of Term Chapel Service  
Wednesday 11th Speech Night  
Term Ends.

Matthews, 52. A. Kovacs

## SCHOOL OFFICERS 1974

### School Prefects:

P.J. Curry (Captain of School), G.J. Hankey, Prefect), M.C. Meikle (Senior Boarder), R.A. Clugston, P.B. Cox, S.A. Crocker, G.J. Curran, J.B. Hedges, P.J. Leedman, T.R. Lipscombe, R.B. Lynn, I.K. MacPherson, P.N. Martin, R.W. Parker, N.P. Silberstein, P.R. Stove, J.J.L. Wade, T.J. Williams

### Boarding House Prefects:

Walters: M.C. Meikle (Senior), E.C. Atkins, I.L. Avery, W.A.D. Barrett-Lennard, T. Manuel, B. Nock, C.S.T. Punyanitya, B.T. Walsh, T.J. Williams

McClemans P.R. Stove (Senior), I.R. Adamson, R.G. Christison, J.R. Horley, J. Woodall

### Chapel Prefects:

R.A. Clugston (Senior), C.B. Boulton, D. K. Crooke, R. Storer.

### Cadet Under Officers:

J.M. Buchanan, M.J. Fry, H.C. Gunn, A.J. Miller, M.C. Tomlinson, C.D. Williams

### Music Centre Prefect:

D.L. Elsner

### Art Centre Prefects:

M.H. Pearce, R.A. Nelson

### Sports Centre Projects:

T.R. Lipscombe, P.B. Cox, J.B. Hedges, I.K. MacPherson, P.N. Martin, S.A. Crocker, M.B. Bills, M.J. Hodge, L.E. Nylund, P.R. Whitford, N.R. Porter, B.D. Nock, T.J. Williams, M.C. Meikle

### Sports Store Committee:

C. M. Austin, J.D. Annear, V.R. Mouritz

### Social Service Committee:

N.P. Silberstein (President), P. Richardson, R.J. Storer, D.C. Abernethy, D.L. Elsner

### Library Prefects:

J.J.L. Wade (Senior), D.K. Crooke, J.K.C. Fletcher, D.C.G. Pearce, K.N. O'Keefe, R.G. Viner, T.R. Wilford, I.M. Wilson, J.G. Wood, D.L. Elsner, R.L. Van Dieren.

### I.S.C.F. Committee:

M.A. Kirkness (President), W. Silvester, T.D. Anderson, A.L. Ball

### Sports Committees:

Hockey	Mr. R.F. House, P. Richardson (Captain), P.C. Mathews (Vice-Captain)
Football	Mr. C.H. Watkins, G. J. Hankey (Captain), T.R. Lipscombe (Vice-Captain)
Rugby	Mr. C.G. Hammond, T.J. Williams (Captain), M.C. Meikle (Vice-Captain)
Cricket	Mr. R.F. House, B.D. Nock (Captain), G.J. Hankey (Vice-Captain)
Tennis	Mr. G.G. Davies, P.J. Leedman (Captain)
Swimming	Mr. D.C. Bowker, M.R. Dawson (Captain), P.N. Martin (Vice-Captain)
Rowing	Mr. A.A. Mountier, J.J. Harris (Captain), R.A. Nelson
Athletics	Mr. D.C. Bowker, P.B. Cox (Captain), D.C. Abernethy (Vice-Captain)
Shooting	Mr. F.A. Frazer, R.K. Williamson (Captain)
Gymnastics	Mr. A. Kovacs, P.R. Whitford (Captain)
Basketball	Mr. A. Kovacs, C.S.T. Punyanitya (Captain)

## 4 THE PREFECTS

*Rear: P.R. Stove, I.K. MacPherson, J.B. Hedges, P.N. Martin, R.B. Lynn

### SYSTEMS OF STUDENT RESPONSIBILITY

**There has been some discussion recently between boys and prefects on the merits of a Student Representative Council as opposed to a Prefect System. I would like to point out that, theoretically at least, a Prefect System can achieve as much and more than a Student Representative Council, and so in changing from the former to the latter there would be at best no gain.**

The reason behind discussion on these bodies is most certainly the wish of students to have more responsibility and to have more say in school matters. This is both a good sign and a bad sign. Firstly it indicates that students have an urge to involve themselves and be active members of the school community. Secondly, it means that this basic activity of education is not being granted to them.

So the students are wondering whether a Student Representative Council will give them greater parts to play in school life than does the present system.

Such a Council would, to some extent, grant their wish, in that several boys from each year would sit on a committee, the suggestions of which would be forwarded to the Headmaster, directly or indirectly, for his consideration. This is generally all a Student Representative Council does. (The element of the Headmaster is present in any school student body. Fortunately or unfortunately, students cannot have direct control over the school constitution, the reason being they lack in experience and know-how at running a school.) To the point I am trying to make. A Prefect System can achieve this too. The prefects can meet with the younger students every week or so as in a Student Representative Council. These represen-

tatives of their respective years would have as much say as they would in a Student Representative Council. (Representation by a few of a majority is present in any practical system and there is nothing wrong with this. Any person of the majority may and should feel free to pass his views on through a representative to the governing body.)

As well as this the Prefect System has added advantages: the older students have the respect of age which enables them to police rules of the school with authority and they are a closer knit group, having more contact and more in common with each other, so the likelihood of their acting as a body rather than as a number of individuals is greater. Unanimity and uniformity of opinion are naturally necessary for decision making through a committee.

I said at the start, theoretically a Prefect System can succeed and do these things. Unfortunately, as is the case so often, when the human element is introduced, the infallibility of the plan on paper dissolves. This year this vital communication between prefects and younger students lagged somewhat, but was present in some way last year and it is certainly hoped that it will be strong in future years.

Summing up, although change is certainly good, when unnecessary it can only lead to confusion. A good look at the situation in hand can reveal that there is no need for any radical change at all.

**P.J. Curry (Captain of School)**

# 5 CHAPLAIN'S ANZAC DAY ADDRESS

## ANZAC DAY 1974

Just what are we doing today on this occasion when we solemnly try to remember not only those who fell on a hill at Gallipoli, but all those who have been caught up in the monstrous horror or war, in the senseless slaughter of mankind that has always preceded so steadily. We used to remember the Great War of 1914 — 1918 and of 1939 — 45 but we must add to them the wars of Korea and Vietnam.

First of all we realise that although for most of us we have no memory of these wars (except of the latest and again most of us were only aware of that through the media, which means that even knowledge of Vietnam was filtered, the reality obscured as we protected ourselves from the impact of constant exposure to its horror). We are aware that fewer and fewer still live who were directly involved in these wars. The fact remains that we owe our existence as a nation with the right to shape its own destiny to the sacrifice and gallantry of the men who fought in two world wars when we are rightly not making a very good job of building a better world, a world in which more and more trust and understanding and co-operation then that's our failure for which we must be penitent. It's no excuse for mocking the sacrifice the fallen made in wars on our behalf.

But what does this fact amount to?

Does it amount to nothing more than an annual Chapel service. Surely it must mean something more than an enforced pause to remember the contemporaries of some of our parents and grandparents, something more than an irritating imposition. Certainly we cannot continually consciously be thinking about the admittedly remote persons who gave their lives that we might live. Though it might not be a bad thing occasionally to ask ourselves about some of the things we do and purposes we serve. "Was it worth the death of even one man that I might be free to do this?" And let us have no mistakes — our style of living would be very different if we were still living under Japanese occupation — and an occupation of 30 years or so is no record.

Let us remember also the vast number of people to whom we are indebted all the time. Every moment of every day we make use of other people's lives — in our society they are well paid for the service they give — but we are dependent also on people in the global village who have enriched our lives and gained previous little for it, tea pickers in India, industrial workers in Taiwan, seamstresses in Hong Kong, rubber tappers in Malaya, copra cutters in Papua, who inspire the high standard of our lives with little gain to themselves.

The fact that you and I are alive, and other men and women died in war is an extreme illustration of the fact that we depend on one another — What

can we do about it?

First of all we could merely cash in, accept our good fortune and shrug our shoulders. In the lottery of life we were lucky, indeed the odds are over 50-1 against you being born an Australian rather than an Indian, and there are three times as many refugees as Australian citizens, yet we were lucky, so we could say "no worries" for no one in my family is dying of starvation.

Secondly, we could make some contribution. Perhaps we are so pressurised that we feel we cannot we just don't have the time to do anything Yet it's busy people who find time; find the time to visit the Lucy Creath Home or write post-cards for Amnesty International.

Thirdly, we could realise in the best of all possible ways our one-ness with our fellowman. Of course I can't do much, my resources are limited and there are so many human needs. But I can at least be thoughtful about what I owe to others and being aware of that, can offer to God my concern — and my prayers — and penitence in the faith that He can use them on behalf of those I cannot reach. Most important of all I cannot think of the sacrifice that other men have made for me without remembering another sacrifice — a solitary death on the cross of one who was both Son of Man and Son of God, who died that Sons of Man might become Sons of God.

If I accept that sacrifice and take my stand unashamedly in the company of Christ I shall know that the most I can do may be little, but it will not be lost.

Rev. A.G. Dutton

## McCLEMANS

Once again McClemans showed how dominant the boarders are in school life. With full co-operation from all years in the House, we were a strong fighting force, with McClemans showing out predominantly in House sports and McClemans representatives figuring well in inter-school activities.

The Swimming Inters was the first school fixture of the year with William Carrington-Jones, Ross Horley and Simon Denny doing well. W. Carrington-Jones also competed in the Life Saving. Next was the P.S.A. "Head of the River" and here McClemans stroked three of the six crews, Tony Audas in the 1st IV and Doug Wignall in the U/16. Other rowers were John Horley, Graeme Murray, Ian Adamson, Peter Audas and good coxing was shown by Bruce White 2nd. VIII and Steven Annear U/16 VIII. Tim Haslam and John Annear were strong tennis players for the third year VI. Brad. Barber and Ross Pountney were strong members of this year's winning 1st XVIII. Bob Lambert was a consistent player for the 1st XV with Tony Audas showing promise in his two games.

With something like 20 cadets in the House, we had Sgt. Ian Adamson, top corporal Tim Haslam as well as Corporal Gary Powell, Corporal L. Chong, and Corporal K. Thomas and Lance Corporal P. Herman. Also we had three members of the School's successful shooting team, Corporal G. Powell, Corporal L. Chong, and Cadet Booth. After a good display in the House Athletics, McClemans had 15 representatives in the P.S.A. Athletic Inters. Congratulations go to William Carrington Jones, Brad. Barber and Doug Wignall for attaining first places, also to John Sedgwick, John Annear and John Christison for fine efforts. In Gymnastics, we had John Barton, Kim Audas and David Letts representing Christ Church in the State Gymnastic Titles for their respective age groups. Also congratulations to Neil Porter for being in the State titles and also representing Western Australia in the Australian U/17 and U/19 Gymnastic titles.

On ending I would like to thank fellow prefects, John Woodall, Ian Adamson, John Horley, Geoff Christison and Vth years, Brad. Barber, Peter Audas and Ken Wild for co-operation throughout the year.

All our thanks to Mr. Hammond for his efficient running of the House, backed by Mr. Donaldson, Mr. Clune and Mr. Wong. Special thanks to Mrs. Cramer who once again saw us all respectably clothed throughout the year. I hope McClemans can share in all its good merits again next year.

**P. Stove**

## WALTERS

The House this year, has been successful in the numerous activities about the school, ranging from the battle fields of sport to the more relaxed atmosphere of the Memorial Hall Night Club. Successful sportsmen of the House have been Murray Dowling and Gerald Avery who were in the Inters Swimming and School Life Saving Teams. Bryce Nock, skippered the first XI Cricket team, Peter Butler, Peter Shanks and Gerald Avery were in the victorious 1st. XVIII with Vern Mouritz going on tour to Melbourne with the football team (they tell me the night life is good). Tom Williams, Max Meikle, Charlie Atkins, Bryan Walsh, Ian Hartley and Rupert Oddie were first XV members, with Tom and Max making the W.A. Team which played the touring English Schoolboys' Team.

In the School Athletics team were Tom Williams (U/17 School champion), Bryce Nock (School distance champion), G. Moore (U/16 champion), Bruce Smith, Charlie Atkins, Kim Bevan and Cliff Punyanitya. Cross country representatives were Justin Johnston (U/ 16 P.S.A. champion), Tom Rodgers (U/15 School and P.S.A. champion), Allan Moulds and John Rodgers.

Senior members of the School "home guard" cadet unit were R.Q.M.S. Barrett-Lennard, Sgt. "Smiley" Moulds and Rifleman Rob Fletcher. Other star cadets were "Rock" Roberts and "Horse" Hoysted. In other activities, Academy Awards go to Tommy Little and "Farmer" Stearns (Mikado) and to Bryce Nock (Crucible) while Paul Taylor, Garrick Moore and Mark Pearce were seen in the Dalkeith area knocking on doors for the Red Cross. And after a long absence of boarders from the Tuckshop, we see Kim Bevan and Murray Dowling (any credit fellas?)

Socials have been very successful this year due to the work of "Twiggy" Forrest and Cliff Punyanitya. Promising Socialites for 1974 were Peter Butler (invariably accompanied by "Park the Tiger" Taylor), Tommy Williams who turned "sweet sixteen" at all three social functions (quite an effort) also "Bob" Prior was named as dancer of the year, closely followed by "Bazza" Bradford. On finishing I would like to thank Mr. Burns, Mr. Gribble, Mr. Taggart and Mr. Marsland for the way they handled the House, also Mrs. Whithead and Mrs. Brady who ran the Linen Room Relay. And finally I would like to thank the House Prefects of 1974, Tom Williams (Vice-captain), Charlie Atkins, Gerald Avery, Bill Barrett-Lennard, Trevor Manuel, Bryce Nock, Cliff Pynyanitya and Bryan Walsh for a job well done.

**M.C. Meikle**

## "NO BOMBIES IN '75"

Once again Hale proved too strong in the 1974 swimming "Inters" to win from Scotch, Guildford, Aquinas — Christ Church finishing in a dismal fifth position.

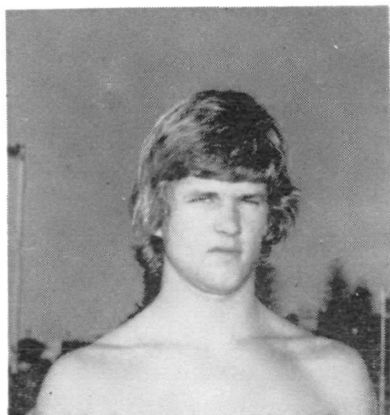

After a hard effort in the "Quads" Christ Church finished second to Wesley. Our hopes were high for the "Inters" and we thought we would perform much better. However, it resulted in a great disappointment for all concerned. It was, on the other hand, most encouraging to see some strength in the younger age groups which may bring forth great potential in years to come.

