# EDITORIAL

MARGI WOODROOFE / EDITOR

This edition of *Mitre* bears much resemblance to those published prior to the pandemic. Tours resumed, House Swimming and House Shout went ahead with no restrictions, and once again exchange students from across the globe experienced life at Christ Church.

Thank you to all boys and staff who have contributed to this edition of *Mitre*. Particular thanks to Jay Pyefinch for his collation of the Preparatory School material, Ed Pietruca for the school photographs, Jo Hudson for her work on the School Records, and the support of Jamie Foster and Jo Wheeler and her team.

I am indebted to my Editorial team, one of the best I have ever worked with. Quick and efficient, they developed into skilled proofreaders, and effective and professional communicators with staff and students. Thank you, boys. I would also like to thank Lachie Story (2022 Editorial team member), who post ATAR exams, assisted me.

I would also like to acknowledge the self-portrait oil painting by Cameron Bills (Year 10) on the front cover, and 2022 Year 12 Visual Arts student Lucas Downs for the original painting that forms the basis of the artwork on the back of the publication.

Finally, reflecting on those three years of COVID-19, a quote from US President Theodore Roosevelt best sums up the school community's approach: "Do what you can, with what you have, where you are." Despite disappointments, such as the cancellation of House Swimming Carnivals and House Shout, the boys made the best of the restricted situation over those years, adapting to and accommodating the changes. A lesson in life.

*Mitre* 2023, therefore, is truly a celebration of our return to normalcy, a publication by boys, for boys.

SHANTH ARAVINTH, WILL BLACKWELL,  
LACHLAN LE, WESLEY PEH / TEAM MEMBERS

School memories without an account are simply lost through time.

Lovely, little moments bid their farewells and their colours fade away.

Every memory awaiting their forlorn end, unannounced. And thus, *Mitre* was born.

Christ Church culture, simply put, is aptly summarised in this holistic book, recording the year's moments that all of us have had some part in. Truly, *Mitre* is an empty shell of a turtle without the experiences of the hustle and bustle, and rich culture of our School.

The *Mitre* afternoon experience was interesting to say the least, filled with manic periods of editing photos and reports, and typing countless reminders to Captains of Houses, Activities and Sports. Finally, a huge thanks must go to Mrs Margi Woodroffe for all her time, service (and Tim Tams) in creating:

*Mitre*.

**The 2023 school year was again a remarkably successful one for the Christ Church Grammar School community. During the year, the Senior School PSA titles won included chess, cricket, water polo, badminton, cross country and surfing. The Preparatory School took out the JPSSA Swimming title once more, having done so every year since 2020.**

The School continues to provide a rich co-curricular program, one of the best in the country. The offering includes our Year 9 Rites of Passage Program, which has been incredibly successful with targeted, sequential learning experiences focused on relationships, identity and purpose. Since its introduction six years ago, more than 1200 students have participated, and evidence points to an improvement in the health and wellbeing of the students.

Although the above is about organisational success, when I connect with students, I make it very clear that as Principal, the organisational outcome is not a priority for me. When speaking with boys, particularly incoming Year 7s and the Year 12 students, all I ask is that they give their best. The rest will take care of itself. And I am happy to say this is the experience of those who attend this outstanding school.

Our specific pedagogy, the art and science of teaching, is an aligned, whole-of-school approach which includes the way teachers, parents and school leaders work together to motivate boys to be their best. The learning environment will always emphasise literacy, numeracy and core subject knowledge as these are the foundation stones for students. Additionally, we will equip students with the skills to navigate the future of work, promoting capabilities of collaboration and problem solving, making and designing, critical thinking and emotional acuity. All that is achieved within the School throughout the year is a reflection of the incredible work of the teaching and support staff. This amazing group of people come to work every day to assist every student achieve his best.

## PRINCIPAL

We are progressing our masterplan which involves maintaining our buildings and also considering new spaces – and PERFORM is one such goal for the School. PERFORM will build on our academic and sporting success and provide students with opportunities to enhance their creative skills. Throughout their time at Christ Church, the majority of students will learn a musical instrument, participate in public speaking, performance, dance and debating. With the School now enjoying the largest number of students in its history, the need for a dedicated space where creativity is celebrated and fostered has become apparent. Over the past two years we have been raising money to build PERFORM and while there is still a way to go with fundraising, we are hoping to break ground sometime in 2024.

From a governance perspective, this year we have welcomed a new Chair of School Council, Mr Chris Stavrianou. I wish to thank past Chair, Professor Paul Johnson for his guidance and unwavering support. Paul's contribution to Christ Church goes back many years. Before becoming Chair in 2020, he was a member of the School Council for six years and has always been a tireless advocate for the School. We have also commenced a review and update of the School's policies and guidelines to ensure they are compliant with new laws and regulations and are consistent and effective. We also welcome the appointment of Dr Sarah Cherian as Deputy Chair of School Council.

Christ Church is an outstanding school for many reasons including the pride and passion our community feels for the School. I wish to thank the boys, staff and parents for your ongoing support. The success of any school is dependent upon its community and we are blessed to have such an exceptional one.

# DEPUTY PRINCIPAL AND HEAD OF SENIOR SCHOOL

MARK MORRISSY

**Anticipation – excitement, waiting eagerly for something you know is going to happen.**

For the first time in three years, we faced a year free of the uncertainty created by the COVID-19 pandemic. We welcomed Mr Brad Gardner to the Pastoral team as the new Director of The Wynne Centre for Health and Wellbeing. The role of the Student Services Co-ordinator evolved through the efforts of Ms Anna Freedman who relinquished the role to become my Executive Assistant. We were then fortunate to secure the services of Ms Colleen Hayes from the Education Department sector who had worked extensively in the Student Services area.

Leadership in the pastoral domain, from both staff and students, is fundamental to determining positive outcomes for Christ Church students. In the face of disrupted years, the excitement associated with a full Beatty Cup competition was palpable.

Both the House Swimming Carnival and House Shout were eagerly awaited events back on the calendar, giving many students the opportunity to contribute and participate, which fosters House spirit and shapes character. It was terrific to return to HBF Stadium with its smell of chlorine and the sounds of chants from the Houses as the swimmers returned to the pool. The colour spectacle and large digital screen contributed to a fantastic evening of competition. Houses also worked hard to engage all members in the House Shout and the result was an extremely entertaining assembly, with staff and students alike trying to work out how the judges would vote on the songs based on the theme 'Across the Decades'. In the end Craigie prevailed, closely followed by Jupp and Queenslea. Along with the Teams and Athletics Carnivals, Chess, Public Speaking and eSports, the Beatty Cup proved to be an exciting competition with Craigie winning in a very tight finish.

The Peer Support program continued to be at the core of our induction of our new Year 7 boys. This year approximately 120 Year 10 boys undertook leadership training, resulting in the selection of 64 leaders, eight in each House. These boys played a pivotal role on Orientation Day, and throughout Transition Week.

I would like to pay tribute to the following staff, whose dedication and commitment to the pastoral care of boys has been exceptional. Mr Gareth Phillips, the guiding light and heartbeat of Wolsey House for 12 years, concluded his tenure. Gareth's passion and commitment to the students of Wolsey House is to be commended and while we will miss his attention to detail in Pastoral meetings, he is not lost to Christ Church, remaining a member of the Humanities Department.

It was also with sadness that Mr Jarrod Kayler-Thomson left Christ Church and the pastoral team. His work as the inaugural co-ordinator of the On Queenslea Drive (OOD) program was profound. Jarrod moves on to new and exciting opportunities beyond Christ Church and we wish him well in his new endeavours.

In a year in which our optimism has been tested, we can feel affirmed in all that has been achieved at Christ Church. The health and wellbeing of students and staff were at the forefront of everything we dealt with in 2023. We worked to the best of our ability to support each other and ensure the overall health and wellbeing of all.

# CAPTAIN OF SCHOOL

LUKE ANNEAR

**As we sit here today, let's just take in the nerves. It's the last time as a cohort that we'll be sitting in this Chapel, on these wooden pews. The sense of this being a special occasion is really present. Today we leave the School, leave one of the most wonderful times in our lives.**

When writing this speech, I asked my regulars, Sam Gibson and Charlie Robertson, for advice because one thing I value is their very honest feedback. So, on their advice I decided to write about what has made these last six years uniquely special.

You simply cannot go past the culture we have.

Whether it is LGBTQIA+ Week, Boarders' Week, NAIDOC Week, or even Mental Health Week, something that makes this School so special is our inclusive nature.

Our celebration in winning the big PSA cups for water polo, badminton, cross country, surfing and cricket is on par with that of Chess.

Another prime example is the Endeavour race at the House Swimming Carnival, with the Peter Moyes Centre boys in full flight. The stands showed goosebump-provoking support as every boy rose to their feet in support.

What comes with this inclusivity is a sense of belonging that we all have to the School and to each other.

On my first day as a Year 7, I remember being filled with nerves, as huge 100kg mammoths stampeded past me amidst the utter chaos. I was lucky to have my brother James in Year 12 that year, but even luckier to walk into tute for the first time and see the familiar faces of the Kalafatas twins from my days at North Cottesloe Primary School.

From that day in early 2018 to now, the feeling is quite similar – nerves, not sure of what's to come, excitement and apprehension for the future. But today there is also a bit of sadness. It's our last time together, and the end of such a unique part of our lives. But we'll have the memories forever.

For me, many of my memories will come from my involvement in sport, from celebrating the peak of Firsts' successes, to where I ended up, in the Thirds footy, the Thirds cricket and Fourths volleyball teams.

We see the best come out when we play sport. We are not always the most sportsmen-like, we aren't perhaps the most co-ordinated, but what I always observe is boys just having a crack.

This has taught me something really invaluable and that to give everything a go, to keep your head up, have fun and try your best. And I think that is not too bad of a philosophy on life from a member of the Thirds footy team.

To the teachers who drive this school, who make it so special and who have helped us over the years, I extend a heartfelt thank you.

I would like to personally thank the Music Department. They instilled in me a deep passion for music that will remain with me for the rest of my life.

To the Services and Facilities staff who keep everything running and make everything happen behind the scenes, I thank you.

To Mr Jean-Paul Papineau, Mr Jamie Foster, Mr Mark Morrissy and Mr Alan Jones, thank you for the help and guidance over the past year.

To the prefect body, thank you for all the support and your leadership over the year. Our awesome Friday morning chats were a lovely way to end the week.

To the Year 10s and 11s. Enjoy school and make the most of it. You will never again get to hang out with your friends for six hours a day. Say yes to the things that come your way. Don't just do what you always do, try rowing or Debating or something wacky. Soak up every second of being here because within a blink, you will be the ones about to leave.

Year 12s, it's been six of the best years. We may have different personalities, but we have supported each other through thick and thin. I have enjoyed every single minute of being with you. It has been an honour and a pleasure to know you, and an even more humbling experience being your Captain of School, so thank you.

# ACADEMIC RESULTS

MAHENDRA VASWANI / DEPUTY PRINCIPAL AND DIRECTOR OF STUDIES

**The Class of 2023 has cemented a year of strong performances across the sporting and artistic arenas with an outstanding finish in the academic domain. With 18 students achieving an ATAR of 99 or above, this remarkable effort has been attained in the face of unconditional early university offers. Every statistical metric from this excellent set of results indicates that Christ Church Grammar School is once again the top performing boys' school in Western Australia. These results have been achieved through the efforts of the Year 12 students, the knowledge of their dedicated teachers and the support of their parents and family members. Our non-ATAR students have also achieved huge success and we were delighted to award our Non-ATAR Excellence Award to Mason Beck.**

The top ATAR achieved by a Christ Church Grammar School student was 99.90. Congratulations to Ben Kao, our 2023 Dux of School, who also earned a General Exhibition. The Class of 2023 produced: three General Exhibitions; three Subject Exhibitions; 13 Subject Certificates of Excellence; 19 Top Performing courses; 31 subjects with mean scaled scores higher than those of the State; 32 Certificates of Distinction; 39 Certificates of Merit; and 46 per cent of the ATAR students achieving an ATAR of 90 and above.

Special mention must go to Orlando Keleman, who won a General Exhibition, a Subject Exhibition and a Subject Certificate of Excellence in Modern History; and Lachlan Story, who won a General Exhibition as well as a Subject Certificate of Excellence. Our non-ATAR students have also achieved huge success and we were delighted to award our Non-ATAR Excellence Award to Mason Beck.

In 2023, Christ Church Grammar School had 200 Year 12 students, of which 179 students completed studies in an ATAR pathway. Of these:

- 18 students (10% of ATAR candidates) obtained an ATAR greater than or equal to 99
- 31 students (17% of ATAR candidates) obtained an ATAR greater than or equal to 98
- 53 students (30% of ATAR candidates) obtained an ATAR greater than or equal to 95
- 83 students (46% of ATAR candidates) obtained an ATAR greater than or equal to 90
- 131 students (73% of ATAR candidates) obtained an ATAR greater than or equal to 80
- 195 students (98% of eligible candidates) achieved the WACE
- 26 students achieved a VET qualification

Christ Church was placed in the group of top performing schools in 19 courses (courses with fewer than 10 students are not included):

Accounting and Finance, Biology, Chemistry, Computer Science, Design, Drama, Economics, Engineering Studies, Geography, Literature, Mathematics Methods, Mathematics Specialist, Modern History, Philosophy and Ethics, Physical Education Studies, Physics, Politics and Law, Psychology and Visual Arts.

## WACE ACHIEVEMENT

98% of eligible students achieved their WACE by attaining the required average of seven C grades or unit equivalence over Years 11 and 12, along with literacy and numeracy proficiency (OLNA) and an ATAR.

## GENERAL EXHIBITIONS (3 STUDENTS)

Orlando Keleman, Ben Kao and Lachlan Story.

## SUBJECT EXHIBITIONS (3 SUBJECTS)

## SPENCER DAVIS

ROB VICKERY / HEAD OF JUPP  
AND ENGLISH TEACHER

Spencer Davis joined CCGS as a staff member in 2013 and was a force for positive change since the moment he walked through the doors. He was a highly respected teacher of English and Literature, both an Assistant Head of English and of Wolsey House, Head of English and finally the Head of the Centre for Excellence. Spencer's time at the School was underpinned by an unwavering passion for good pedagogy, an unsurpassed subject knowledge and an unwavering care for both staff and students. His legacy will be the many hundreds of young men in the wider community who deeply value language as a direct result of being in one of his challenging and rewarding classes. The English Department will miss Spencer very much and thank him for all the work he has done in pioneering important changes, the benefits of which we will feel for many years to come.

## SHARON BRYANT

MELANNIE NAZZARI  
CO-ORDINATOR OF LEARNING  
DEVELOPMENT (SENIOR SCHOOL)

Sharon Bryant joined the Learning Development Centre in 2017 as an Education Assistant. But if you ask anyone in our school community – students, parents and staff, they will be able to think of a kindness they have received from Sharon – that's our students, that's our parents, that's our staff.

Beyond her regular classroom duties, Sharon was involved in all facets of school life. She represented staff on the EBA and Staff Wellbeing Committees and was a member of the Staff Association. She taught sewing and ironing to Year 9s on OQD, attended Sony Camps and worked on numerous events run by the Wynne Centre. No slouch on the co-curricular front either, Sharon supported students during House Teams Carnivals, ENCOMM, a variety of Friday afternoon sports and even ran the cross country course in Kings Park a few years ago. On top of this, Sharon attended multiple Year 7 and 9 camps at Koorringal. In 2021, her camp experiences culminated in the pinnacle of Outdoor Education experiences, Year 10 Venture, a mere 190km trek.

Sharon's dedication, positivity and incredible work ethic will be missed in the Learning Development Centre and across the School. Her work with students with additional needs, indeed anyone who needed any kind of support, will be long remembered.

## JODY CLARKE

ELLIE HUNDLEY  
EDUCATION ASSISTANT,  
PETER MOYES CENTRE, DAUGHTER

Jody Clarke took up a position at CCGS 34 years ago. In her early years, she taught English, wrote and directed the Year 9 play *Boots 'n All*, and was involved in stage managing, costuming and acting in many Midnite Youth Theatre Company productions.

Jody then moved into teaching non-ATAR subjects, such as Work Studies. Her interest in the Work Experience program was supported by past Headmaster Garth Wynne, who encouraged her to study Career Development and to take on the role of Career Counsellor and VET Co-ordinator.

She was instrumental in involving the Alumni by introducing Legends at Lunchtime, Old Boys' Career Breakfasts, creating work experience positions and more opportunities for old boys to address boys.

Jody opened opportunities for boys to gain traineeships, apprenticeships and qualifications while still at school. Her vast knowledge of university courses and application processes for Australian and overseas institutions, was invaluable.

Jody touched the lives of countless Christ Church boys and their parents. Her advice, care and support enabled students to find a pathway and seek a goal. Jody's kindness, enthusiasm and friendly personality will be sorely missed.

### TIM CHANEY

LUKE FARMER / HEAD OF PHYSICAL EDUCATION

Tim Chaney joined the Physical Education Department in 2013 as a graduate teacher. He quickly demonstrated his capacity as an educator and leader. He taught Year 11 and 12 ATAR Physical Education Studies, and was Teacher in Charge of basketball, rugby and cross country.