Good individual results were achieved by M.H. Bingemann and M.R. Dowling in their respective Under 15 events. There was also an outstanding win in the Under 14 Relay consisting of D.S. Walsh, I.C. Reynolds, N.R. Smithson and A.J.D. Smith.

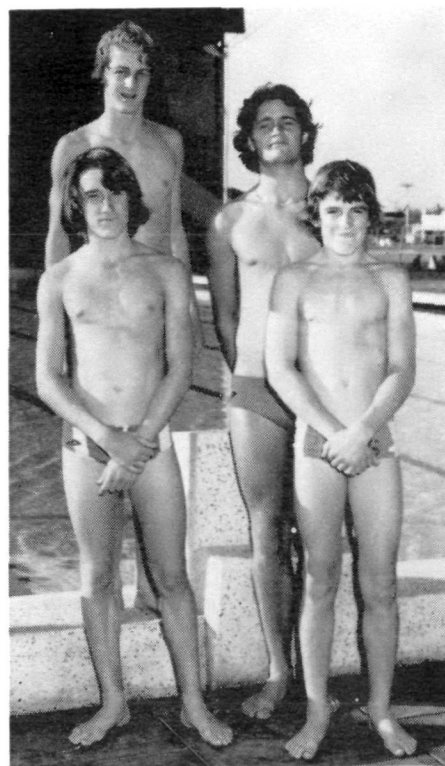

Thanks are extended to Michael Halliday, Glen Koski, John Moncrieff, Simon Martin, G. Cullingford and Mr. Dean Bowker for their time spent with the team.

It's extremely hard to mould a strong team in such a short time unless we have the full co-operation of everyone concerned. Our Old Boys are doing their part - it only remains therefore, for us to follow their lead.

The 1974 cricket season was one of mixed fortunes for the 1st XI, winning one of the six Darlot Cup games played.

The season began in October with a high degree of spirit among all players and the experience gained in the pre-season games proved to be of great value to those who participated in the Darlot Cup competition.

Our opening match of the season was played against Scotch, the eventual winners of the Darlot Cup. In this game, we were unaware of the concentration required for this standard of cricket and we were consequently defeated by a superior team. The following week, we met Guildford with the wish to improve on the performance of the previous game. However, we crumbled to the tune of 110 in reply to a respectable Guildford score.

The match against Wesley was the most memorable of the year. Both teams tied on the first innings but due to a strong opening stand in the second innings we were able to win outright.

We confronted Aquinas with a team of confident players. However, the batsmen once again failed to overcome the new ball and were consequently dismissed cheaply. In reply, Aquinas were struggling with loss of their top batsman but the tail-enders applied themselves enabling them to win narrowly in the first innings.

On batting first against Hale, we were dismissed quite cheaply under perfect conditions. This was again due to sudden lapses in concentration and this was the difference between the two sides

Hale batted on to amass a large score as the game fizzled out to a draw.

The final match of the season, against Trinity was washed out on the Friday but we commenced batting on Saturday morning. As expected, the pitch was soft and we crumbled for the lowest score in many years, thus enabling Trinity to defeat us easily. However, we were not disgraced in this match as all batsmen applied themselves in the second innings to present a respectable score.

The highlight of the season was the unbeaten century of Graeme Radford in our second innings against Aquinas. So prospects look bright for next year with the return of players of the calibre of Radford, Russell and Little and our good wishes go with them in their bid for the 1975 Darlot Cup.

The team's thanks are extended to Mrs Hankey and the mothers for preparing the lunches and afternoon teas so consistently, and also to Nicholas Silberstein for his outstanding work in scoring. In addition to recording the team's score, Nick noted the performances of each individual player to the last statistic.

The efforts of Mr House in coaching the 1st XI were most certainly recognised this year and every member of the squad wishes to extend their thanks and appreciation to him.

Congratulations go to Scotch on winning the 1974 Darlot Cup.

**B.D. Nock, G.J. Hankey**

### Tennis

*G.R. Hicks, P.C. Matthews, P. J. Leedman, P. Richardson, Mr. G.G. Davies, G.R. Young, G.J. MacLeod, R.D. Bills*

The 1st VI had a most interesting year in 1974. We had a very mixed team, including some very young and promising players. And it was a pity that in the last game of the season, which eventually turned out to be the grand final, between ourselves and Trinity, we were defeated.

Throughout, we were inspired by coaching from ex-A grade pennant players and staff members who all gave freely of their time and skills in order to knit us together as a team. This was shown by our first performance against Scotch College.

After some long matches, the win became a formality and was a definite confidence booster for the players. It was also perfect weather and the standard was very promising.

We met Guildford the next week, in what proved to be another easy victory. Their team had lost its talented State players of the previous year and lacked the all-round strength needed to defeat us. Again the team was very convincing. We met Wesley (one of the three contenders for the Cup) at full strength and although all the matches were tight we finally won 5 rubbers to 4.

It was after this that we had no doubts about our chances for the Cup. All players were confident, hitting strongly, and from this time on, we gradually built ourselves up for the last match of the round.

Both the next games against Hale and Aquinas were won fairly comfortably and at this stage, we had won five games straight.

In the following week, we underwent rigorous practice and were coached daily to improve our styles and methods of play. But even with the tremendous incentive before us to win the Cup for the first time, our players could not match the Trinity team and we were defeated 7 rubbers to 2. There was some excellent play, in doubles, as well as in singles, but unfortunately most of the players seemed to have their only "off-day" for the season on that day.

Thus ended the most successful and pleasing season that the 1st VI has enjoyed for some years. As well as coming second in the main division, we had great back up strength in the 2nd VI (who won five out of six games) and the 3rd year VI (who won four out of six games). The results in the Middle School also augur well for the forthcoming seasons with a lot of up and coming talent, especially in the 2nd year VI which won all of its matches and must be congratulated on their excellent efforts.

Also, I would like to thank our dedicated coach, Mr Davies. I am sure, that without his intensive weeks of challenges which placed pressure on all the members of the 1st VI, and his fantastic enthusiasm around the court, we would not have done nearly so well this year. On behalf of the players, I have great pleasure in thanking him for his fine efforts.

And lastly I would like to thank all those associated with the School's teams this year including all the players who helped to raise the standard of tennis in this school.

**P.J. Leedman**

### *First Eight Rowing*

*R.A. Jolly (Cox), P.R. Stove, J.J. Harris, J.S. Battersby, R.A. Nelson, J.W. Lanier, M.G. Battersby, H.M. Spiers, R.H. McComb*

The Rowing Club this year was made up of a young enthusiastic group of oarsmen who put up a very creditable showing at the "Head of the River" Regatta.

The First Eight this year was the lightest in the race yet what it lacked in weight it made up in dedication. Coach Don Fraser had us at peak performance on the day of the race.

We came out of the start well and led for a good deal of the race but the 12 knot head wind unfortunately favoured the heavy crews. In coming a close second behind Aquinas we know we rowed to our maximum.

Many people do not realize how much time and effort goes into the running of a successful boat club such as ours. The effort of the many people who made it possible to boat six good crews is greatly appreciated by the boys.

Our special thanks go to Mr. Mountier who kept the boisterous ones under control and Mr. Jones whose time and boat were invaluable. Mr. Wilkins who spent many hours trying to teach the Middle School boys to row and Eddie Cook, the hardest worker of all, whose handiwork kept the older boats from disintegrating.

Our thanks also go to the coaches of the crews, Mr. Fraser, Mr. Mountier, Mr. Norton, Mr. Wilkins, Mr. Chrystal, Mr. Nelson and Mr. Harrison. The boys would also like to wish Mr. Norton good luck in his new capacity as First Eight Coach.

1974 saw the end of an amazing era in Christ Church rowing. Don Fraser announced he would no longer be able to coach our Head of the River crews.

He has been coach of the First Eight since the first race we entered in 1956. In that time he has had the incredible record of bringing in six firsts, six seconds and six thirds; there has never been a Christ Church first Eight out of a place. This record shows what a brilliant coach we have had the good fortune to have for the past eighteen years.

On behalf of past and present oarsmen who had the privilege of rowing under his guidance, we would like to thank him for giving us a very satisfying and memorable experience.

**J.J. Harris (Captain of Boats)**

With no one remaining from last year's 1st XI, this year a whole new team had to be formed and trained. With this inexperience and the fact that only four out of the eleven players were 5th years, we knew that the high standard set by previous 1st XI's would be hard to uphold. Discounting these disadvantages, throughout the season the eleven players improved their teamwork and their approach to the game.

We drew the first P.S.A. match one all against Guildford; this match was really ours but failure to capitalise on chances, an error which, along with lack of teamwork was to prove in the early matches our two biggest failings.

The match against Scotch we won easily 3 — 0, the forwards combined much better but the teamwork still had to be improved.

Against Wesley the following week, the teamwork improved, but the forwards failed to convert, leaving too much of a burden on the defence. In that match we eventually lost 0 — 1. Although we lost the match against Trinity, 1 — 3, the forwards really began to function as a team and the prospects for later matches were looking far better.

Following this match we defeated Hale, 2 — 1, in our tightest match for the season. This match was highlighted by the determination shown by the team in the final four minutes when we scored the winning goal.

The essential element of hockey is teamwork and when we played the Hotspurs Hockey Club, this point was brought out to us, and it was probably our most important match. The Hotspurs showed us how to use the simple pass to bring other members of the team into the play and also to throw the opposition off.

We tried our new style against Guildford and saw a convincing 4 — 0 win, with some excellent teamwork and finishing off in the forward line.

Although Aquinas were the eventual winners Christ Church was 1 — 0 up at half time and controlling the play, but under pressure we lost the initiative and the game 1 — 3. We rounded off the season with a 5 — 0 win over Scotch to finish a creditable 4th.

It was a successful season and on behalf of the team, I would like to thank Mr. House for his guidance both to individuals and to the team. Finally the members of the team who are leaving this year feel sure next year's team will be a force in the competition and wish them every success.

**Rear:** C.J. Gilmour, B.K. Barber, N.J. Paul, P.B. Cox, A.J. Green, C.M. Austin, M.G. Tomlinson, P.R. Shanks  
**Row Three:** P.M. Butler, R.A. Poultney, K.A. White, P.N. Martin, S.C. Finch, G.J. Curran  
**Row Two:** P.B. White, G.R. Young, W.A. Stransky, G.R. Radford, R.B. Lynn, P.J. Leedman  
**Front:** I.M. Wilson, T.R. Lipscombe, Mr. C.H. Watkins, G. J. Hankey, I.L. Avery, J.B. Hedges

The 1974 football season was most successful right through the school with each team improving considerably on their performances from the previous year.

The 1st XVIII enjoyed a magnificent season, they won seven out of the eight competition matches and consequently shared the Alcock Cup with Trinity.

The season began in April with a series of intra school scratch matches. These gave Mr Watkins a good opportunity to see the younger players perform and analyse the situation for the future fixtures.

## The Football Tour

During the May holidays 30 boys along with Mr Watkins and Mr London were the guests of Peninsula Church of England School, Melbourne where they competed in a sporting carnival with Westminster School from Adelaide, Wesley College from Perth and Peninsula School from Melbourne.

We participated in many activities such as Debating, Basketball, Table Tennis and Volley Ball but the main emphasis was on Football.

We were unfortunately defeated in our first game by Peninsula, the eventual winner of the competition. However, the players acquitted themselves well when the lack of match practice is considered and it was only inaccurate kicking for goal which cost us the match. After the game we were fortunate enough to be invited to V.F.L. Park, Waverley to see Collingwood and Melbourne clash. This was a truly magnificent experience and inspired, we went on to defeat Wesley by 25 goals the following day.

Later in the week we really began to function as a team and consequently defeated Westminster with a much improved standard of play. After the match we were treated to a trip to North Melbourne where coach Ron Barassi spoke to us on the value of team work and determination in football. It is now obvious that these words were highly respected by the players and incorporated into their game.

The football tour proved to be an enormous success and our sincere thanks go to Peninsula and the billetes for their much appreciated hospitality.

## The Alcock Cup

The Alcock Cup competition began in the first week of second term with a hard fought win over Guildford in very sluggish conditions. Realizing the few weaknesses we had, the team was revised for the game against Scotch with remarkable success. After an even first half, we took the initiative and ran on from there to win easily. The following game against Wesley could even be described as a walkover. Right from the first bounce we managed to repeatedly score goals with ease against that side and eventually we went on to win by 25 goals.

During the following week we conscientiously prepared for a highlight of the season. This was the match against Trinity which was virtually a Grand Final for the Alcock Cup. The game opened up with a blistering pace as tension mounted and the lead changed hands repeatedly. However, it was not until the final quarter when we were trailing by 2 goals that Trinity were forced to crack in the electric atmosphere and we made up the three quarter time deficit. It was a fine piece of team football in the time-on period by Christ Church which resulted in a goal and sealed the issue to one of the finest Alcock Cup games seen in years.

*G.J. Hankey in action against Westminster.*

The next match was played against Hale in extremely windy conditions. As a result the standard of play was appreciably lower. However, with a consistent effort and a more intelligent approach to the situation we were able to break away from Hale and win comfortably.

Our second match against Guildford the next Saturday revealed the unity in the 1st XVIII as we helped one another continuously to notch our sixth successive victory.

The following week we suffered our only defeat of the season at the hands of Aquinas. The game began in heavy rainfall which inevitably nullified our skills and style of game. Aquinas were pushed for their victory but no one can dispute that they were definitely the better side on the day.

In order to redeem ourselves on the previous week's performance, we lined up for the final match of the season against Scotch with a revised side. After a shaky start it was the new players who proved to be the inspiration as we found our feet and capped off a most successful season.

The best players for the year were T. Lipscombe, G. Radford, I. Avery, P. Butler, J. Hedges, P. White and G. Hankey — all of whom received Honours. However, the efforts of the players would have been minimal had it not been for the tremendous support from the rest of the team and squad. It is the efforts of these players which determines a champion football side and for them I am most grateful.

The team's utmost thanks and appreciation are extended to Mr Watkins for his magnificent efforts in making many good players into a great team. The work of Mr Watkins and Mr London in organizing the football tour has also been recognised and fully appreciated.

Special mention must also be made of our runner, Geoff. Curran who, owing to an unfortunate injury, was unable to continue with the 1st XVIII this year. However, he worked to his capacity in running for the 1st XVIII and coaching the 2nd year B's which was a remarkable performance.