Tim bravely took on the challenge of PSA Athletics in 2020. His skill set, persistence, and natural ability to lead students, saw the CCGS Athletics team rise from lowly sixth place in 2019, to third in 2023, the highest position held by the School since 1992.

A further reflection on the connection Tim had with our students was at the 2023 School Prefect leadership camp. When students were asked to choose their memorable moments at CCGS, many nominated Tim's classes, stating that in these they had been taught some of life's most important lessons.

As a Moyes tutor and Assistant Head of House for seven years, Tim excelled in the pastoral domain. His ability to quickly establish positive relationships with students came from his strong empathy, caring nature and fun-loving approach. Michael Masterton, Head of Moyes, and his team will miss his professionalism and dedication.

All those that have worked closely with Tim know that he is ready for the next step in his career. We thank him for his commitment to Christ Church and wish him and his family all the best for the future.

### JARROD KAYLER-THOMSON

JAMIE FOSTER / DIRECTOR OF PLANNING AND CO-CURRICULAR

Jarrold Kayler-Thomson joined CCGS in 2017 as a Physical Education staff member. An enthusiastic teacher, he was appointed Assistant Director of Sport before taking on the inaugural position as Head of the On Queenslea Drive (OQD) program in 2018.

Jarrold created an OQD program and a team that broke down barriers and made a significant contribution to the mental health and emotional wellbeing of our school community. His ability to connect, adapt and deliver outstanding outcomes, leaves quite a legacy. He raised the profile of mental health awareness and his ability to bring out the best in the emotional development of our young Year 9 men was exceptional.

It was wonderful to see so many CCGS old boys thriving as OQD mentors. The esteem in which Jarrold's team held him, and the care and compassion they displayed for each other, is a direct reflection of his exceptional guidance and leadership of young men.

We thank him for his unwavering contribution to the CCGS community and wish him and his family every success, good health, and happiness as he embarks on the next phase of his life with 'Growth Hunting' – fortune favours the brave!

### LUKE MILTON AND GLYNIS O'NEILL

LIA DE SOUSA / HEAD OF SENIOR LIBRARY

In Term 4, we bade a fond farewell to two longstanding members of our library staff, Luke Milton and Glynis O'Neill.

Glynis commenced her journey with CCGS back in 2005 in a part-time role, transitioning to a full-time staff position by the end of that year. In 2009, after further training, Glynis took on the role of Library Technician, overseeing the library's cataloguing until her departure in 2023. This gave her a unique perspective on our library's collection, which she enthusiastically shared with others. In her pursuit of continuous growth, Glynis began working one day a week in the Preparatory Library, starting in 2019. As anyone who frequented the library would attest, Glynis had a genuine passion for assisting others, whether it was students navigating the catalogue or rushing to a classroom to help a teacher access ClickView.

Luke joined the CCGS library team as a Library Officer in 2009. It soon became evident that Luke possessed a wide array of additional skills that would greatly benefit the School. In addition to his regular library duties, he conducted annual visual literacy tutorials for Year 12 English classes, designed Minecraft worlds for Year 11 Accounting classes, assisted Japanese students in creating original books, mentored students in digital design, and much more. Luke was also instrumental in establishing our rich comic and manga collections.

The impact of Glynis and Luke on CCGS Libraries will be felt for many years to come, and we extend our best wishes to them as they embark on their next adventures.

# CADETS: ARMY

CUO JONATHON HAMDORF / ADJUTANT

**The Christ Church Grammar School Army Cadet Unit (CCGSCU) had yet another successful training year that began with the completion of the prerequisite January promotional courses, and the appointments of senior positions for the year. Cadet Under Officers (CUO) George Playford, Jamie Kafetzis and Samuel Ou were appointed to each of the three platoons respectively. Company Headquarters saw the appointment of Company Sergeant Major, CDTWO2 Tim Bellamy and Adjutant, CUO Jonny Hamdorf.**

The CCGSCU was deployed on the Recruit Induction weekend after just three weeks of training in Term 1, in which cadets established core skills at the Northam Army Camp alongside the Guildford Grammar School and St Hilda's Anglican School for Girls Cadet Units. The unit continued its support for the Rats of Tobruk Association with a ceremonial detachment for the 82nd anniversary commemorative service on 19 March, the first post COVID-19.

The remainder of Term 1 saw the unit preparing for our Term 2 Field Training Exercise (FTX) learning radio telephone procedure, observation and reconnaissance, navigation and first aid. During the Term 1 holidays, four of our cadets participated in the national Adventure Training Award; the most physically challenging activity a cadet can complete over their career. This year, CDTWO2 Tim Bellamy, CDTSGTs Ben Colvin and Jack Collis, and CDT CPL Beau Day travelled to Lake Barrington in Tasmania, where they completed a mass casualty scenario, mountain biking, abseiling, canyoning, and a hike up Mount Rolland, experiencing harsh winds and sub-zero temperatures. All cadets completed the testing and were awarded the coveted Adventure Training Award Badge.

In June, we once again joined Guildford and St Hilda's out in the field for our Term 2 FTX. The camp gave our cadets the opportunity to put into practice their new skills with realistic casualty scenarios, practical reconnaissance activities and their first navigation exercise. The camp concluded with a friendly inter-school paintball competition.

Over the Term 2 holidays, five of our Year 11s completed their Sergeants and Advanced Instructors course.

Held over eight demanding days at Irwin Barracks and at CCGS, the course qualified them for the rank of Cadet Sergeant (CDTSGT). Following this, eight of our Year 10 cadets went on to complete their Corporals and Instructors course, qualifying them for the rank of Cadet Corporal (CDTCPL). The march-out parade for this course also saw CUO Jonny Hamdorf join the WA Australian Army Cadet Brigade HQ as the Cadet Adjutant.

Our final camp was held in August, again merging with Guildford and St Hilda's in the field for an extended tactical exercise at Guildford's outdoor education facility, Stronghills. We were tasked with locating and gathering intelligence on a fictional opposing force: the Avon Valley Liberation Front. The CCGSCU performed admirably, employing a mixture of patrolling, vehicle checkpoints and observation posts for operational effect.

In the first week of the September holidays, the unit attended the WA Annual Field Exercise. Members of the unit were split up across a number of different courses, learning everything from survival to operating as a patrol medic, and field engineering to advanced navigation. Students participated in large-scale tactical activities spanning multiple days and after a long week of shooting on Bindoon's 25m range, abseiling off the 30m tower and clearing out the 'gophers' truck,' the boys were keen to get home.

Our year culminated in the Principal's Parade, which gave the cadets an excellent opportunity to demonstrate all the skills they had learnt this year. Despite scorching heat, the unit maintained an excellent standard of drill, dress and bearing – a fitting conclusion to the training year and compelling send-off for the Year 12s.

I would like to pass on our thanks from the entire senior leadership group to MAJ (AAC) Conrad Scott, MAJ Duane Nurse, WO1 Mick O'Sullivan, LT (AAC) Digby Gibson and LT (AAC) Alec Barbour, for their experience, guidance and leadership. Their tireless efforts kept the unit running throughout the year. And to all the Christ Church Army Cadets this year: a leader without a team is just a person. The effort and dedication of the unit was critical to its success this year and I wish the best of luck to those that take up leadership positions within the unit in 2024.

# CADETS: ENCOMM

**Environment and Community Cadets (ENCOMM) is one of three cadet programs in which all Year 10 boys are required to participate. These activities, which include volunteering at aged-care facilities, wetland restoration and food rescue, encourage students to further their interests and connect to the community.**

## PORTCARE COOKING GROUP

**JOSHUA KEDDY AND  
ARJUN RODRIGUES / YEAR 10**

Every Friday afternoon, our group prepared and cooked meals in MLC's kitchens for the homeless at PortCare in Fremantle. The meals varied from chicken schnitzel and butter chicken, to Christmas cakes and muesli bars. We helped those struggling on the streets by providing them with a tasty and nutritious meal, as well as packed school lunches for disadvantaged children. We learnt new cooking skills, including how to prepare a variety of dishes, and made more than 2000 meals over the course of Terms 3 and 4. I would like to thank Ms Emmie del Borello and Mrs Melanie Hastie for their hard work in organising the meals for this worthwhile program.