The work of David Croke and Ian MacPherson on the videotapes of games and the generous support of the parents, staff and Old Boys was recognised and fully appreciated throughout the season. Many thanks go to them.

So we have the Alcock Cup in our possession for the second time in four years and this definitely indicates the developing strength in football right throughout the School. Along with the success of the 1st XVIII goes the remarkable effort of the undefeated 2nd XVIII, while the 2nd year A's and 1st year B's were runners up in their respective competitions.

Congratulations to all coaches of teams who each contributed enormously to a most productive season.

Best wishes for the 1975 football competition.  
**G.J. Hankey**

*Rear: I.R. Hartley, B.T. Walsh, J.J.L. Wade, E.C. Atkins, J.J. Harris, R.L. Lambert, K.S. Eddie, H.C. Gunn, E.L. Barron*

*Front: C.P. Gavet, R.H. McComb, M.C. Meikle, Mr. C.G. Hammond, T.J. Williams, H.M. Spiers, J. Wilshire, M.B. Bills*

We started the season playing Guildford, who finished runners up, and were unlucky to lose, as we held Guildford to nil score in the second half and scored three times in the last ten minutes. Final score — 12 — 15. The next week we had a bye but managed a combined 1st and 2nd XV match to keep us fit.

Our next game, and we were told would be our hardest, was against Scotch and we drew 18 — 18. The boost this gave us carried comfortably over our next two games with a 24 — 0 win over Wesley and a 43 — 0 win over Trinity.

Another break for mid-term led us into our hardest match, against Hale, this year's Premiers, who convincingly beat us 24 — 7. I can't think of any good excuses except perhaps the training we missed.

There was another bye and then we met Guildford for the second time and were unlucky to go down 9 — 15. Our next match — was against Aquinas and it was easily our best for the season. We won 14 — 8 in a magnificent game that showed how much we had progressed as a team.

The next week for our last game, we met Scotch and capped off a good season with a 14 — 6 win which took us into 4th position for the Redmond Cup.

The season, altogether, was a successful one. As far as games go, we won 4, lost 3 and drew 1. As far as players go they were probably fitter and more interested in the game than I have seen for a long time, and as far as coaches go, I just don't know how they last. They deserve our congratulations and thanks for a most enjoyable season.

Special mention must be made this season of some of the individual efforts of our players. T. Williams, M. Meikle, K. Eddie, C. Atkins and J. Wilshire all gained a place in the W.A. Schoolboys' Team who played the English Touring Schoolboys' Team and must be congratulated on their effort. Tom Williams was also chosen to go to Sydney for the Australian team trials.

**T.J. Williams.**

# 15 GYMNASTICS

**Back:** K. Zink, K.R. Redmond, P.R. Whitford, L.E. Nyland, N.R. Porter, J. Schwaiger  
**Centre:** M.S. Sadka, A.D. Boultee, S.D. Phillips, Mr. A. Kovacs (coach), F.P. Gavet, M.C. Lambert  
**Front:** R.A.S. Infirri, J.I. Barret-Lennard, A.J.H. Forrest M.B. Herman, R.W. Welch absent

During the past year the Gym. Club has reached perhaps one of the greatest heights of its history and in the same short year fallen to perhaps the lowest its has ever been since its inception.

One of the great achievements of the Club was on gaining State under sixteen selection for six of the gymnasts, thereby having for the first time, a State team composed entirely of Christ Church boys. The performance of the team in Adelaide was exceptional — winning the U/16 team title from Victoria and South Australia. Apart from returning as the Australian champion team, Lindsay Nylund also brought back the individual title and the six gold medals from the apparatus finals.

Three members of the State U/16 team were also in the U/19 team which was placed second to Queensland at the Australian championships in Brisbane. Lindsay Nylund was placed second in the individual competition and was chosen in the National Senior Squad. Neil Porter and Peter Whitford were chosen in the National Junior Squad.

Perhaps we may say that our Club has reached international status in a sense, through the selection of Lindsay in the Australian team that toured Europe in October.

The reason the numbers of the Club dropped so much this year as already mentioned was Mr. Kovacs' absence on long service leave. Old Boys of the Club were rostered to train the junior and senior groups and I would take this opportunity to express sincere thanks for the time and the effort

they gave. Despite the work of the Old Boys, attendance and interest at the junior level decreased drastically and much work will be needed on the part of Mr. Kovacs to rebuild this section of the Club to its original strength.

As is well known, the successes of the Club must be contributed to the hard work and dedication of our coach, Mr. Kovacs. On behalf of the Club I would like to take this opportunity to publicly express our appreciation for his time and work so freely given.

## STATE GYMNASTICS CHAMPIONSHIP RESULTS

### Under 19

## Lifesaving

*D.C. Bowker, G.R. Sellars, W.T. Croft, T.R. Lipscombe, J.J.L. Wade, M.R. Gunning*  
*Centre Row: C.W.G. Richards, P.N. Martin, M.N. Anderson, R.W. Welch, R.H. Lankester*  
*Front Row: W. Carrington-Jones, I.L. Avery, R.E. Pixley, D.S. Pate, M.R. Barber, M.R. Dowling*

The Lifesaving this year got away to a good start when the House Carnival was won by the hot favourite Queenslea, closely followed by Romsey and Wolsey. The highlight of the night, the Dale Cup was won by P. Martin, second was M. Anderson and third was M. Gunning.

Lifesaving duties were carried on throughout the term by a small group of boys who rostered themselves to take charge of free swims during and after school. The majority of boys in the senior school gained Royal Lifesaving Awards ranging from Proficiency to the Award of Merit and it can be attributed to the organisation and effort of three sporting masters Mr Marsland, Mr Bowker and Mr Kovacs.

Once again teams were entered in the State Lifesaving Carnival at Beatty Park Aquatic Centre on the 23rd March and though we didn't gain any first places good performances were recorded in U/14, U/16 and Open events.

Malcolm Anderson came third in the Dale Cup which is the trophy awarded to the winner of a gruelling event in which the person must possess outstanding lifesaving qualities. Congratulations to the 12 senior boys who received Colours in Lifesaving and to M. Anderson for receiving Honours.

The climax came at the end of the season when Christ Church received two trophies at the Annual General Meeting of the Royal Lifesaving Society. The first trophy was the Bell Trophy awarded to the Independent Boys School making the greatest contribution to lifesaving, and the second was the Hanrahan Trophy awarded to the school making the greatest contribution to Resuscitation.

Thanks go to Mr Bowker for his time and effort at Carnivals and Mr Marsland and Mr Kovacs for their effort in the school lifesaving awards.

**P.N. Martin**

## Breakthrough

This Athletics season was not as successful as we could have wished. The quality of the athletes was very high but unfortunately the enthusiasm needed to produce a winning team was not there. The meeting again, Scotch held on 28th September, our first competition for the season, was a good warm up for the following weeks of competition.

One of the first Inter-schools were successfully held, Jupp winning for the first time. Many good performances were recorded by competitors. A week later on 12th October, the Quads were held at Wesley. Christ Church were not disgraced by coming third to Wesley and Guildford. Quite a few discoveries were made, which proved to be invaluable a week later. The hidden potential in the school was gradually coming to the surface, but with only one week before the Inters, it was a bit late to be discovering talent, and to build a strong team.

Then came the Inters and it was a battle between Hale, Wesley, Scotch and ourselves to see who would win last place. Eight wins were recorded at the Inters, by members of our team, two members breaking records. They were Greg. Kidd who broke the under 15 800 metres record and J. Hedges who broke the Under 17 Shot Put record. The other winners were Brad. Barber (under 17 Shot Put), K. White (under 17 100 metres); P.D. Jeffries (under 14 100 metres), G.W. Bradbury (under 14 Shot Put), T. Hanlon (under 15 Long Jump) and W. Jones (under 14 Hurdles). Once again, the shot putters performed outstandingly, a credit to the dedication of Mr. Kovacs. Most of the coaches came out every night, which compared to some of the athletes was a commendable performance. Mr. London, Mr. Merrells, Mr. Wilkins, Mr. Pate and Mr. Bowker tried hard and a special mention to Mr. Marsland who managed to make long distance runners out of former derelicts.

I think something must be said about the apathy towards athletics. The school has the potential to build a winning team but the slackers who were too lazy to come out to training for only three weeks are not only letting themselves down but letting the members of the team down. I hope that next year there is a change in general attitude and that we improve on this year's selfish attitude.

## QUEENSLEA

*House Officials:* Mr. D.J. Morrissy  
Mr. R.L. O'Hara  
Mr. A.A. Mountier  
Mrs. L.J. Fortune  
*Captain:* M.J. Fry  
*Vice Captain* P.N. Martin  
*Secretary* R.A. Nelson

Queenslea has displayed great ability in both the sporting and more intellectual fields by winning the Lifesaving and Debating Competitions along with a very close second in the Swimming Carnival. The Rowing has yet to be competed for and we are anticipating another good performance.

The Debating Team gave a very impressive performance absolutely overwhelming the opposing Wolsey team with G. Russell and E. Silver employing a far superior command of language whilst the "never-say-die" D. Elsner baffled the opposition, the adjudicators and even our Housemaster, Mr. Morrissy with brilliant use of totally irrelevant science.

The Lifesaving was more of a case of the patient saving the saver. However, the judges didn't seem to mind or if they did, our enthusiastic Housemaster threatened them with a bit of force. The Queenslea Under 15 G. N. Kidd put in a stirring performance in athletics, breaking the P.S.A. Inters 800m. record by .6 secs. In fact, the U/15 individual champions all came from Queenslea. P. Martin (CAPTAIN, House Athletics) displayed great foresight in placing these lads in our House team.

Captain at Basketball, I. Macpherson, led the evidently unpractised team to two great wins. This, I'm afraid, also means that they had six dismal losses. Never-the-less the spirit was there. In what manifestation it was disguised still remains unknown.

Matt. Bogle managed to keep the collections relatively well up. "Extracting money from well guarded money pockets wasn't easy" HE TOLD ME. The methods by which he got the money, he insists, are unprintable. However, word has it that he has been offered a job with the Commonwealth Taxation Department.

Actually Queenslea has had a very good year, fiercely competing against the Boarding Houses. We anxiously await the overall house results. Thanks, of course, must go to Mr. Morrissy who looked after House interests untiringly, and to the other House Masters who willingly supported us.

R.A. Nelson

## CRAIGIE

*House Masters:* Mr. P.T. Zahra  
Mr. H. Woodall  
Mr. P.J. Rickey  
Mr. A.A. Wilkins

*House Officials:*

*Captain:* G.J. Hankey  
*Vice Captain:* P. Cox  
*Secretary:* J.M. Buchanan

## Term 1

The first sporting events in First Term were the swimming and life saving. Craigie began well in both meetings but were found fading away at the finish due to a lack of depth. However, those who swam did their best and competed enthusiastically. Mark Gunning, our swimming captain, Graeme Radford and Robert McComb did a particularly good job while we had two outstanding swimmers in the Middle School in Rohan Pixely and David Agnew.

In cricket and tennis, Craigie did well by fielding several players in both first teams.

## Term 2

This was our most successful term. In each major sport, football, hockey and rugby, we occupied either 3rd or 4th place on both the Middle and Senior School. This was heartening and it reveals the consistency throughout the House.

Graeme Radford captained the basketball team to a series of victories while the squash team developed with each game.

The House chess competition once again aroused considerable attention and several Craigie members have taken a keen interest in the game. Michael Millward was an outstanding player for the House and congratulations to Walters on winning the competition.

## Term 3

Craigie took 6th place in the House Athletics Carnival. However, each boy participated in some way or another and some with outstanding results. Our captain, Peter Cox, won the 100 metres, 200 metres and 400 metres. In the open competition and consequently won the Open Champion trophy. The runner up for this Cup was another Craigie member in Graeme Radford who broke the School record in the triple jump.

Mark Gunning ran a very fast 1500 metres to win his race by well over 100 metres. His brother Richard was another outstanding performer as he was second in his age group championship. Our cross country performance was a little disappointing against some very good competition.

The results of the softball, volleyball and debating have not yet been finalised.

Over the year Craigie has been a consistent competitor where every boy has participated in a number of activities.

G.J. Hankey

## Mc CLEMANS

*House Masters:* Mr. Hammond  
Mr. Draper  
Mr. Barker  
Mr. Wong

*House Officials:*

*Captain:* P. Stove  
*Vice Captain:* J. Woodall  
*Secretary:* P. Audas

Again McClemans can feel proud of its sporting efforts this year. Starting with squash, there was an outstanding performance by each of the members of the team J. Wedge, R. Poultney, S. Denny and R. Waddilove and McClemans House secured 1st place.

In chess, P. Herman, R. Hemery and J. Christison put up a gallant effort but due to lack of practice didn't get in the top three.

In swimming; and life saving R. Metcalfe, S. Denny, J. Horley, P. Stove and W. Carrington-Jones all obtained places in the first three but again it was the lack of practice that let us down.

Under the leadership of B. Lambert and his three best players, B. Barber, S. Annear and J. Wedge we held third place in the basket ball competition. However, it was in Athletics that McClemans displayed its strength. Although we came second, P. Audas, T. Audas, B. Barber, R. Barber, A. Haslam, T. Haslam, J. Annear, D. Wignall, S. Sedswick, J. Christison, R. Gibson, J. Wedge, W. Carrington-Jones, R. Metcalfe and R. Waddilove all obtained a first or second place with many more getting third places.

In the under-16 cross country, J. Annear, A. Haslam, B. Waddilove, R. Metcalfe, B. White and T. Haslam came 1st, 2nd, 3rd, 4th, 6th and 7th respectively. We won the House Shooting: L. Chong, H. Booth, G. Powell and J. Wedge all shot well to give us this place.

Since the introduction of the new house system, McClemans has firmly established itself as one of the leading houses and proved without a doubt that last year's good performance was no fluke.

**P. Audas**

## **JUPP**

*House Masters:* Mr. C.H. Watkins  
Mr. R.I. Woollett  
Mr. C.J. Williams  
Miss M. Gordon

*House Officials:*

*Captain* J.B. Hedges  
*Vice-Captain* P.J. Leedman  
*Secretary:* G.R. Young

It appears that this year Jupp only exhibited its true potential in the fields of rugby and athletics with Bills, an expatriate footballer; revealing the skill required to succeed in rugby and Butler and White outstanding in the sprinting field, the latter coming out of early retirement to reveal the straight course which he is capable of running. In swimming Jupp bought on and showed outstanding ability in the makeup of A. Golding, and submarine talent in M. Ferrier. Lifesaving received an average participation, with Richards the most worthy member of praise in this field. Using a vast volume of competitors, the Houses held a debating competition in which Utting and Pestell rose to great heights. Squash and basketball began in second term. Squash saw us undefeated, however one match which was forfeited cost us this competition while in basketball games were won and lost generally by virtue of which team had the nearest to five turn up. Volleyball was perhaps one of the most popular House activities contested this year, and here it was proved that losers also may enjoy their sport. The Middle School softball team under the dynamic influence of Peter Gilmour was undefeated and congratulations must go to them.

Collections consistently saw Mr. Williams aghast, however promise has been shown in the Middle School of bigger things to come.

In summary Jupp House has functioned well this year partly due to the consistent endeavour and efficient organization of its Housemasters and the willingness of House members to participate.

**J.B. Hedges**

## **WALTERS**

*Housemasters:* Mr. A.B. Burns  
Mr. B. Marsland  
Mr. P. Tooke  
Mr. B. Whittaker

*House Officials:*

*Captain* M.C. Meikle  
*Vice-Captain* J.J. Williams  
*Secretary* M. Dowling

During first term Walters was represented at the P.S.A. Swimming Inters. with S. Walsh, A. Williams, I. Avery, P. Moyes and M. Dowling paralysing their adversaries with their splendid efforts. It was a similar story in the Lifesaving where I. Avery, A. Williams and M. Dowling represented Christ Church Grammar School in the State Championships.

In cricket, Captain Bryce Nock and pace bowler Tom Little put in a sound effort for the team. The Rowing Regatta saw 2nd VIII stroke John Pridham crucify the field when he took his crew to a fine placing over the 1500 m. course. R. Oddie, P. Field and A. Boulton also contributed well.

Second term saw "footy" veterans I. Avery and P. Butler star in the 1st. XVIII in what was probably the best school team ever. 1st. XV Captain T. Williams and his vice-captain M. Meikle contributed well to the team's effort obliterating, with the help of C. Atkins and B. Walsh, all their opponents who stood in the way. I. Hartley and R. Oddie also put in a sound performance.

Third term — Turning to the Athletics, U/17 Champion T. Williams led his team to a confident win with G. Norrie, P. Moore and B. Nock all getting trophies in their respective age groups.

In the P.S.A. Athletics "Inters" Walters made a sound contribution when K. Bevan, B. Smith, C. Punyanitya, A. Williams, P. Moore, B. Nock and T. Williams hit the scene. In the wake of the cross country course, we saw T. Rodgers snatch the U/15 record which he well deserved as is shown by his previous efforts in inter-school competitions.

In chess B. Nock and S. Stearns up-graded the House team with a great season's effort despite it not being the mating season. Once again B. Nock is to be congratulated for his consistent help in the debating team which was built upon the efforts of A. Moulds, T. Little and S. Stearns.

In the fields of basketball, softball and volleyball, T. Manuel and C. Punyanitya must be congratulated on their fine team organization and leadership.

Special appreciation goes to Mr. Burns, our Housemaster who encouraged the numerous teams throughout the year and Mr. Marsland who helped organise and improve the teams.

**M. Dowling**

## NOAKE

*House Officials:* Mr. J.A. Pemberton

Mr. A.H. London

Mr. R.E. Merrells

Rev. A.G. Dutton

*Captain:* R.B. Lynn

*Vice Captain:* J.J.L. Wade

*Secretary:* P.R. Whitford

Although this was not the most successful year of the two-year history of the house, our strong house spirit was still present. The main reason for this slump after last year's success was not the new house captain as many people have suggested but the loss of last year's fifth years whose contribution was not fully realised.

The house spirit shown in the cross country bore out the "give-it-a-go" attitude the house is becoming known for. It also tested the rigid system of punishment instigated by the house masters which achieved its aim of full house participation. This participation resulted in the house gaining second place in this particular competition.

This year the house events were divided into Middle and Senior School competition. It was particularly encouraging to note the performance and enthusiasm shown by members of the Middle School teams.

The House shooting team chiefly made up of fourth years did well in the House shoot to finish second — no doubt they will be trying to better this performance next year.

In conclusion I would like to thank all those who have helped me throughout the year and wish the House good luck next year and in forthcoming years.

**R.B. Lynn**

## WOLSEY

*House Masters:* Mr. B.S. Wheeler

Mr. G.G. Davies

Mr. P.E.M. Holmes

Mr. E.D. Drok

*Captain:* J.J. Harris

*Vice Captain:* T.R. Lipscombe

*Secretary:* R.A. Clugston

A potential-packed Wolsey started the year off on a high note by coming third in the Interhouse swimming.

We excelled ourselves in debating by coming second in the grand final with Queenslea. The decision was very close, but we did not have the adjudicators on our side. It was unfortunate, that with such star debaters as Silberstein, Boulton and Harris, to name a few, we did not make it a Wolsey first.

Led by an able Mal Anderson, our Lifesaving team performed exceptionally well to clinch a second. The chess team, headed by the dynamic Nick Silberstein came a good third, with a consistent team effort. This team never resorted to foul play. Unfortunately, this impressive effort by the Wolsey lads ended with the basketball. We failed to win many games. However, undaunted, we came back in softball to be undefeated in the games we played.

We had a good representation in the "first" teams with John Harris, Ian Elliot, Kelvin Eddy, Tim Lipscombe. A special mention must go to the hard working Dick Welch who featured in many facets of the House calendar.

In the Middle School we were well represented in all sports by such strong competitors as W. Carrington-Jones, A.J.D. Smith and J.P. Melsom. In the Athletics all competitors started well, but due to over enthusiasm we were unable to put our best foot forward. However, there were stars, namely W. Carrington-Jones, G. Nicol and D. Welch. In the end we came a disappointing yet not disheartening seventh.

As you can see, we had our ups and downs, however 1974 shows promise of things to come.

**T.R. Lipscombe**

## ROMSEY

*House Masters:* Mr. D.A. Milne

Mr. D.C. Bowker

Mr. A.L. Pate

Mr. P.S. Nelson

*House Officials:*

*Captain:* D.E. Abernethy

*Vice Captain:* W.T. Croft

*Secretary:* R.G.H. Smith:

Romsey lacked individual stars this year and from the very start it was evident that a team effort was needed for success. However, we showed our fighting spirit as a force to be reckoned with, as Dave led us to countless victories.

Romsey again dominated the aquatic events by easily winning the swimming, and then followed this up with a second in the lifesaving with Mark Dawson swimming very well.

Our run of successes was halted for a while during winter as few points were scored due to everyone's laziness. But a new lease of life was revealed in the minor sports competition! Gary (Brolga) Brown using his great height to advantage led our inexperienced basketball team into second place. In squash, despite Robert Parker's valiant efforts, we came last in the competition.

Lunch time games of softball and volleyball all failed as there was a lack of interest shown by each house.

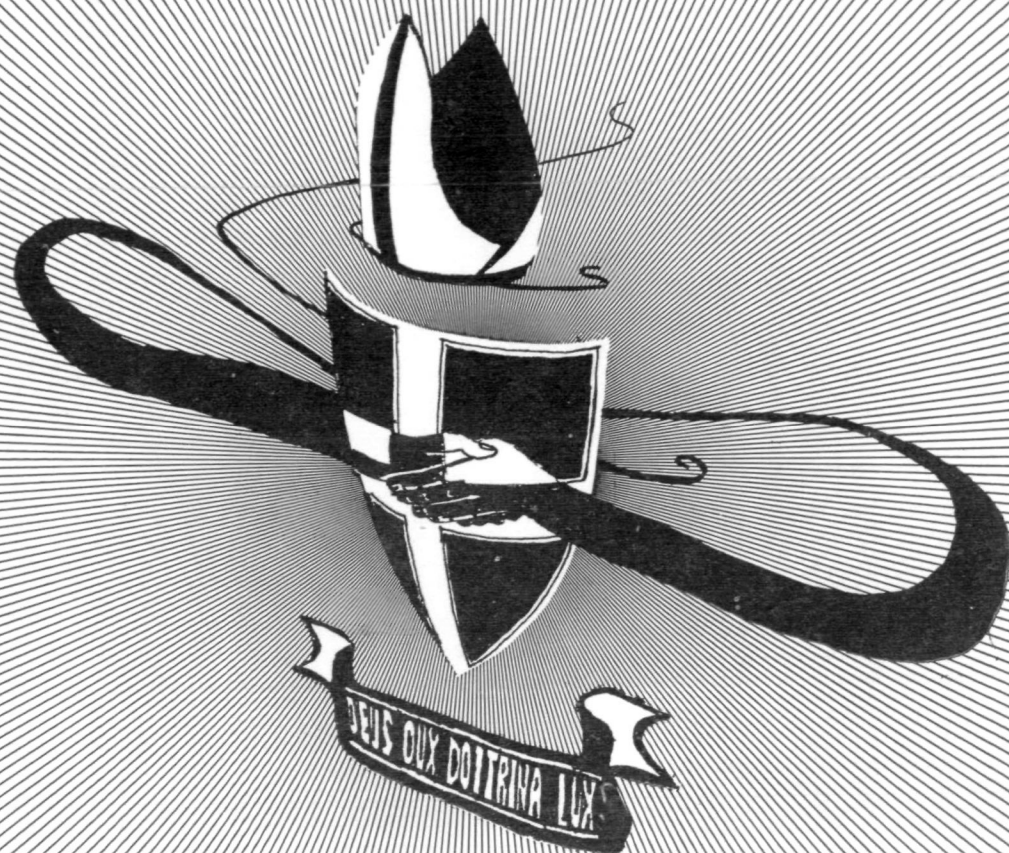

Saving our fitness for the Athletics at the end of the year, Romsey improved greatly on last year's performance by running into fourth place. A strong team effort was given with special mention to D.C. Abernethy, A.J. Green, G.J. MacLeod, M.H. Bingemann and N.B. Forrester, for being extra fit.

Finally, Romsey has benefited greatly this year because of everyone's willingness to jump in and lend a hand when necessary. For the House to succeed in the future, this participation must continue (including giving to collections) because it all adds up in every way.

Special thanks must go to Mr. Milne, Mr. Bowker, Mr. Nelson and Mr. Pate for keeping their patience in administering Romsey this year.

**I.M. Wilson**

# SOCIETIES AND ACTIVITIES

UP UP AND AWAY.....

In the first week of September, a party of Christ Church boys and M.L.C. girls, members of the cast of "The Crucible", a successful school production first put on in April, went to Canberra to participate in the Drama Festival for the Independent Schools of Australia. Along with the cast were two third year students who were invited to take part in the festival in the role of playwrights, under the guidance of David Williamson, one of Australia's more successful playwrights. The party was headed by Mr. Keeley, the play's producer and Mrs. Keeley.

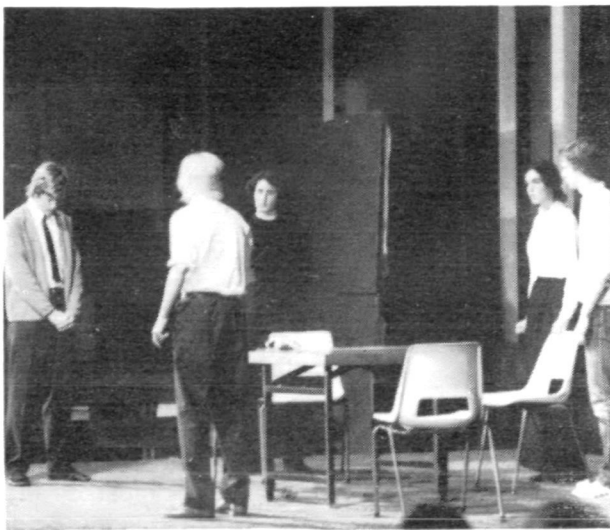

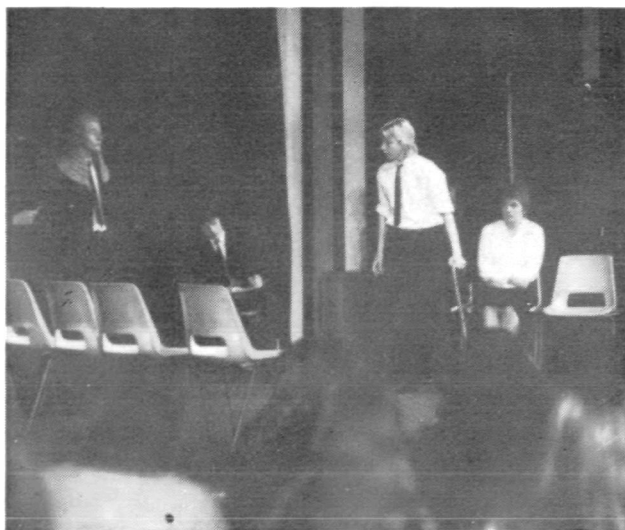

At Canberra we were accommodated, together with five other schools from the other states, at Canberra Grammar School, the venue for the festival.

The festival consisted of workshops in the various aspects of acting, the theatre and related facets of drama. These workshops were conducted by members of the acting profession, by directors and producers from Australian theatres and from the A.B.C. Each evening one of the visiting schools put on its prepared play and the production came under discussion and criticism the next day. As criticism was put forward, members of the cast and the producer were invited to answer questions and make their own points. In this way, much valuable experience was gained and there was a constructive exchange of ideas.

One of the principal benefits of the trip was the opportunity to meet other people from a wide variety of backgrounds, and to meet under the common involvement in drama. The creative nature of the festival led to a highly vital and enthusiastic atmosphere during the week.

I feel certain that all who went would acknowledge the value of the experience and would wish to thank all those who made the trip possible, particularly Mr. Keeley.

**C.B. Boulton.**

One hundred and twenty cadets approaching in an Army assault barge and workboat! Christ Church Grammar School are on their way to "Rotto" for a weekend attack on the Island. A quick unload and they're off to the barracks for a Lt. Wheeler special, combat ration lunch. Great Stuff!

What a weekend! The marines were at home with their canoes and the sea; Lt. Tooke's Pioneer-Rescue mob had all the cliffs, tunnels, old houses etc. that they could ever possibly wish for, to rescue people from; and the "A" company boys had a whole island to explore with their fieldcraft and tactics.

Much ambushing, orienteering and "scrumptuous meals" later we departed leaving the camp in what was quoted at the Brigadier's conference later in the year, "the best condition the island has ever been in since full time troops moved out." Home training continued, the helicopter ride having been a great boost for morale earlier in the year. Virtually no marching and drill were done this year — the aim being constructive things like living in the field and firearms handling.

The Junior Leaders' course contingent returned after their ten day camp in May to strengthen the Unit with twentyfour new corporals. Of these twentyfour, Tim. Haslam deserves a pat on the back for his topping the course and showing them all what Christ Church is made of!