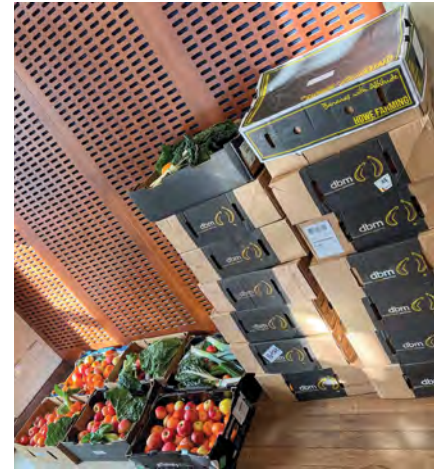

## LAKE CLAREMONT

**HAMISH HOLLAND-CLEMENTS  
/ YEAR 10**

With the ENCOMM cadets rotating activities each term, eventually we found ourselves within the calming scenery of Lake Claremont, with a warm welcome from the reintroduced quendas, pedestrians, cyclists and dogs. In the first session, the boys were introduced to the historic lake through a tour led by Friends of Lake Claremont (FOLC) Co-ordinator Nicholas Cook. He educated us about the rehabilitation efforts of the FOLC volunteers as well as the significance of the work done by the boys. This work included planting, weeding, mulching and watering, which provided a great chance to talk with your mates if you were able to find the time. After being an ENCOMM cadet at Lake Claremont, I found it to be both a satisfying and educational experience, learning the intricacies of protecting and rehabilitating the lake's ecosystem. Giving back to your community and helping the environment was a fun and fulfilling way to spend your Friday afternoons, not to mention you could even meet the legendary Charlie. I would like to thank the teachers for making this possible.

# CADETS: SURF LIFE SAVING

JASPER HATTON AND HUDSON WHITING / YEAR 11 CADET LEADERS

Once again, Christ Church fielded an enthusiastic, strong group of Year 10 surf lifesaving cadets. From the start, all 57 were eager to build critical first responder skills with the capable support of 22 Year 11 and 12 leaders.

In Term 1, the group headed to the North Cottesloe Surf Life Saving Club (NCSLSC) each Friday to learn aquatic rescue techniques, including board and tube assisted rescues. As the water temperature dropped, the program shifted into learning first aid techniques including DRSABCD, principles of first aid, as well as beach specific procedures including marine envenomation and spinal injury management. Alongside the NCSLSC trainers, Tom Offer (Year 12), Angus Park (Year 12) and Hudson Whiting (Year 11) used their Instructor's certification to assist with the teaching component. Most surf cadets were then assessed over a gruelling weekend in September. Thanks to another mammoth effort led by Ms Alli Gould, as well as NCSLSC volunteers, assessors, parent helpers and the leaders on water safety, the assessment ran smoothly.

Not only did we achieve success on the beach, but we also had an array of other achievements. In December 2022, Jasper Hatton (Year 11) represented NCSLSC at the annual Rise-Up Youth Development Camp for Surf Life Saving Western Australia. Rory Hart (Year 11) has since been selected as the 2023 nominee.

In January, Year 11s Owen Jeffcote, Rory Hart, Jeremiah Wang, Hudson Whiting and Mathew Wong participated in the RSL Cadet of the Year competition, in which Hudson Whiting won the state prize of \$500 in the Community Division.

Year 11s Angus Cameron, Rory Hart, Jasper Hatton, Owen Jeffcote, James Renouf, Ben Rippey, Jeremiah Wang and Mathew Wong earned the Advanced Resuscitation Techniques Certificate, showcasing their commitment to surf lifesaving and contributing as active patrolling members. The students also enjoyed a presentation from old boy Rory Johnston who now works as a professional surf guide in Indonesia; a job gained and retained as a direct result of his CCGS surf cadet training.

We congratulate Tom Offer and Hudson Whiting who shared the prestigious and rebranded CCGS Boys Family Surf Lifesaving Cadet of the Year award. Old boy Cameron Boys (2001), a fourth generation CCGS student, made the presentation at Chapel on behalf of his family. His great grandfather Harold Boys was the first Captain of School in 1917. We certainly appreciated having Alan (Harold's grandson) and his son Louis join the cadets at our final celebration day at NCSLSC. The cadets swam with the NC Pod Squad, rode on jet skis, inflatable rescue boats and a double surf ski, and competed with gusto in a full beach flags championship. The eventual winner was a diving Sam Hicks (Year 10), narrowly edging out the powerful Hamish Metcalf (Year 10).

The surf cadet unit ran smoothly as always thanks to Ms Gould and is testament to the way she encourages the boys, as well as her undying love for the program. The club is full of excitement and joy every Friday afternoon through the hard work of many. Mrs Bronwyn Fricke, Mrs Tammy Sewell and Mr Tom Shalders were amazing at supporting and fostering enthusiasm, care and integrity, values which underpin the program.

There can be no doubt of the value of the surf cadet program at Christ Church. Each year, graduates leave with a renewed appreciation for the water and marine environment, as well as closer ties to their community. But most importantly they carry forward skills into the community that if called upon, may one day save a life.

We extend our congratulations to the newly appointed leadership team for 2024 and know they will continue the impressive standard set by this year's mentors: Max Allen, Charlie Bydder, Joshua Clements, Alistair Davison, Nicholas Dreyer, Emile Gelencser, Tommy Greenshields, William Lewis, Oscar May, Timothy McMahon, Alfie Mill, Lachlan Phillips and Ivan Zorotovic.

# CHESS

## PSA CHAMPIONS

JEREMIAH WANG / CAPTAIN OF CHESS

**After an afternoon of tailing Hale in the Four Schools Tournament, and only narrowly winning the final fixture by two points, we were, for the first time in years, worried about the upcoming PSA competition.**

In House Arts, Ben Kao (Year 12) led the mighty Juppians to victory. Term 2 saw the annual Junior and Senior tournaments boasting record turnout numbers. Thom Yates (Year 9) triumphed over tight competition from his twin Jamie and fellow Year 9 Kieran Tan for the 2023 Junior title. The Senior Tournament had its surprises, with Carlos Jin (Year 9) upsetting many of the top players. But ultimately James Renouf (Year 11) managed to come out on top over the Queenslea pair of Andy Wu (Year 11) and James Gregory (Year 11).

In the latter half of Term 2, the annual Four Schools Competition had us fighting an uphill battle, but the team featuring Year 11s Aaron Goh, James Gregory, William Johansson-Jones, Max Pearse, Jack Poulson, James Renouf, Jeremiah Wang and Andy Wu, with the addition of Year 8 Oscar Gao, pulled through to defend our title.

This year's PSA team consisted of Oscar Gao, James Gregory, Max Pearse, James Renouf, Jeremiah Wang and Andy Wu. With a solid performance from the boys, we narrowly won our fixtures against Hale and Scotch three games to two, a testament to the relentless dedication exhibited throughout training sessions and countless games of chess. Notably, Oscar Gao's impeccable performance at Board 1 was an anchor to yet another successful PSA season.

CCGS now proudly holds 14 PSA titles, and I would like to thank Mr Jack Damon for co-ordinating Chess, old boy Josh Fry for his coaching, and the extensive chess community that brings such a strong culture and enthusiasm to House Arts and all chess events.

# DEBATING

GOURAB SHARMA / CAPTAIN OF DEBATING

**In 2023, we celebrated a resurgence in the world of debating, particularly among our younger students, following the challenges of the post-COVID era. Witnessing an increased number of teams registering for debates was not only a promising sign for the future, but also a testament to the unwavering passion and dedication of our debaters.**

Additionally, this season’s debating teams demonstrated their exceptional skills and determination, achieving victories in the fiercely competitive Western Australian Debating League (WADL). This year marked our return to traditional in-person debating, bidding farewell to the era of Zoom debates. In the senior division, one of our senior teams consisting of Year 11s Aaron Goh, Edward Hadi, Alex Molyneux, Wesley Peh, Ben Rippey and Jeremiah Wang, secured a spot in the finals.

Moreover, our students actively participated in the Association of Heads of Independent Schools of Australia (AHISA) competition, renowned for its approachable topics. It was truly inspiring to witness our boys engage, either by refining their debating skills or simply exploring the art of debate.

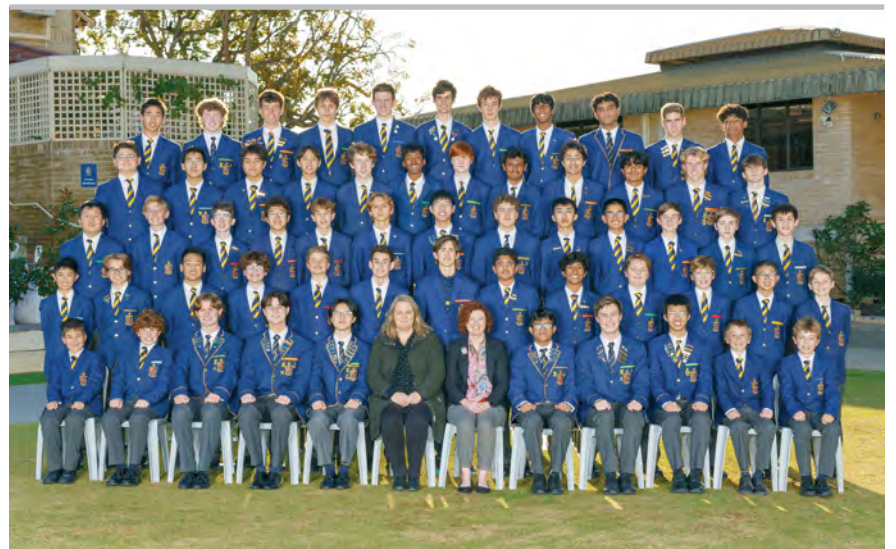

CCGS also played a significant role in the statewide UN Youth Australia Evatt Trophy Competition. This immersive simulation of the United Nations Security Council required delegates to use both their debating and negotiation skills to succeed. CCGS excelled this year with two teams progressing to the semi-finals.