Camp, and the climax of the year's activities — one day's training and "A" company set out for a night attack on a bridge — the object being to "blow it up". This was to be achieved by crawling, with extreme caution and stealth, under the bridge and placing on its structure a stick of mock dynamite and with a piece of chalk, mark your name. The guards were on the alert so you had to watch your step — a great application of the day's fieldcraft and tactics lessons. Several hours later many exhausted but successful saboteurs crawled into bed.

The Pioneers made their debut once again with the erection of a flying fox which not only our Unit but most of the others in camp got a great deal of fun out of — the thrill of flying through the air on this extra dimensional swing.

The range day brought great delight to many trigger-happy little cadets who fired the Bren, a fully automatic weapon that was used in the last war; and is still in service, and for the senior cadets, the S.L.R. and F.1., two weapons that are used extensively by the soldier of today. C.U.O.'s had the privilege of firing the 9 m.m. Browning pistol — our gallant leaders sent many of the empty coke cans flying heavenwards.

Craig Williams showed the colours when he became President of the 5 Cadet Brigade C.U.O.'s Mess for the camp. He did the job well, as is expected of our Senior Under Officer.

Support Company culminated their year's training in knots and lashings with a fifty foot high flag tower from which Reveille and other bugle music was interrupted only once by some sleep-loving cadet who felt 6.30 a.m. was a little early to get up and filled the bugle with liquid. A fortyfoot long suspension bridge was also completed by the

Pioneer lads — an incredible feat and also a first for cadets.

The focal point of the camp for the 1st year cadets was Exercise Colditz — a twenty-four hour tactical raid on St. Patrick's College. The morning was spent constructing a very effective P.O.W. Camp complete with look-out towers, trenches, fences and sentry posts. The Mission was then to find the enemy camp during the daylight hours and plan routes for attack during that night. This was done very effectively and Craig William's bunch even had the audacity to swipe a name tag from an enemy sleeping bag in broad daylight unnoticed right under their noses. The night attacks, well co-ordinated by the senior N.C.O.'s by radio, saw the capture of one enemy company; one lieutenant and landrover and the prime objective — the secret weapon.

As the sun rose next morning the P.O.W. camp held all but three of the enemy Unit. This was due to the fact that number three platoon forgot to wake up!

Another highlight was the Christ Church win of the Interschool confidence course. This is an obstacle course with about a dozen obstacles — walls to climb over, rivers to swing across on ropes, barbed wire to crawl through, nets to roll into from 15 ft. trees, to mention a few. The whole Unit went over this, but only a team of the fastest five was required to represent the School.

The three big events for third term were the Challenge Cup Shooting, a cliff-roping exercise with the S.A.S. and a wind-up party at Captain Fraser's home in Roleystone.

After many laborious hours of "dry run" practice and only two actual range practices, we were beaten by only fifteen points in the 5 Cadet Brigade Challenge Cup Shoot by the notorious Melville shooting team. It's an S.L.R. practice next year, so watch out you south of the river sharp shooters!

One hundred feet over a sheer cliff with only a thin rope between you and .....!! "Lean out more" — "Lean out"! the encouraging words of the S.A.S. Sergeant. The trembling foot edges another millimetre towards the point of no return. The Landrover, far below, looks like one of those "dinky" toys and the driver beside it, an ant. It's all quite safe really though, the S.A.S. boys know what they're doing and even if you did fall and let go of the rope — your descent can still be controlled by the sergeant at the foot of the cliff.

So a year of many varied and enjoyable activities draw to an end with a barbeque party at the O.C.'s place. Mrs. Fraser, having spent three weeks purchasing and preparing food, sat back to watch bottomless pits devour the steak, salads, ice-cream, coffee, Fanta, lashings of cakes etc. Stories of the year's encounters were told and retold.

Cadets is only one of many activities in a school like Christ Church but with the support we have from the Headmaster and staff and the equipment the school possesses — it is a very worthwhile activity. Cadets is for damn good fun!!

## SOCIAL SERVICE GROUP

*A philosophy discussion at Lucy Creeth*

*"Boys at Play"*

The group was particularly active this year. Each week at least two boys from fourth and fifth year visited the Wanslea Home for children of sick mothers, and the Lucy Creeth hospital for crippled children. The visitors found the vigorous games of the Wanslea children most exhausting at times.

At Lucy Creeth they were kept busy answering questions on school life, sharing the patient's recreation, and discussing with them all manner of topics. There was a good response to the appeal for help in the Red Cross and Red Shield doorknocks. The Salvation Army used the school as a regional headquarters. Sixteen boys at the school helped contribute towards a record sum collected. It was gratifying to see so many willing to give up a Sunday morning in this way.

Our aid was sought by various charities. One well-supported street-appeal was for Lucy Creeth itself. Boys were to return with many tales of the brief but significant insight they had into human nature when holding a collecting tin. The aim of third-term collections was a wheel-chair for the Civilian Maimed and Limbless Association.

Throughout the year the president, Nicholas Silberstein was a tower of strength. His quiet, efficient manner, together with the support he earned from his committee and group made it a most rewarding year. Judging by their efforts so far, the next generation of fifth-year students promise to maintain in every way the high standard set in 1974.

**C.J. Williams**

## TUCKSHOP NOTES

This year saw the first year of control by 5th years. This involved three terms of management commencing from third term and ending early third term the following year, infiltrating fourth year committee members as the year wore on. The new security system evolved this year included a new padlock and a bucket of water, preventing would-be thieves from taking advantage of the innocent unsuspecting staff. The immature attitude of many of the customers was once again present. Miscellaneous missiles were seen rocketing through the air with their ultimate target the tuckshop. But what else can you expect from schoolboys?

This year through a more efficient staff the profits improved, however the pressures of inflation and over-the-counter discounts again resulted in a disastrous second term.

Finally I would like to thank the outgoing committee for their support — not forgetting Mr. Wheeler and of course, the manager for the great work they have done throughout the year.

**R.B. Lynn**

# OFFICIAL STATEMENT

From: Art Service

Re: Reports of "Slacking" and General Laziness. The members of the Art Service wish to deny expressly these horrendous accusations. We agree that in the past the rumours have had some substantiation. This is not the case now.

Re: Art Service  
Activities 1974

1. The retirement of Mr. Philip Ward-Dickson early in the year was undoubtedly a great loss to some of the members of the Art Service, and many members felt very strongly about his decision. His successor, Mr. Peter Nelson, late of the Royal Engineers, has proved to be a suitable replacement. His work on Operation Mikado, the Art Show and countless "magazine" covers has proved his worth as a great organiser, a sports car driver and sometimes spendthrift.

2. Our consumption of material and supplies has again increased to try to keep pace with inflation and rising school fees. Figures concerning costs are not available to the general public or to anybody for that matter as they have been (conveniently) lost.

**E. Silver**

## I.S.C.F.

This year the activities of the Inter School Christian Fellowship have been aimed at the 1st Year Age group. We started the year with a barbecue tea to which we invited a lot of boys. This activity was quite popular and was followed up with a number of special meetings for 1st years. These continued until the end of first term.

During second term the group carried on in a limited way, having a meeting every week.

In third term, we have had a couple of meetings discussing controversial questions in relation to the Bible. The meetings for this year concluded with a day at Koorringal which included canoeing and a barbecue lunch.

Throughout the year the I.S.C.F. camps have been well attended and members have supported numerous area meetings and coffee evenings.

Our thanks are extended to Mr. Morrissy for helping us throughout the year, and now that the committee has found its faults, we pray that next year may be even better for the fellowship.

**M.A. Kirkness**

# MATHS WORKSHOP

At the beginning of the year, Mr. Pemberton asked for six volunteers to run the Maths Workshop on the weekdays during the year. This involved taking the school's calculators up to the little room above the Music Centre and supervising the people who came up. R.G. Pestell, M.J.V. Wade, W. Silvester, R.D. Bills, S.C. Finch and I organised a roster and operated it throughout first and second terms. During this time we were mainly patronised by first and second years with a dabbling of others occasionally.

The main interest was the school's two calculators, a Canon Canola 167P-11, a programmable calculator and a HP-45, a recent calculator with two functions to most keys, although some of the more intellectual students tried their hand at the many and various mathematical games in the workshop. Another source of interest was the oldest harmonograph in Australia, restored to running order by Eric Silver.

The culmination of the extra-curricular mathematical activities was the Open Day on November 1st. On that morning, the Maths Workshop moved to the rear of Room 2, as its premises were being demolished. Some of the more interesting mathematical pastimes (including the harmonograph) were set up in Room 11 whilst Room 10 was set aside to receive the 24 calculators for show from various companies. This display attracted a lot of interest with calculators ranging from the low-priced Hanimex through the more expensive Canons and Compucorps to the Hewlett-Packards, the most expensive being the big amicable HP-9821.

This outstanding display culminated a year of advancement of mathematical knowledge throughout the school.

**A.R. Sutherland**

## DEBATING

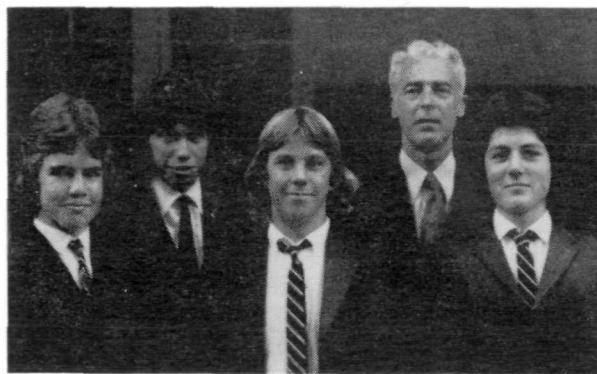

This year was not a good one for debating at Christ Church with a more than a fair share of bad luck and bad preparation, we only managed to win one out of three debates. However, promise was shown by the Junior Team (J. Silberstein, G. Crooke, B. Clugston) who were victorious in the final two debates, after losing the first by one point.

The basis of our poor showing was lack of practice, and although we won the first debate against St. Hilda's by the very large margin of 16 points, the cohesion of 1973 was not apparent. The next debate was against Iona, whom we defeated last year. However, this year we were not equal to the task and went down by 5 points on the topic "That Garbage is O.K.". Finally we debated against the eventual winners of the competition, P.L.C. and went down, in a high standard argument, by 5 points.

Despite competition in the two social debates this year when two teams debated in the senior division, the same senior team was retained. We had the potential to do well - all three of us had had one year of Federation debating and one of our members reached the final of the State selection trials - but could not show it under the crossfire of feminine logic with which we were confronted this year. Perhaps the answer to this would be a longer debating season, with the 40 teams divided into four sections - thus eliminating the current system under which the whim of the adjudicator can decide a team's chances - as anyone who saw the Iona debate will testify.

Finally a word of thanks must go to Mr. Wheeler for his keenness, Mr. Dutton for his interest and to our supporters who gave up a Friday night (or got off Prep.) to come and encourage us.

**G.M. Russell.**

## BOATSHED MAINTENANCE — '74

The maintenance group this year swung into action in second term. With a tight schedule the crew had to work extremely hard to complete all the vital repairs to a fleet of very worn and old boats. On a limited budget which is constantly being stretched thanks to Mr. Mountier, the crew was able to repair the insides of the two McClemans "eights", removing old varnish and replacing worn decks and gunwales, then revarnishing them. This work was mainly done by E. Cook assisted by C. Gavet, while A. Cook attended to the cleaning and painting of the riggers. The two "fours", the "Jup" and the "Walters" were also extensively repaired while the "Noake" had a large ply skin section replaced after it was holed by an anonymous rower's foot.

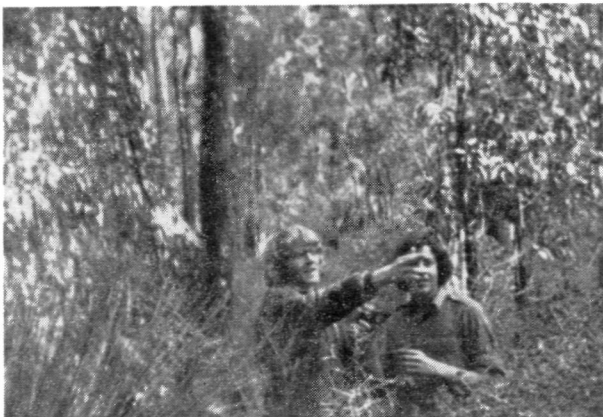

For a sense of achievement and a worthwhile activity — join us next year.

**E. Cook**

*C.P. Gavet, A.J. Cook, E.A. Cook  
Boatshed Maintenance*

This year the Natural History Club came into existence and it was neatly timed because Koorringal was ready for use for the first time this year. Consequently all our work has been centred around it. We have now had two week long camps there. Our main aim is to photograph and classify the wildlife in relation to the geography and overall ecology.

We are especially interested in the ecology and we will attempt to observe the effect at clearing, building, human habitation and regrowth from fires. This is a long term project and will be kept going for many years. Already we have taken some 200 slides and made a huge transept of the property. This involves noting the position of every tree and shrub along a certain compass bearing and it is a means of observing changes in biotic communities.

Koorringal has turned out to contain a wealth of wildlife as well as many different types of communities. A great deal of it is Karri and Jarrah country with fairly dense bush.

Our first camp produced masses of fungus, some of it quite unusual including a very rare species that was sent to England.

This spring we caught over twenty varieties of wildflower on film and saw traces of mammal life. There are plenty of reptiles and Mark Hutchinson, who is our bird specialist has recorded 37 species.

The river contains plenty of fish, shrimps and gilgies and we took some cine film of an obliging Marron who was nearly 10" long fully stretched. We have decided to apply for a licence since the river seems a very rich source of life.

So far we have hardly begun our task - and it is something that you never finish. As the communities change we must continue to record and observe these changes. We might even set ourselves up as a watchdog on school groups who are not environmentally conscious. It would be a disaster if Koorringal or the valley became spoiled by human intervention, and it takes very little effort to do that.

With so much natural bush being cleared these days, it is important to keep the real nature of our wildlife in perspective. In this respect Australia is lagging behind many countries who have realised that the concrete jungle and the accompanying rat race is not a healthy environment for man to live in. Man is a part of nature, however hard he tries not to be. The value of the school having a tract of bush cannot be set too high. If it does nothing else, Koorringal will help this generation to be a bit more concerned with its environment than previous generations have been.