These resounding successes speak volumes about the effort, teamwork, and dedication of all our debaters. The commitment of our young debaters, who stayed late for student-run training sessions, and the support

of esteemed old boys such as Adi Barua, Ed Stoddart and Sam Hasluck, reinvigorated our Debating community and enriched our endeavours. Let us not forget the remarkable Hawk Hughes (Year 12), who through sheer determination, earned the honour of being not just a state squad member, but a state team debater.

We also extend our gratitude to our Debating co-ordinators, Mrs Bec Sheridan and Mrs Sarah Downes, whose behind-the-scenes organisation and dedication ensured the smooth operation of debates at CCGS and beyond. Future debaters are indeed fortunate to have such passionate and committed teachers.

# ENIGMA

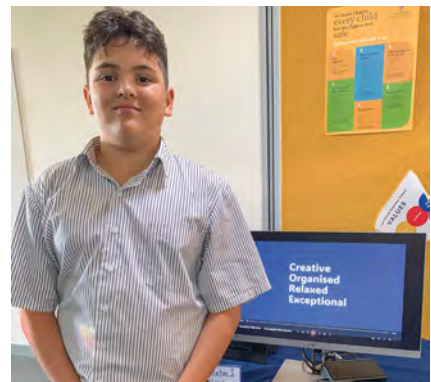

VIVEK VARGHESE / YEAR 8

**Enigma is an after-school enrichment activity, which encourages boys from Years 7 to 9 to explore their interests and learn about topics not necessarily covered by the curriculum. The boys rotate through two modules of their choice, which culminates in them showcasing their spectacular projects at the presentation evening in Term 4.**

In Terms 1 and 2, the boys were split up into groups based on their interests. Guided by the Enigma co-ordinators, they explored topics ranging from the morality of children's books to an exploration of artificial intelligence, and even to survival tips for a zombie apocalypse. After rounds of the modules, the boys were asked to create a project that either had utility to the School, was inspired by one of the modules they had covered, or was connected to Columbia University's Global Mindset Framework.

The boys created many amazing projects for the November presentation evening, like Overpowered Chess, Learning Apps, a pandemic simulation, a successful new restaurant, and a language-learning based board game.

Thank you to Mr Spencer Davis for his leadership of the program, and to Mr Daniel La Galia and Mrs Deanne O'Callaghan for mentoring and guiding the boys.

# INFORMATICS

ANDY WU / CAPTAIN OF INFORMATICS

**Informatics (competitive programming) has historically seen great success at CCGS, and the results in 2023 were no exception.**

The year saw a strong start with excellent results in the Canadian Computing Competition, with four students, Gabriel Haselhurst (Year 11), Aidan Lim (Year 10), Tom Pickering (Year 12) and Andy Wu (Year 11) achieving a perfect score. This result was consolidated with exceptional results in the Oxford University Computing Challenge, with 11 students achieving a Distinction, including Darius Choo (Year 8) and Nick Hoedemaker (Year 10), who both achieved a perfect score.

A strong performance from Nick Hoedemaker, Aidan Lim and Oscar Narvaez (Year 10) saw their team take first place in the Lockheed Martin Code Quest, taking out other teams from all over Australia, New Zealand and Singapore in an extremely competitive field.

Justin Goh (Year 9), Carlos Jin (Year 9) and Andy Wu were invited to attend the Informatics Team Selection School in April. Andy Wu was then selected as the reserve for the Australian team for the International Olympiad in Informatics (IOI).

Christ Church teams saw great success in the annual ProgComp, a team competition organised by the University of NSW, with three teams achieving a Distinction or higher. Our team, consisting of Gabriel Haselhurst, James Renouf (Year 11) and Andy Wu placed third overall, qualifying for the grand final held in Sydney. After an extremely competitive final, we placed third again, bringing back a prize of \$1200.

The Australian Informatics Olympiad, held in August, is the most significant Australian Informatics competition of the year, as it forms the first step in selection for the IOI. CCGS continued its excellent results from last year,

with Justin Goh, Carlos Jin, Aidan Lim and Kenny Hao (Year 10) all placing within the top 10 per cent of their age groups, achieving a gold award.

Andy Wu also achieved an honorary Green Blazer as recognition of his selection in the Australian Informatics Olympiad team.

I would like to thank Mr Jan Honnens for his efforts in tirelessly co-ordinating the Informatics program, and for giving up his lunchtimes to run the Informatics Club. With promising students in the younger years, Informatics at CCGS will continue to flourish in the years to come.

# MOCK TRIALS

JONATHAN ROOST / CAPTAIN OF MOCK TRIALS

**Participating in the WA Law Society’s Mock Trial Competition is no ordinary feat. It requires a combination of legal acumen, critical thinking, and persuasive communication skills, as well as teamwork. The CCGS Mock Trials season eagerly sought to build upon the successes achieved by our 2022 teams. A robust influx of new talent into the program enabled us to field three strong teams.**

Round 1 concerned a vandal who (allegedly) intentionally damaged a purple raven mural, by spray painting a large white phallic symbol over it. Miss Alex Molotov, a jealous 20-year-old artist, was the accused. Led by Vice-Captain Sam Singleton (Year 12), Team ‘Judge, Judy and Executioner’ was able to win its first case. Team ‘Kappa Sigma Alpha’ was also able to come away with a win, beating a historically dominant St Mary’s team.

Round 2 was centred on the game of quidditch and whether the accused, Lucas Sinclair, caused bodily harm to victim, Mike Wheeler, during the quidditch game in a UWA social league. Each team faced tough cross-examinations, rigorous questioning by opposing barristers, and the watchful eyes of the discerning judges. During a short adjournment, teams are provided with the opportunity to refine their closing arguments, pool the evidence together to strengthen their case, and close strongly. This round was another strong one for Christ Church as Team ‘The Usual Suspects’ and Team Kappa Sigma Alpha were both victorious.

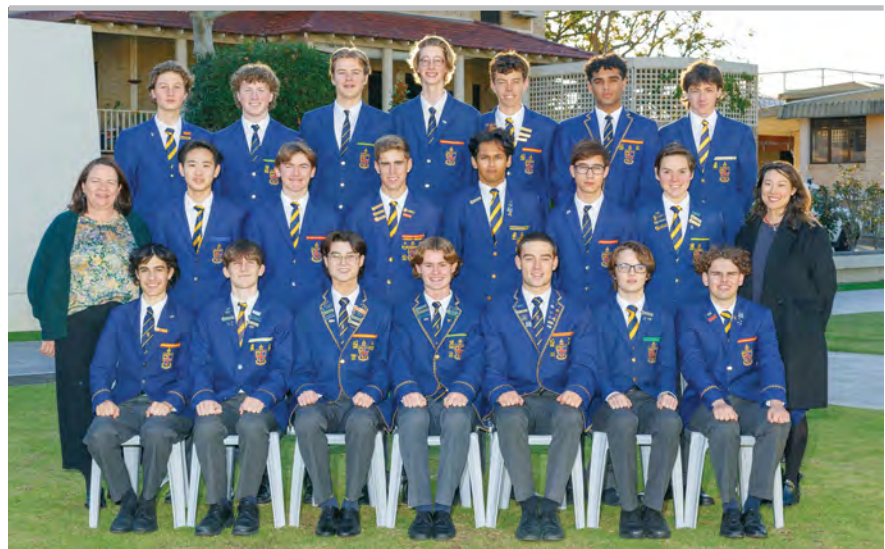

The final round was a civil case in which Jacob Black accused the defendant, Edward Cullen, of nuisance. Mr Black, a dog breeder and the neighbour of Mr Cullen, claimed that one of his dogs had a miscarriage because of strobe lights, smoke machines and loud music emanating from Mr Cullen’s backyard during parties, alleging deliberate interference.

To add to the complexity of the case, Mr Cullen asserted a counterclaim regarding nuisance because of the dog breeding next door. Congratulations to Team Kappa Sigma Alpha who remained undefeated throughout the season. Despite this, due to the large number of teams, only the top 16 progressed to the finals. This ended the CCGS Mock Trials season, however, the Year 12s and Committee are leaving the cohort in very capable hands with talented Year 11 advocates coming through the ranks.

Thank you to Ms Vanessa Badaraco and Mrs Tammy Sewell for their invaluable efforts in co-ordinating meetings and organising fixtures. Special appreciation goes to old boys Bertie Smallbone and Patrick Mackenzie for volunteering their time to coach the teams.

## MOCK TRIALS TEAM

**BACK ROW:** Owen Jeffcote, Carlin Flynn, Ben Howe, Max Goddard, Will Blackwell, Aman Shetty, Oscar Moltoni

**MIDDLE ROW:** Mrs Tammy Sewell (Teacher in Charge), Matthew Wang, Dylan Johnson, Jack Poulson, Thuhid MD, Adam Shannon, David Esterhuysen, Ms Vanessa Badaraco (Teacher in Charge)

**FRONT ROW:** Rex Hogan, Ben Rippey, Hawk Hughes, Jonathan Roost (Captain), Sam Singleton (Vice-Captain), Jack McGuire, Cameron Wood

# OUTDOOR EDUCATION

## THEODORE RUSSELL / YEAR 7

My favourite part of high school this year was the Koorinal camp that I went to in Term 1. The best part was the abseiling and rock climbing. This is because I love rock climbing and I have always wanted to try abseiling. Although abseiling was very different to what I expected, it was still really, really fun! I also enjoyed canoeing, even though there were no rapids like I had hoped. It was really fun and satisfying sleeping after a long, tiring, exciting day. Koorinal is like an adventure park for school students! I think CCGS would be a very different place without Koorinal and its amazing staff!

# OUTDOOR EDUCATION

## ALEX DE VRIES / YEAR 8

My experience of camp was one full of challenges, for example, all the walking. That was the bulk, and the most demanding. We spent two full days walking along Margaret River's Cape to Cape Track, which was a vast change from the afternoon-long activities that we had completed beforehand, and yet, I did not find the walking to be gruelling. Tough, yes, but we always found ways of passing the time and distracting ourselves from the pain caused by our heavy backpacks.

The interim between the hikes was filled with games of camouflage, exploring caves and abseiling, which was a first for me. Sometimes the quiet afternoons at our camp were interrupted by harsh winds and the occasional quarrel between the boys over who wasn't the worst cook.

All in all, the Year 8 Camp was one I will not forget, and an experience that always pushed my limits, but did not break them.

## ADEN FRIAS DE NORONHA / YEAR 9

On a sunny day amidst the bone-numbing cold of July, a school bus packed with eager students from Christ Church Grammar School were on their way to what would end up as a great adventure, but moreover, as an experience that would change their lives forever, bonding them as closely as an iron fist.

Among the variety of activities that took place at Koorngal, some undoubtedly excellent ones were the rogaining and rafting. In layman's terms, rogaining is where students are thrown, not literally, gladly, into the bush with a compass and map, and told to find numerous markers scattered across Koorngal. My observation is that students behave differently when away from school – it can be challenging or even empowering to be given a degree of independence. Koorngal was a fantastic camp.

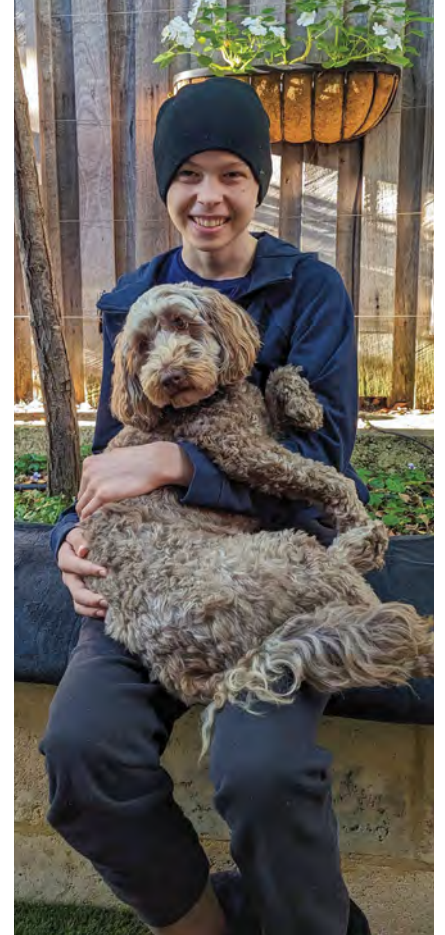

# PHILANTHROPY

BAILEY ALCOCK / PHILANTHROPY PREFECT

**Philanthropy is a growing area within the Christ Church community. Alongside the scholarships and fundraisers that take place throughout the year, recurring activities were further developed.**

Scholarships such as the Old Boys' Association Scholarship, the Aboriginal and Torres Strait Islander Scholarship, the Bursary and Scholarship Fund and the Students' Scholarship are key factors in diversifying the School's community and allow the School to be accessible to all boys, regardless of their situation.

Locally, we participated in food drives for Mana Pono Holomua, a charitable organisation which supports the homeless, ran distances for the Preparatory School's Lapathon and painted murals for our annual NAIDOC Week celebrations.

Boys in Year 11 supported the Anglican community with their overnight stay at Optus Stadium where they lived as if they were homeless for a night. This will remain a core memory for those who participated.

A series of donor events took place, such as the Thank You Sundowners and the Mitre Society NAIDOC Week lunch in July. These allowed boys to connect with those who are supporting and funding their school life.

This year the Preparatory School led the charge, raising an outstanding \$23 323 in its Camp Quality Lapathon event, with the Senior School following suit with a Leukaemia Foundation World's Greatest Shave, which raised over \$6000. Another charity event took place during National Boarding Week to raise money for the Royal Flying Doctors. It included a mechanical bull on which the boys were set a difficult challenge to test their rodeo skills and in which \$400 was raised.

Three sausage sizzles took place during the year, the first for UNICEF to support earthquake victims in Syria and Türkiye. A new sausage sizzle record of \$2000 was achieved. In August, we organised a sausage sizzle in honour of Fergus Egerton-Warburton, a Year 11 Noake boy who fought cancer this year, with \$1500 raised to support brain cancer research and treatment for children across Australia. Thank you to all the boys and parents who got behind the cause. The Cambodian Children's Fund sausage sizzle took place in Term 4 to wrap up the philanthropic events for the year.

Thank you to all who participated in these events. 2023 proved to be yet another generous and successful year for all those involved.

# SERVICE IN ACTION

CAMBODIA

SHANTH ARAVINTH / YEAR 11

The heart of our teaching experience in Phnom Penh revolved around collaboration between St Mary's and Christ Church students. Paired in classrooms with designated teachers, we enthusiastically embarked on a mission to support the Cambodian Children's Fund (CCF) learning program. Our weekdays were filled with educational assistance in the hope of fostering creative outlets for the children.

We found joy in singing common English nursery rhymes, using music and hand gestures as a universal language to bridge cultural gaps. Additionally, we facilitated hands-on experiences, such as crafting kites with the children's names, providing a tangible reminder of our shared endeavours as well as creating a fun way for the children to learn to read and write.

The CCF learning program, structured with three periods in the morning and three in the evening, offered a unique schedule. The extended break in the middle of the day became an opportunity for us to connect with the children in the community. Many would be climbing on us and begging for a piggy-back ride. Towards the final few lunch breaks, we either enjoyed some cool air-con in the library or used the rooftop basketball court. Whether through organised play or spontaneous activities, these moments strengthened the bonds forged during our stay that we will forever cherish.

Nights were dedicated to cultural immersion as we delved into learning two Khmer traditional dances. The commitment to mastering these dances demonstrated our appreciation for the local culture and the significance of preserving traditional art forms. The service trip ended with a performance for a large audience filled with teachers and students, as well as CCF founder Scott Neeson, on the eve of our departure.

This shared experience served as a poignant farewell, symbolising the cultural exchange that defined our time in Cambodia. These 12 days, filled with seemingly endless activities, were captured in our nightly group journal sessions.

Weekends saw our teachers and peers visit Toul Sleng and the Killing Fields, which widened our thinking of Khmer culture and left us all with immense gratitude for what we have. Furthermore, we travelled by bikes around the Mekong River, went on a boat ride around the capital, and even visited the Central and Russian markets, where much bargaining and bartering took place.

We wholeheartedly recommend this experience to anyone who is able to apply. The opportunity to contribute to the education and wellbeing of less fortunate children, combined with the rich cultural exchange, is truly unparalleled.

**MARBLE BAR**

**WILL BLACKWELL / PARTICIPANT**

Before our group of four headed away on our trip to Marble Bar, we had a quick rundown from the group that went there in Term 2. We heard that firstly, it was the best trip that they had ever been on with the School and secondly, like always, that it was an eye-opening experience. But above all else, we had heard that it was hot – really, really hot.