J. Hobbs

## PLAYED 40 WON 30 DREW 5 LOST 5 (SCORE LINE 125 — 35)

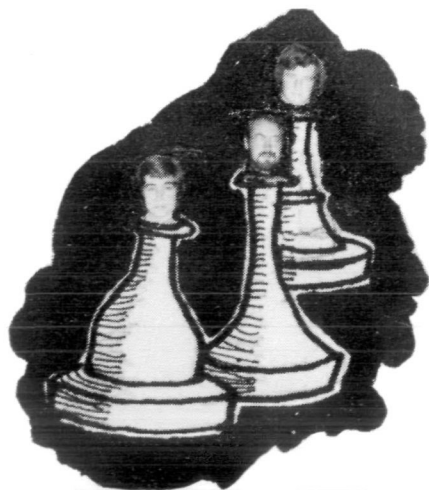

To start the year, Christ Church dominated the State Junior Championships, which were held in the Memorial Hall.

We won the Sheard Trophy, which is the schools prize, with 121 points, 42 ahead of second place. The individual success was David Lang, who won himself the title of U/14 State Champion, winning 8/9. Other results of note were: Michael Millward, Peter Reynolds and Nick Silberstein who came respectively 8th, 5th and 4th in Open Division with 5, 5 1/2 and 6 out of 9. Millward turned it on in one game to beat the State Junior Champion, meanwhile Reynolds and Silberstein both managed to lose to an eleven year old. David Storer was 5th and Rae Deeley came equal 13th in the U/16s, and also in U/14s, Tim Stephenson came 7th. From a practical point of view, our prizes amounted to \$35 and two trophies.

The A team, consisting of Peter Reynolds, Michael Millward, Nick Silberstein and Craig Williams won Premier League with eight won matches and one draw. Their game score was 30-6: 27 wins, 6 draws and 3 losses. David Storer, David Utting, Steve Stearns and Andrew Barker constituted the B team which convincingly won its division of Secondary A League, defeating four other A Teams, they were unexpectedly beaten in the semi-final and placed 3rd in the league. All four members of the team played consistently well - their score in the qualifying rounds was 24-4.

The three Christ Church teams in Secondary Reserves League; the Junior 1sts, the 'C's and the Junior 2nds came respectively 1st, 2nd and 3rd in their respective divisions of that league.

The 'C's, consisting of Robert Storer, Bryce Nock, Lawrie Archer, Michael Wood and assorted other 4th years, defeated the J1s (David Lang, Michael Ellies, Graeme Smith and Rae Deeley) in the semi-final. They then went on to win the final at the second attempt, after drawing the first one. There were several outstanding individual performances in this league including Ellies 5/5 Wood 7 1/2/8 and Deeley 6 1/2/7. (Wood and Deeley spoilt each other's perfect records in the semi-final).

*Chess 'A' Team*

*N.P. Silberstein, C.D. Williams, Mr. B. Whittaker,*

*P.C. Reynolds, M.J. Millward*

The J2s performed creditably for their third place, they were Tim Stephenson, Geoff Haycraft, Ben Carrington and Peter Morris.

Christ Church won the Boans Trophy at the Garden City tournament in September. Peter Reynolds with 8 1/2/9 was placed 2nd on tie-breaker. Michael Millward was 5th, scoring 6/9. The other Christ Church entrants - David Storer, Craig Williams, Laurie Archer, Rae Deeley and Michael Wood ranged from equal 11th to equal 22nd with 5 1/2/9 to 4/9.

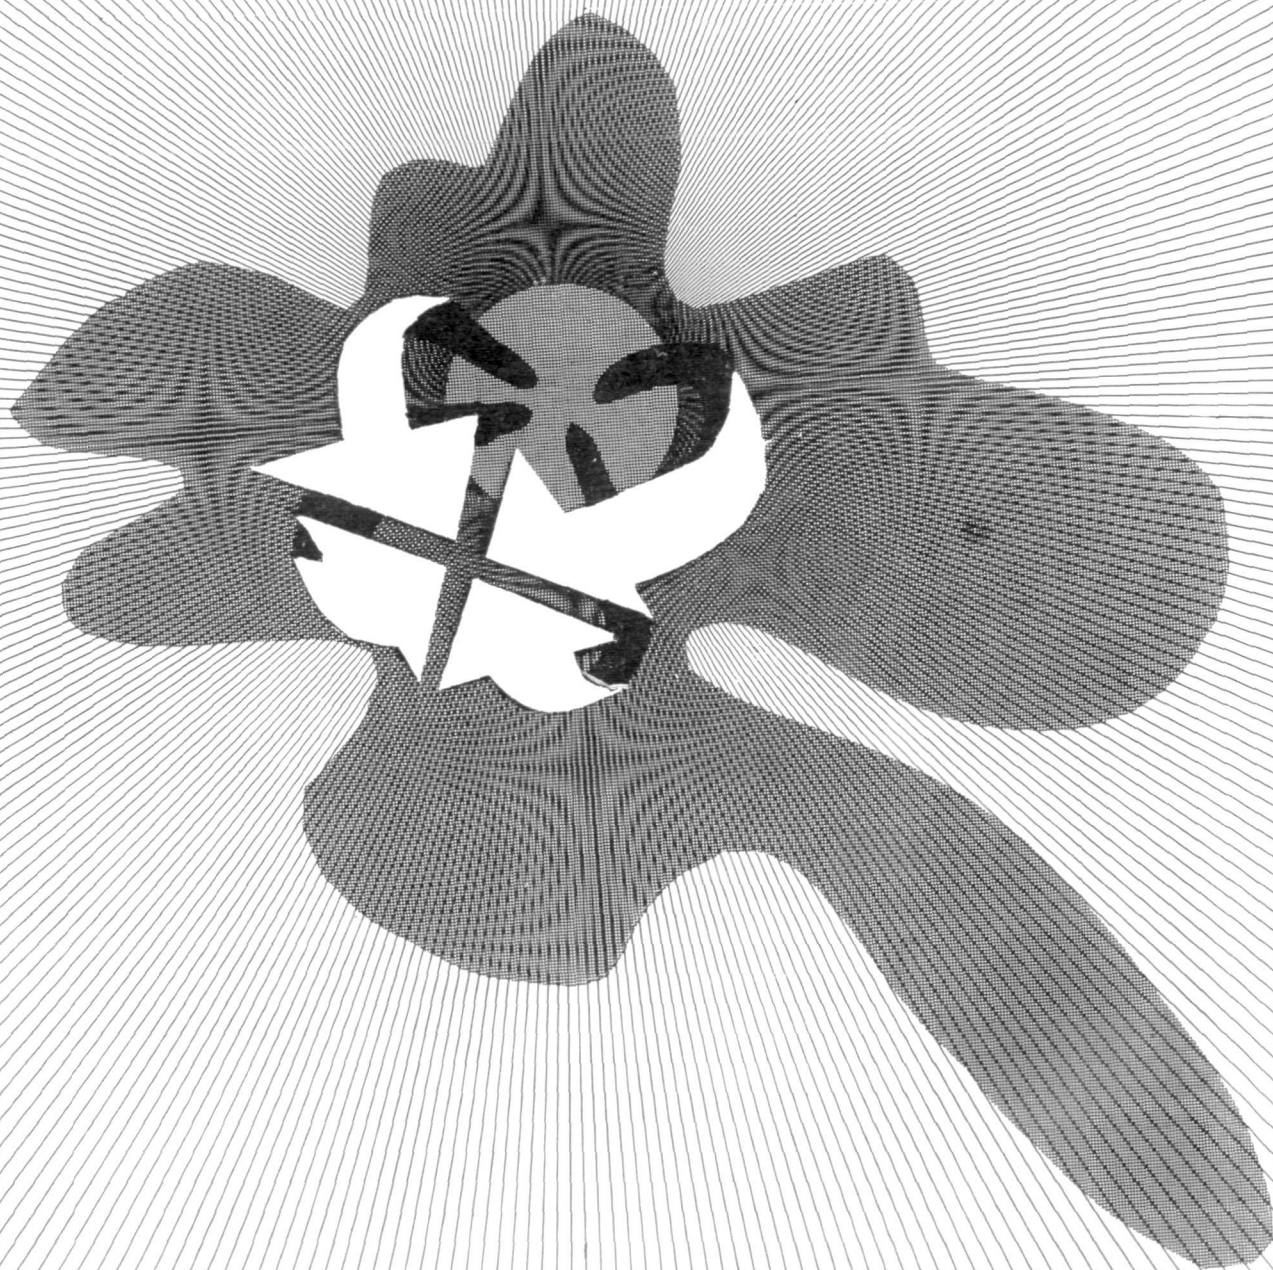

The Interhouse Chess, played in first term, was held in two divisions - Senior and Junior, and the results were pooled to decide the final placings. The result was very close, Walters 1st, Romsey 2nd and Wolsey 3rd.

Individually, Michael Millward on first board for Craigie Seniors and Ben Carrington on second board for Walters Juniors both managed to win 7/7. Thanks go to Dave Utting, who did a good job in organising the matches. In the chess event of the century, the Staff vs 5th year the staff were very lucky to hold the 5th years to a 3-all draw. This match saw the comeback of such name players as Steve Crocker and Graeme Hankey.

Our success this year is due to the large amount of time and energy put in by Mr Whittaker in conducting practise sessions, arranging matches and transporting teams.

**N.P. Silberstein**

24 IN TOUCH

# AN ADRIATIC RHAPSODY

A calm and silent sea of azure blue and emerald green,  
A brightly coloured fishing boat  
its faded blue and yellow sail  
billowing under a light sea breeze,  
and a weary trawler, rust and  
slime and barnacle encrusted  
slowly chugging en route to Dubvomik...

An Adriatic fishing village  
with cobbled streets and shady  
trees and romantic old churches  
where wizened old men sit  
smoking their pipes watching  
boats come and go, watching  
swarthy young men with breath  
of garlic and wrinkled old women in funery black...

A landscape of cod, fresh olive  
groves and green and purple vineyards, a  
landscape of craggy peaks and ridges  
and ancient ruins of castles,  
a landscape over which the most  
brilliant sunsets with radiantly mixed  
hues of red and yellow cast their  
splendour, only surpassed by a  
brilliant moonlit night and myriads  
of stars twinkling in an Adriatic Rhapsody.

N.A. Vincent III4

# THE OLD MILL

*It stood, stolid, squat, reliable  
Nestled into the hillside.  
From within came a barrage  
Of unceasing industry.*

*I approached the Old Mill —  
And entered.*

*I saw the gleaming, silver machinery  
Glistening in its oily environment.  
I saw the dingy wood floor, all squares  
And nails;*

*The vividly, garishly coloured wagons  
Sitting pugnaciously along the track,  
Waiting their turn.*

*The sweating faces and arms of the men,  
Victims to the snaking and coiling strips of gear chain,  
Flexing incessantly as they grasped at the wheels,  
Turning and pulling.*

*I saw the old tin roof; the new supports;  
That confidently bridged the gap over the floor.  
Light grey painted metal, that clung  
To rectangles and squares.*

*And I saw the repainted brick walls,  
That enclosed the machinery and workings,  
Of the old, re-done, salt mill.*

- D.J.L. Joske III2

# THE OLD WINDOW

*Once there was an old old man. He lived in an old  
old house with an old old window. The old window  
had many things living on it. One terrible night a  
rubber smashed the window. All the insects died.*

*N.J. Rose, P.2 Bronze*

## ESCAPE

*I escape from the world by painting  
I just forget about everything  
I just let myself go.  
I paint what my feelings want to paint  
I escape the world by riding my bike on dirt tracks  
Its like being in a new world.  
Waking up in the morning  
Starting a new day after a bad night  
That's how I escape from the world.*

*T. Reynolds, P.6. Green*

## CONSTRUCTIONS

*A plaster white block merges from entanglement  
Of brick, tree and dirty air.  
Its roots firmly fixed in the ground  
Who would want to plant it there.!*

*B.T. Walsh V4*

# ANOMALY

*"Man is Supreme  
He controls all animals."*

*"Yes...But can he master himself?"*

*"Man is sophisticated  
He builds Televisions and computers."*

*"Yes...But can he appreciate them?"*

*"Man is the fastest being alive  
He drives cars."*

*"Yes...But can he steer himself?"*

*"Man is the most cheerful of beings  
He can stimulate laughs."*

*"Yes...But is he content?"*

*"Man is thoughtful  
He can deliberate."*

*"Yes...But can he consider?"*

*"Man is articulated  
He can speak."*

*"Yes...But can he communicate?"*

*"Man is theoretical  
He can infer."*

*"Yes...But can he conclude?"*

*"You're right...He's isolated."*

*"I know."*

*B.J. Clugston III*

# FEAR FOREVER

Lost in his own world —  
Devoid of human identity  
Run, Run stop...silence —  
Again forever fear forever.

A slicing blade of light cuts through the tomb of darkness  
A muffled sound, a stifled gasp,  
Feet, Feet stamp, feet patter...no sound  
Death claws the heart of the fugitive.

Why run, instinct?  
Yes he doesn't run from men but from a life of Death —  
Spiritual death in a tomb called Jail,  
Life has no material love for him,  
Just an open door, a guiding hand

M. Hansen III2.

# THE PARACHUTIST

The parachutist tumbles from the plane,  
He fears the earth he left with bated breath,  
He counts to three and claws his ripcord to his heart:  
His two life-lines, in altitudes where man should never be,  
do not evolve to go, alien  
in an environment which he should have left for avian  
flight.

He counts to five as tumbling earthward he licks his lips  
with a tongue that is very dry;

I can't die. The brave man fears the fluid in which he can't  
control his own body. On

land man is master of his own movement. He needs a  
parachute in the sky.

I have my ripcord. The brave man fights his thoughts. He  
plummets, fluids spin,

he screams from fear and joy,

A love for speed and a hate for hurt divides him, tears him  
as the air tears him,

rends him until at nine

He pulls his ripcord with knuckles white and billowing  
above him fast grows,

A white half-world in the sky.

Man's apparatus to bring him gently to the earth he needs,  
the earth that bore him,

the earth that opens wide to catch and keep the brave  
man who lost the sky.

D.M. Hutchison III2.

# YACHTS

*Every time I go down to the river I see on the far horizon many yachts of all different shapes and size.*

*They are beautiful to see with the sun behind them and their coloured spinnakers billowing in the breeze, and their bows cutting through the waves and then after them comes the gentle waves of wash but if it is a larger yacht the wash behind it is quite boisterous. I love to watch yachts every time I go down to the river.*

# CORAL GARDENS

*A shaft of sunlight penetrates the deep  
And brings to life the wonders of the reef.  
King Neptune's coral garden comes ablaze,  
With staghorn, mushroom, brain and lacy fans.  
Like butterflies, the glistening fish  
Hover in the labyrinth of skeletal arms.  
Graceful sea anemones a-flower,  
Their tentacles waving in the lazy current,  
While slugs and starfish slither,  
Ever searching, slow but purposeful.  
A flash of a thousand colours,  
As small fish flee from a predator.*

L.J. Pretl, P.7 Red

# "THE SHAPE OF THINGS TO COME?"

"The Shape of Things to Come?" : what does this broad title mean/ How does it affect us? What has "shape" to do with our daily lives?