And they were right. As soon as we got off that plane, out onto that dusty tarmac, we felt the kind of heat that makes you want to run inside and lie down in your freezer. We knew that this trip was going to be unforgettable.

Thankfully, the school, where we spent all day, every day, was equipped with heavy duty air conditioning that could handle the 38-degree days. This meant that working in the classroom, doing word searches, reading and playing games with all the children was an absolute privilege. We quickly realised that the best part of the day was when it cooled off and we could go outside and play some basketball or footy with the children. And so all of us, but especially the children, would look forward to school ending and getting down to the rec shed to play whichever game was popular that day; maybe it was basketball or cops and robbers.

All in all, we cannot thank Mr Tait and the School enough, for making it such a memorable trip.

**NULLAGINE**

**BEDE WETHERELL / PARTICIPANT**

In the last week of Term 3, four Christ Church boys and four St Mary's girls went on a trip to the remote town of Nullagine. We flew from Perth to Newman, where we briefly stopped to pick up supplies before heading two hours north on a very bumpy corrugated road.

The Nullagine school had three classrooms, assigned to preparatory, middle, and upper schooling. Their school was very different from ours as it had only two students attending upper school, while the younger year groups had a few more.

Each day we would spend some time in the classrooms, assisting the amazing teachers, and when we weren't, we immersed ourselves in the children's culture by painting, hunting for witchetty grubs and swimming. But of course, the students' favourite thing to do was to play sports. Basketball, footy, red light green light, and hide and seek were their top picks. A highlight of the trip was when one of the younger boys, Otto, laid the most illegal tackle anyone had ever seen on Arjun Uresh Kumar.

The most memorable part of the whole experience, however, was seeing how happy and proud the children were no matter their situation or surroundings. This really left a mark on all of us.

# SKI TRIP

ANDRE RISTOVSKY / YEAR 10

**In the July holidays, 24 boys along with four teachers, embarked on a ski trip to New Zealand's South Island. Upon arrival in Queenstown, we were greeted by the wonderful serenity of snow-capped mountains and an exquisite crystal-blue lake.**

After some rest, we entered our first skiing session with a great deal of self-confidence and feeling well prepared. After the third or fourth fall of the morning, I felt a little less confident. I wasn't alone though; plenty of stacks but luckily no broken bones. After three hard days of snowboarding, it was time for a well-earned break. We all headed into Wanaka to have some fun at Puzzling World. It started with a maze, with more twists and turns than Will Jones (Year 12) on the slopes.

We would like to express our sincere gratitude to Mr Mike Ristovsky, Mr Brad Downing, Mr Mark Tait, and Mr Alex Coulter for taking care of us and for handling all the behind-the-scenes work; without them, this trip would not have been possible.

# SONY CAMP

ALEX MOLYNEUX / YEAR 11

**After school finished and most students had well and truly gone off on their holidays, a group of Year 11 and 12 students from CCGS and MLC returned to help with the annual Sony Camp. This year's camp was highly anticipated, as the first to return to a fully residential program since COVID-19.**

Over the course of the weekend, each Year 12 student was a personal companion, 24 hours a day, to a camper with special needs, while Year 11 students worked in the background setting up and packing away all activities. The dedication and efforts of all meant that many of the campers tried new activities they would not normally do, including surfing at Scarborough Beach. Other highlights of the camp included two visits to the pool, a silent disco and a visit from a fire truck. All campers took the opportunity to climb into the cab and operate the hose, making more than a few of the Year 11 assistants incredibly jealous. Sony Camp concluded with a Christmas lunch for the campers and their families, including a visit from Santa, which was enjoyed by all.

The camp could not have run without the tireless work of staff, led by Mr Neil Saggars (CCGS) and Ms Roberston (MLC), as well as the support of a team of nurses led by Mrs Joanna Simpson. On behalf of the campers, companions and assistants, I would like to thank all the staff who volunteered their time to make Sony Camp a reality.

# STUDENT ENVIRONMENTAL COMMITTEE

CHARLIE BILLINGHAM / ENVIRONMENTAL PREFECT

**This year, the Student Environmental Committee (SEC) set out to achieve its goal of reducing the School's environmental impact and educating students to contribute to a better environment.**

Throughout the year the SEC worked towards obtaining a WasteSorted Schools program accreditation for Christ Church, enabling the School to access funding for future waste reduction initiatives. This involved completing an online training program and providing documentation about what initiatives our School had already undertaken. Later in the year, the committee organised a waste audit of the bins around the School to determine how well they were being used. We did this by working with members of Food Rescue as well as an external examiner who provided us with useful information that can be used in future years.

With the help of ENCOMM boys, the SEC also cleaned up the Prep School's garden to enable other groups to use them for more productive purposes. In collaboration with the Wellbeing Committee, the SEC also helped to organise the annual Ride2School week, which focused on both limiting emissions and improving boys' wellbeing.

After choosing to remove the Containers for Change bin at the end of last year due to it being poorly used, the SEC decided to re-educate the School about its purpose and locate several bins around the School. Towards the end of the year, the committee also provided students with the printing statistics of each House, with the aim of reducing paper waste for the remainder of this year and beyond.

# VENTURE

OLIVER WHEELER / YEAR 10

Venture, an experience of a lifetime, and a journey that I will never forget. From beautiful bushland, to scorching beaches and sand dunes, I formed many great memories both exciting and challenging. We hiked up to 30km a day, had funny conversations around the campfire, built a memorial for one of our fallen soldiers who went home sick on day three, and enjoyed the fresh breeze at southern beaches. On top of these, I established many new friendships and strengthened old ones, which made this experience a whole lot better. Even though it was tough, Venture was a blast.

# HOUSES

# BEATTY CUP HOUSE COMPETITION

NEIL SAGGERS / DIRECTOR OF ACTIVITIES

**Finally, after three years of an interrupted program, we had the full complement of six activities back for 2023.**

It turned out to be a huge year for Craigie House, who won four of the six events with 41.5 points – the largest total in the past 25 years. Jupp House, who came second with 36.5 points, would have won the cup in any other year!

Romsey continued to dominate in the swimming pool, with a comfortable victory by 100 points from Wolsey in the House Swimming Competition at HBF Stadium in Term 1. This event is always a great spectacle of House involvement, with close to 80 per cent of all boys swimming in at least one event on the night. Records were also set by our elite swimmers, with Sam Hicks (Year 10) from Hill House breaking the Under 16 Backstroke record by almost one second.

Early in Term 2, Craigie won the House Cross Country event at Kings Park, with first place in the Year 7 and 8 events, and second in Year 9. Jupp were a close second after winning the Year 9 and combined Year 10 to 12 events, just one point behind Craigie in total points scored.

The House Teams Carnival in Term 2 is always a highlight. Almost all boys are involved in their chosen sport, with seven games played against all other Houses over two-and-a-half hours. It was wonderful to see four of the eight Houses win different sports, with Craigie and Hill sharing the cup for the event. Wolsey won the football and frisbee to also have a good afternoon and finish third.

At the end of Term 2 we wrapped up the House Arts Competition after three rounds, semi-finals and grand finals. Jupp was victorious in Chess and Queenslea won the very competitive eSports. Craigie was dominant in Public Speaking, winning both the junior and senior events as well as the Arts Cup for 2023.

The House Shout was back for 2023, with Marvin Gaye and Tammi Terrell's *Ain't No Mountain High Enough* performed superbly by Craigie, once again edging out Jupp with its rendition of Taylor Swift's *Love Story*. This event was really enjoyed by the whole of the Senior School, with approximately 90 per cent of the boys participating in the long but engaging assembly.

As always, the all-day House Athletics Carnival is the culmination of the Beatty Cup. Jupp was powerful across all track and field areas and dominated, leading all day, winning by over 100 points. Not surprisingly, Craigie was second.

This was a brilliant year of participation and high-quality performance from many boys across the eight Houses. Seven Houses now have the challenge to hunt the hunted in 2024!

**Congratulations to Craigie, the 2023 Champion House.**

# CRAIGIE CHAMPION HOUSE

LUKE O'CALLAGHAN / CAPTAIN OF CRAIGIE

**After winning the Beatty Cup in 2022, and an energetic new Year 7 cohort rolling through, it was evident that Craigie's goal was to be back-to-back Beatty Cup winners.**

The first event of the year was the House Swimming Carnival, historically not Craigie's strong suit. However, the young men of Craigie showed outstanding attitude towards the event, marked by some exceptional individual performances and some quality, high-pitched screams of support from our youngest cobras. Craigie finished sixth, which was a relatively good outcome, for we had a strong belief that we could come back from this position in the remaining events.

Craigie then showed dominance, winning House Cross Country, House Arts, House Teams, House Shout, the Ray House Run, and finishing second in the House Athletics Carnival. This was a result of solid participation and determination from our experienced competitors and the 'give it a crack' mentality evident from all who donned the mighty gold. These successful performances meant that Craigie won the cup once again, achieving the highest points tally (41.5) in Beatty Cup history.