It is the purpose of this essay to tell you my opinions about the part shapes play and will play in our day to day existence. I intend to show you the profound effect upon our lives.

Shape. Think of the word. Swallow it, chew it. Look around you: a brick, many bricks in a wall; a desklight, a desk, a cup; all common-place articles and yet. One hundred years ago, these common-place articles were different. The wall was built differently, the desklight, the desk, the cup.

One hundred years ago shapes were different, shapes were ornate. The desklight may have been wrought, beautifully shaped with curves, with artistic beauty, but much of it functionally irrelevant. Now, the desk light is stark, crisp, sharp in shape. All of it is functional, all necessary. A desk lamp is not an object of beauty! It is necessary and should look so!

Or should it? Should all the shapes that combine to form our existence be stark in their functionality? It is this transition of objects from beautiful to functional that is the point of this essay.

I believe that this trend to functionality is having a significant effect upon our lives, and hence, functionality can be bad for us.

An example: a businessman, in a very important position, decides to increase the output of his business. It becomes necessary for him to sack five men and replace them with a machine that does their work in half the time.

To increase his functionality, or rather the functionality of his business, the man decided to eliminate the chances of human error. In other words, to find function he has employed simplicity — and it is what I have termed ULTRA-SIMPLICITY that is destroying society today.

This modern trend, this ultra-simplicity is not applicable only to shapes: it is applicable to any subject, any topic, that requires work, that has a goal. For to do the work, to reach the goal, one must function.

To do the work best, to reach the goal earlier, is one of man's major preoccupations. His desire to be there first, to win, to be best, is superseding the love of his fellow creature.

It is the same way that function is being superseded by sterility, by lack of variation. In a lot of cases function is satisfactory, as in the modern car. It still has variety, it still is interesting; it has gadgets, it has complete mechanisms, and it is functional. It is functional in making our lives simple, as we can move more easily from A to B: but it does not have sterility.

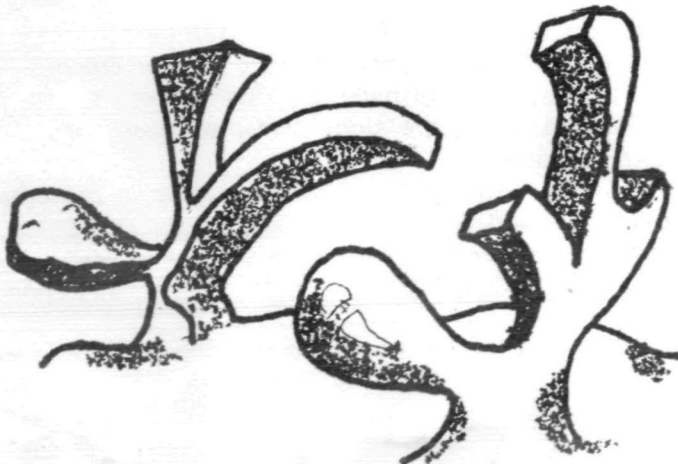

Look at any block of flats. Is there variety? Yes, you may answer; look at the trees, nature's attempt at breaking up the rigid jig-saw of human existence. But the buildings — they are the same; they are functional — they function to provide housing for a lot of people, to make their lives more simple. But they are sterile, they give people an impression of being crushed together, thoughtlessly and carelessly. The sheer impersonality of one single flat in one single block — and yet in that single flat of that single block a family must live, survive, grow, love; and in the next one is the same situation. Because of functionality of the building, they do not know who lives next door. The occupant is unable to express his personality, by painting the outside of the flat, no people can see what he thinks his home should look like.

It is this sacrificing of the need for variety in human existence for pure functioning in an attempt to amplify life that is so horrifying in our society. Horrifying? Yes. We read of the growing drug trade, as the next generation seeks a way out of the holocaust of sterility in society.

What can be done about it? How can the disregard of human needs be stopped? The blame is on everybody. "Hippies" yell at the "old" generation for causing it; the "old" generation yell at the "hippies" for doing nothing; and neither do anything to remedy it.

The rot must be stopped at all levels. Designers, politicians, doctors — all should battle for fulfilment in human society. Shapes should change; perhaps man will adopt nature's shape in his buildings; but it will still take squat rectangles to do it. Is it too late?

D.J. Joske III 2

# DEVILS FROM THE SKIES

One night Tom was standing on the cliff when he heard a sonic boom with a flash of light. A big ghost appeared. Tom began to run away from the ghost. But the ghost caught Tom. Tom shouted out HELP! Help! Lights went on in the houses. People came running. Some men went home to get guns. When the men with guns came back they shot at the phantom. He went away. He never came back again.

A.J. Bremner, P.2 Bronze

## HORICE THUR KROKODYL

by Nigel Hoffin Mead

Horice thur krokodyl wuz syting in thur ryvar,  
Waiting tur eat a pologmies kidknees and huz lyvar,  
Pur Horace, sumbudi shot hum bitwine thur iyes.

## SMUGGLERS

*Ships that move in the night  
Hidden by fog from our sight  
Passing goods to each other  
Sounds they are careful to smother.*

*Smuggling ships moving silently,  
Swiftly,  
Sinister shapes coming stealthily,  
Smoothly,  
Feet crunch pebbles wearily,  
Strongly,  
Cargo unloaded secretly,  
Illegally,*

*An engine throbbing steadily,  
readily,  
Large wheels spinning quickly,  
Speedily,  
Huge trucks leaving, powerfully  
Noisily,  
Sirens sounding loudly,  
Piercingly.*

*Police meet trucks in the night  
Arrests are made in bright light  
Handcuffs produced quickly and fast  
Smugglers are captured at last.*

## "ADOLESCENCE"

A. McGowan 13

*Growing, tearing, managing,  
rejecting, challenging, wenching,  
smoking, drinking, asserting.  
Present participles are their name  
Doing things now, it's all the same  
These are the rules of the Adolescent game.*

*No longer a child.  
Not yet a man  
learning swiftly what we can  
learning to manage my own affairs.  
Facing adult challenges and dares  
Rejecting authority, rules and guides  
But still want our parents by our sides.  
Except when the fellas see what's what.  
And call the old man a great big clot.  
Make our own standards for beer and smokes  
Except that we copy the other blokes.*

## HANG THE POET

*There's a crowd gath'ring in the court-yard,  
And with one voice, they're crying out for blood,  
Well I know that the blind, they can't see,  
But they're taking the sight from their eyes,  
Hang the poet!*

*Can you see them swaying in the breeze?  
Hang the poet!*

*That's the way they tread on you when you're out of  
line.*

L.W. McMahon 1112

S. Dutton 112

# THE ANIMAL STORE

*If I had a hundred dollars to spend,  
Or maybe a little more.  
I'd hurry as fast as I could,  
Straight to the animal store.*

*I wouldn't say, "How much for this and that?"  
"What kind of pet is he?"  
I'd buy as many as rolled an eye,  
Or wagged a tail at me!*

*I'd take the hound with the drooping ears,  
That sits by himself alone;  
Cockers and Cairns and wobbly pups  
For to be my very own*

*I might buy a parrot all red and green,  
And the monkey I saw before,  
If I had a hundred dollars to spend,  
Or maybe a little more.*

C.L. Ball 11

## THE LION

*His mane of fire, a hood of flame shimmers round his head,  
Glowing in his majestic wake like a globe of gold.  
His swords protrude from his crimson mouth,  
He opens his jaws and lets forth the sound of a hundred  
cannons.*

*And over the jungle plain all animals raise their heads,  
To pay homage to their king,  
The emperor of a glorious past  
The memory of evil.*

G.C. Myatt 13

## DINOSAURS

*Dinosaurs reign no more,  
As they did years before,  
Some ate grass,  
Some ate meat,  
And some had such enormous feet,  
Anthropologists have yet to find,  
How the Dinosaur used his mind.*

M.L. Lester, P.4 Gold

## SIDE-SHOW SPIDERS

*I walk slowly past the spider,  
ignoring him deliberately.  
He tries to attract me into his web.*

*I calculate the chances —  
they seem in my favour;  
I stride so foolishly quickly,*

*I hand him the coin  
and ask for the change,  
but alas! At last I've been bitten.*

R. Crossing 11

## THE WOODPECKER

*The woodpecker pecked out of a little round hold  
And made him a house in the telephone pole.  
One day when I watched he poked out his head  
And he had on a hood and a collar of red.  
When the streams of rain pour out of the sky,  
And the sparkles of lightning go flashing by  
And the big, big, wheels of thunder roll,  
He can snuggle back in the telephone pole.*

M.M. Nicholas, P.5 Silver

## ANIMALS

*Fish swerve and wave like reeds in a pool,  
Then spurt forward then slow turn right then left.  
Then stop and dart off.  
Birds dance in the mirage like phantoms or ghosts.  
They bounce and bow in a courtship display  
Bouncing and bowing, bouncing and bowing.  
The tiger plods in his cage, his eyes bore through you  
Relentlessly plodding, plodding,  
In his cage of despair.*

M.J. Pate, P.7 Red.

# THE MOSSIE

*A body lies on my desk  
Legs wrapped around the wings, collecting cobwebs and  
interesting things  
The abdomen has encircled the thorax  
With a leg protruding, catching a little breeze*

*This lifeless form is uncared for  
It has no life,  
No burial or cremation, no folks or flowers, no religion or  
worry,  
It is either left or swept.*

*The body belongs to the species of mosquito proboscis,  
It's cycle consists of birth, reproduction and death  
Observation has shown that its larvae breeds in H<sub>2</sub>O  
Conclusion it is a Vector!*

*But as I ponder, I know it's too late  
Only the crust is left  
And it has turned a different shape.*

B.T. Walsh V4

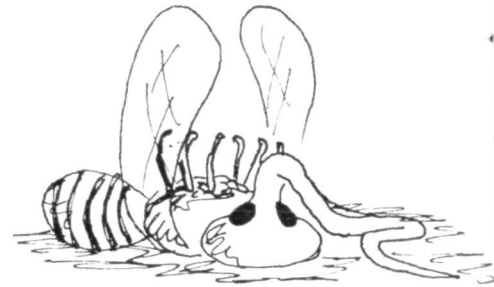

## FEELING

*Today I had a feeling I would go into the forest. I saw a tiger — it got me. It was spooky inside. He went to get a drink. A crocodile bit his tongue. I had a feeling I was in the crocodile's mouth, but I was in the water with a shark after me. I said be a good shark. If you are hungry eat a rock so he did but his teeth fell out.*

G.L. Alderson, P. 3 Tan

*Once upon a time there was a boy and his name was Peter Pan. He flew from house to house and the last house he went to he told some children — Can you come to the Never Never Land with me and off they went and he had a fairy called Tinkerbell. Now Tinkerbell was a naughty fairy she pulled Wendy's hair. Wendy cried. And Peter Pan said I'm not going to be your friend any more Tinkerbell. Tinkerbell was mad, so she flew out the window.*

J.C. Smyth, P.1 Copper

## PETS

*Pets come in all shapes,  
They come in all sizes.  
They bark, they squawk,  
Some learn to talk  
They comfort you  
They help you  
Or sometimes they annoy you  
They are the animals you love and care for  
They are pets.*

I Doust I

SUA "ROYAL SHOW 74"

*You enter the gates willed with anxiety.*

*You wonder if there are any new exhibitions or new side show rides.*

*It is only 9.00 a.m., and the crowd has not come.*

*Showbag stalls are closed, but exhibitions are already open,*

*"W.A. Wool" is opening now, and a few people start to walk in and browse around.*

*In the ring, horses are jumping the high jumps, while only a few people watch them competing.*

*Some people take a ride on the chairlift down to side-show alley;*

*where the noise gets stronger and stronger as you approach it.*

*"Have a go at the hoops sonny, everyone receives a prize! Side-Show is not busy yet and so you can get around much easier.*

*Suddenly! at 10.15 a.m. more people start to come in through the gates,*

*they pour everywhere, but I'm off!*

S.B.I. CROMACK

# PREPARATORY SCHOOL

*Back Row:* Hurst, D.R.; Shellabear, J.N.; Breidahl, W.H.; E.F. Gifford, Esq., Alderson, M.R.; Seward, J.P., Buchanan, A.D.  
*Front Row:* Morrissy, M.B.; Rigney, S.; Atkins, W.S.; Collin, C.R. Denny, N.F.

The 1st XI had a mixed season. In the first game we played Hale. Hale won the toss and we were sent in to bat. We collapsed early but were held together by a strong partnership between Rigney (35 n.o.) and Seward 23. We ended up being all out for 62. Hale were all out for 25, Alderson taking 4 — 3 and Atkins 4 — 4. The next game against Korsunski Carmel was played on a composition pitch. They batted and it was unrewarding for the fast bowlers. Collins got 2 — 5 and Denny 3 — 8. We batted and a strong opening partnership between Breidahl (34 n.o.) and RIGNEY (19 n.o.) paved the way to victory. Seward also contributed with 17 n.o.

The next game against Marist was played on a grass pitch. Christ Church batted first. Breidahl hit a solid 47. At the end of the batting time the team was 4 — 63. They batted and surpassed our total. Alderson and Denny both took two wickets. Our thanks to Mr. Gifford for coaching us.

**W. Breidahl**

Library so Mr. Morrison has had the task of transferring the library to Room 5. This is working out well because the central location is a great advantage, and with the change came additional library furnishings such as a 10-drawer plan cabinet, a vertical filing cabinet and new shelving. Excitement was high leading up to November 11 when Mr. Matthews and Mr. Keeley led the first full form party to stay for a few days at Koorinal. In turn all the older boys were given this opportunity having first been drilled in first aid, basic survival techniques, bushcraft and cooking. Apart from the obvious lessons related to the natural bush surroundings the boys learnt to survive their own cooking and learnt to appreciate what their mothers do for them at home.

It is the practice for Grade 7 boys to use the Senior School science laboratory during third term as an introduction to the secondary-type subjects. This year this was carried a step further with a introductory French course during third term given by Mrs. Mortlock.

During the year we had a visit from the Perth City Ballet but on the whole we have provided our own entertainment or relied on Senior School boys to provide items. Each Friday there has been some form of dramatic work or else the music department has prepared something for us. These sessions have proved most valuable both for the performers and for the audience.

At the end of this year two people who have contributed much to the Preparatory School are leaving. Mrs. Carter is taking a well earned rest and Mr. McTavish is to become Headmaster of another Primary School. Both have endeared themselves to staff and boys alike and they will be missed in 1976.

## Preparatory School Notes

Mrs. S. McPartland joined the staff at the beginning of the year to replace Miss Craig, and Mr. Morrison spent first term attending a special course for teacher-librarians. Recently, with the transfer of the Music School to the Chapel Undercroft, a new home had to be found for the

**Top Row:** Alderson, M.R.; Shellabear, J.N.; Patrick, K.J.; Johnson, P.M.; Hutchinson, A.J.; Lee, J.A.C.; Battley, J.V.; Gerrard, I.M.; Mortlock, C.D.

## Preparatory School Boys at Koorinal

Craigie was the victorious house in the Inter-House Swimming Carnival — finishing with 222 1/2 points, 51 points ahead of Wolsey with 171 1/2 points. Romsey was third with 118 points and Queenslea was fourth with 100 points.

The best swimmers of the night were G.I. Bowman and A.N. King, both of Craigie and R.P. Cullingford of Wolsey. King finished with three wins, Cullingford finished with four

The best swimmers of the night were G.I. Bowman and A.N. King, both of Craigie and R.P. Cullingford of Wolsey. King finished with three wins, Cullingford finished with four and Bowman finished with five wins, three of which were records.

This year's Inter-school Swimming Carnival for Preparatory Schools was again held at the Christ Church pool.

Although no points were given there was great excitement during the carnival, with some very close races. Other schools in the sports were Scotch, Hale, Korsunski-Carmel and Guildford.

The boys in Grades 6 and 7 lived in at Koorinal for at least 3 days each during November so the camp was used continuously for a full fortnight. In an age of increasing urbanisation, with children and young men finding less and less to test their physical skills, it is good to find a place like Koorinal. Set, as it is, in country that is rugged and difficult, it offers many types of adventurous situations that are not found in city environs. Down there, boys don't need to rely on machines to give them a sense of testing themselves. There are plenty of gruelling hikes to test both physical endurance and mental ability; using only ropes and timber, ones' skill at constructing bridges, towers and furniture can be tested and many games can be devised using only one's own ability to outwit an opponent.

With younger children particularly it is interesting to watch them trying to cope with situations which in many cases, are completely new to them. Simple things like washing up or cooking a steak on a barbeque become a major operation for some and it's often the quiet ones who cope best, while the sporting leaders come back to the rest of the field. It is hoped that Koorinal will not become too 'civilised' or it might lose its 'raison d'être.'

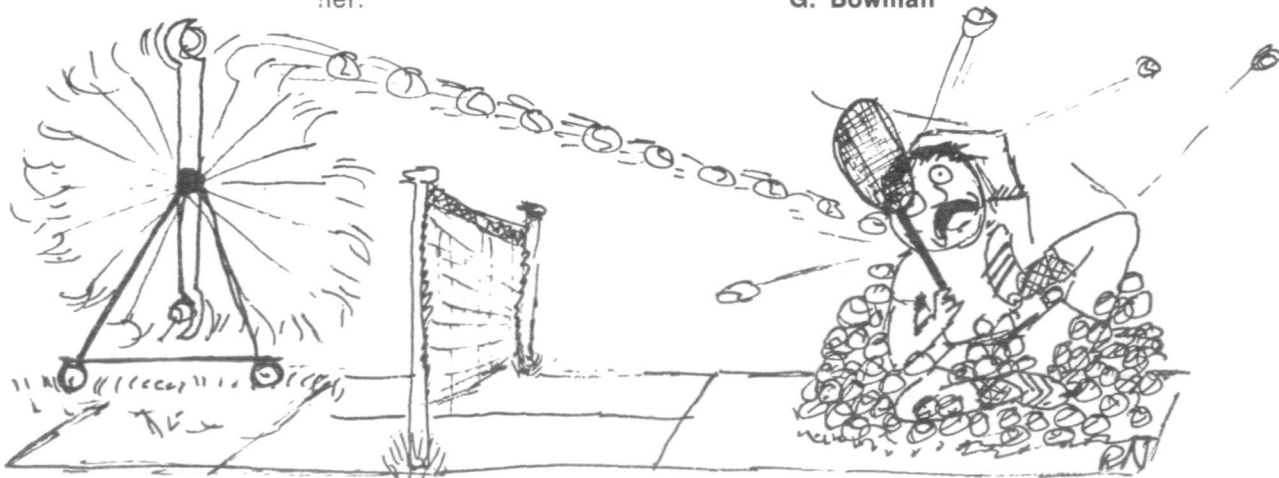

A.L. Keeley.

*Back Row: Woodall, S.P., Bowman, G.I., Miss J Denney, Carnachan, H.G., Pate, M.J.  
Front Row: Mortlock, C.D., Waters, T.C., Stone, P.R., Davey, N.B., Mottershead, M.R.*

Preparatory School Tennis Champions 1973  
 Singles: M. Alderson defeated S. Rigney 6/1, 6/4  
 Doubles: G. Bowman and W. Breidahl defeated T. Lemann and M. Thackwell 6/2, 6/5  
 Many boys have again shown great interest and coach, Miss Denny had large turn-outs every Monday for after school coaching and game practice. The School Championships are being played in third term with 57 "singles" entries and 25 "doubles" pairs which promises an exciting tournament.  
 Top seed is M. Alderson who was last year's winner.

**G. Bowman**

**Top Row:** Mottershead, M.R.; Lefroy, J.R.B.; McTavish, M.J.R. Malabre, W.A.; Atherden, W.A.; Seward, J.P.  
**Middle Row:** Atkins, W.S.; Hurst, D.R.; Breidahl, W.H.; Knox, D.J.; Dowsing, J.M.; Denny, N.F.  
**Front Row:** Rigney, S.; Stone, P.R.; Morrissy, M.B.; Shellabear, J.N.; Knox, M.A.; Cearns, M.I.; Collins, C.R.

The Preparatory School First XVIII did not have a very successful season. We lost most of the games we played.

Our first match was against St. Louis. We were defeated by 26 points. Next we played Marist. This game was one of our worst, although some of our good players were absent. We were beaten by over 10 goals. The following game against Trinity was touch and go right throughout. Christ Church gained the lead in the last quarter but Trinity fought back and kicked a goal which made it level pegging. Then the ball was transferred up and down the field, until Trinity finally kicked the winning goal about three minutes before the final siren. Christ Church could not regain the lead. The final score was Trinity 7 goals 9 to Christ Church 7 goals 3.

Our first victory came in the next game against Wesley. Christ Church never looked in doubt of losing this game. The final scores were Christ Church 8 goals 8 to Wesley 2 goals 2. We made it two in a row when we defeated Scotch by our biggest winning margin of the season. The score was Christ Church 7 goals to Scotch 1 goal. Then in the next game we were defeated again. This time by Hale. We had our chances but luck was against us and bad kicking in the last quarter ruined us completely. But on the whole our kicking was quite good. We kicked 5 goals straight to Hale's 6 goals 6. The next game we lost to Servite 7 goals 7 to 4 goals 4.

We won our third for the season against Aquinas. This was a well fought out match. At the final siren the score was Christ Church 6 goals 9 to Aquinas 4 goals 3.

Then came the Lightning Premiership. We drew with Marist for our first game. We played very well, but we lost by 2 goals. We won our first match of the day against Scotch; then we had to play Aquinas. This was one of our hardest games, they were too strong and they won by four points. Then we played Trinity; this was another hard game on a big oval. But luck was against us once more and we went down by a couple of points.

I would like to thank Mr. McTavish for giving up his time after school to coach us. I would also like to thank the rest of the team who produced some very good football and a great team spirit. Although we lost most of our games, thanks to Mr. McTavish, we played a lot better football towards the end of the season.

**D. Knox.**

# 29 ATHLETICS

Top Row: Johnson, P.M.; Parry, A.J.; Hutchinson, A.J.; Patrick, K.J.; Archer, I.D.; Morrissy, M.B.; Brown, C.R.; Kirkness, J.W.; Lee, J.A.C.

## CROSS COUNTRY RESULTS

AGE	WINNER	HOUSE
9 years	D. Archer	Romsey
10 years	M. Leary	Wolsey
11 years	N. Denny	Queenslea
11 years	A.J. Hutchison	Craigie
12 years	J.P. Seward	Wolsey

This year the Preparatory School had their Annual House Carnival, Mini Carnival and Interzone Sports.

The first meeting was the House Carnival. This was won by Wolsey, closely followed by Craigie, Queenslea and last was Romsey. The Mini Carnival was held at Aquinas. We were very successful in the 8, 9, 10 year old sprints and we gained a number of places in the jumps.

This year we hosted the Inter-Zone sports which were held at Mt. Claremont.

The successful athletes from Christ Church were P. Lipscombe, W. Atkins, M. Pate and I. Archer, who set an 11 year old high jump record of 1.43 metres.

In the relays we won the Open B. division, 10 year old A and B Division, 11 year old B division and the 12 year old B division. a great team effort. Thanks to Mr. Sheldrick, Miss Denny, Mr. Simpson, Mr. Matthews and Mr. McTavish for coaching us at various activities.

**W. Atkins**

# 30 HOCKEY AND GYMNASTICS

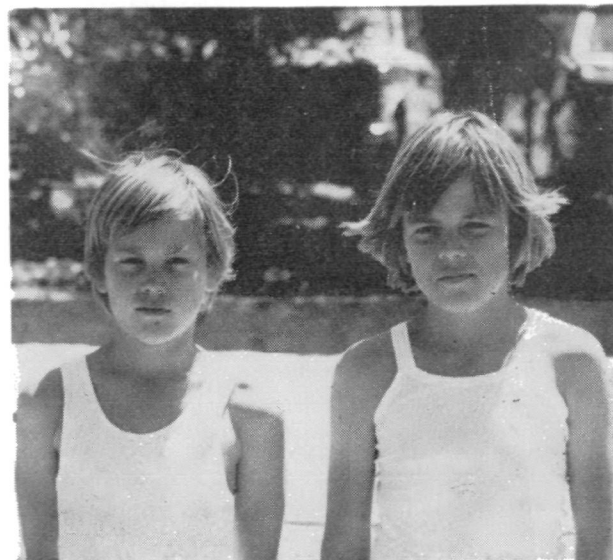

*Top Row: Newman, A.L.; Pate, M.J.; Crommelin, G.W.H.; Norman, R.K.; Ferrier, S.J.; Broadhurst, A.W.*  
*Middle Row: Lester, M.L.U.; Mortlock, C.D.; Rev. H.J. Booth, McKenzie, D.K.; Court, F.W.R.*  
*Front Row: Kirkness, J.W.; Davey, N.B.*

We had quite an exciting season but an unfortunate one because one of our players broke a leg.

We had many new players who have learned the basic skills during the season.

Our best and most exciting match was against Servite which we won 4 — 0. Our victories were owing to our coach Mr. Booth.

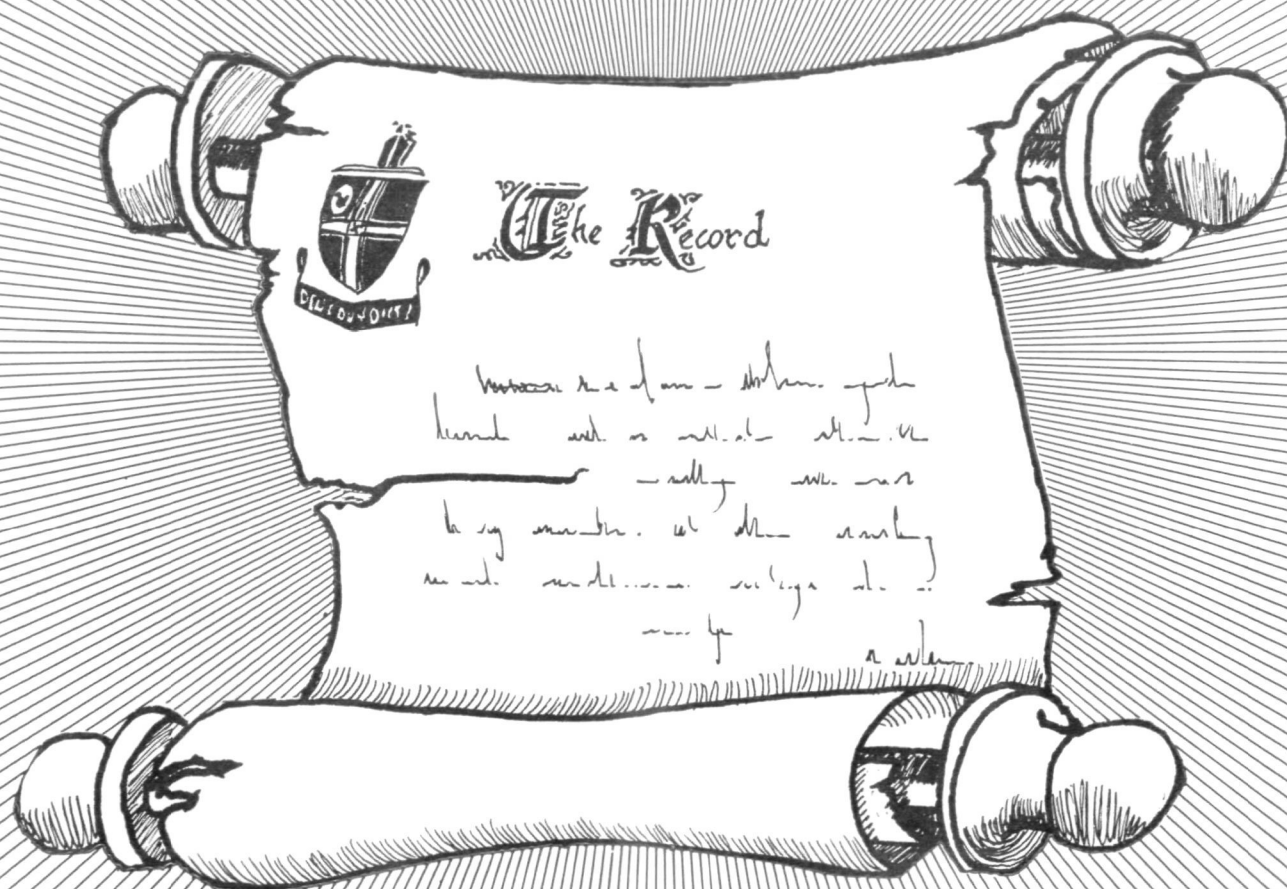

**G.W. Crommelin**

*Bryant, D.M.; Battley, J.W.*

In the State Gymnastic Competition we got third place. The team was D. Bryant (Captain), J. Battley, R. Kirby and one Middle School boy. The Preparatory School Gymnastic Club has fallen apart while Mr. Kovacs has been away. I hope it will come back next year.

**D. Bryant**