The Craigie Cup and year group activities continued throughout 2023 with device-free Wednesdays, basketball, dodgeball, soccer, spike ball and table tennis challenges to name a few. After managing to contribute eight back to school backpacks for the Anglicare Christmas Appeal at the end of 2022, boys in Craigie continued to get behind service initiatives and contribute strongly in the fields of House Duty, donations and collections, and exploring ways to assist others in our community. This helped develop strong bonds between different year groups and created a fun and enjoyable environment in Craigie.

Our Year 7s provided a burst of energy and our 10s, 11s and 12s continued to build their leadership and mentoring skills in the Craigie ways of achievement and responsibility. Year 9s completed OQD and camp and gave their all to 'empty the tank'. Our Year 8s built on their skills from Year 7 and navigated the opportunities available to them with tenacity and a sense of responsibility.

A huge thank you to all the boys in Craigie for their efforts, and a special thanks to Ms Claudia Feldman and all the tutors for making this such a successful year.

# HILL

HAWK HUGHES / CAPTAIN OF HILL

## 2023 proved to be a solid rebuilding year for the bulls after a promising past few years.

As always, high expectations were placed on the boys in orange to perform to their best. Almost every boy was involved in some aspect of the Beatty Cup competition, such as standout public speakers like Aman Shetty (Year 12) and our resident chess guru Wesley Peh (Year 11).

The year began strongly with the long-awaited return to HBF Stadium for the House Swimming Carnival. House spirit was off the charts that night with a strong turnout and participation. Special mention to House Vice-Captain Matthew Tan for winning the Open Butterfly trophy. Despite falling just short of gold that night, Hill is in good stead for the future with Year 10 wunderkinds Sam Hicks and Jackson Anderson leading the way.

House Arts has historically been Hill's domain, with Public Speaking being a unique strength across all age groups. Despite consistent performances from our dominant junior and senior teams, both age groups bowed out early in the finals. Unfortunately, tough competition from the powerhouse Chess and eSports teams of Jupp and Queenslea saw us lose some key Beatty Cup points. Ultimately, all the boys who volunteered to represent the House in these events are commended for their effort and courage.

After a soul-crushing one-point defeat in last year's House Teams Carnival, the bulls came roaring back; the boys did not disappoint, coming out joint winners with Craigie. Our soccer players, led by Year 11s Akshay Nadkarni and Mark Springate, are commended for their sheer dominance and 'tiki-taka' tactics. The day is always a highlight of the Beatty Cup, and this year certainly didn't disappoint.

Term 3 was jam-packed, with only House Shout and House Athletics left in the Beatty Cup. Despite a wonderfully mellifluous rendition of Journey's *Don't Stop Believin'*, the judging panel placed us fourth. Each bull should be proud of their bravery in getting up on stage in Chapel and performing in front of all their peers. Athletics has been a challenge for our House in the past six years, and this year was no different. Despite our lacklustre finish on the day, Sam Hicks was awarded Age Group Champion and Christophe Gardner (Year 12) was the distance running trophy winner.

Irrespective of where we finished in the Beatty Cup standings, 2023 was a good year. Our culture stayed strong, and we saw much more 'buy-in' from our youngest bulls. Thank you to our wonderful tutors, prefect team and above all, Head of House Ms Jane Shannon for their constant support and enthusiasm throughout the year.

# JUPP

JOSHUA NEERVOORT / CAPTAIN OF JUPP

**Jupp House had a successful year in which our House spirit carried us to second place in the Beatty Cup. The year started with the House Swimming Carnival with a performance for the ages off the back of swimming powerhouses Quinn Bewsher (Year 7) and Ronnie Hobson (Year 12).**

House Arts was again a successful campaign thanks to arts heavyweights Orlando Keleman (Year 12) in eSports, Lachie Story (Year 12) in Public Speaking and Jeremiah Wang (Year 11) on the chess board.

The House Teams Carnival was a spirited afternoon from the panthers, in which our House spirit was on display for all to see. Despite our best efforts, we were left disappointed at the end of the day as Craigie claimed a strong victory and pulled away in the Beatty Cup.

This disappointment became fuel to the fire for Jupp, as Year 12s Jamie Kafetzis and Ben Kao led Jupp's House Shout rendition of Taylor Swift's song *Love Story*. We left the crowd in awe as we finished in second place.

This took us to the final Beatty Cup event of the year, the House Athletics Carnival, in which we dared to dream of pulling off a notable victory. Ben Kao's saxophone rendition set the tone for a magnificent day at the track, with the boys racing admirably, highlighted by our Year 7 4x100m Relay team breaking a School record and claiming victory. This led to Jupp claiming the win in the final event of the year.

A massive thank you must go to the incredible Jupp House tutors who once again proved they are the best in the business. We are very grateful for all you do for the House. And finally, to Mr Rob Vickery who has devoted great time and effort to the House. This often goes unappreciated, but we are very thankful for all the work you do.

It has been a pleasure to lead Jupp House in 2023 and I look forward to hearing about the House's success in years to come.

# MOYES

JONATHAN ROOST / CAPTAIN OF MOYES

**Known as the brotherhood of the School, Moyes didn't disappoint with unwavering determination in a wide array of House events, including the new inter-tutorial competition. With the guidance of enthusiastic leaders, the spirit and morale of the boys did not fall short as we looked to improve on last year's seventh place in the Beatty Cup.**

The beginning of the year saw Charlie Spencer (Year 9) and Ethan Zhang (Year 8) dominate in the pool at the House Swimming Carnival.

The triumphant Moyes Chess team, led by Panav Kothari (Year 12), finished second which set us up for a strong Beatty Cup placement in 2023.

Just before the end of term, House competitions in football, soccer, handball and frisbee saw the fierce competition at both St John's Wood and Mount Claremont. The senior division soccer team continued its dominance as star player Jasper Tuckwell (Year 12) kept morale high as we took the title for soccer once again.

The House Shout event, themed Through the Decades, had the Moyes Boys delivering an outstanding rendition of the 2012 classic *Hall of Fame* by The Script. The weeks of rigorous practise paid off with special thanks going to Ms Anthea Van Graan for the harmonies and Mr Michael Masterton for the choreography.

Expecting a top four finish on the day, we found ourselves in sixth place, which left the boys hungry heading into the Athletics Carnival.

With Daniel Hales (Year 12) and Max Drayton (Year 9) winning Age Group Champion for their respective year groups, the House Athletics Carnival didn't disappoint. Spirits were high for the last Beatty Cup event of the year, but a fifth-placed result on the day wasn't expected. However, the enjoyment and House spirit on the day was second to none.

Throughout the year, a wide range of activities, including dodgeball, chess, tug-of-war and a joke-telling competition, brought about the first ever inter-tutorial competition in Moyes. This initiative fostered stronger bonds among the boys and their tutors, and sparked intense rivalries between tutorials, particularly in the case of Mr Jarryd Allen and Mr Tim Chaney's groups. A special mention must go to Mrs Bronwyn Nelles's tutorial for winning the competition in its inaugural year.

We extend our heartfelt gratitude to all our tutors for their unwavering support and care. A big thanks to Mr Michael Masterton for his steadfast leadership and belief in Moyes throughout the entire year.

# NOAKE

LACHLAN OAKLEY / CAPTAIN OF NOAKE

**2023 saw all Beatty Cup events back on the calendar, and a new Noake prefect team, determined to shake up the leaderboards and prove itself to the rest of the competition.**

The year kicked off with the House Swimming Carnival, an event that had not been in full flight since 2019. For all the junior boys, this was their first opportunity to show what they could do in the pool and a chance for the senior boys to remind us. At the end of the night, we finished fifth overall, with some strong performances from the younger age groups, proving Noake has a bright future.

Chess boards began to come out, and the boys started to dust off the cobwebs, as we prepared for the upcoming House Arts opening round. The public speakers, led by Gourab Sharma (Year 12), had an impressive season, finishing third overall in both junior and senior Public Speaking. Chess and eSports, however, were in a rebuilding phase for Noake, finishing eighth and sixth respectively. The future is bright for Noake Chess with record-breaking participation from the junior boys.

Term 3 consisted of numerous House Shout rehearsals to get our notes dialled in for *I Want It That Way* by the Backstreet Boys. We took an unusual approach to the song, deciding to re-enact a scene from the popular Netflix series *Brooklyn Nine-Nine*. A big thank you to Mrs Chiara Kingwell and Mrs Deanne O'Callaghan for helping us choreograph this complex scene,

and Year 12s George Warner and Max Bennett for acting it out. On the day of House Shout, anticipation was high, but as we got on the stage, nerves got the better of us, leading to an eighth-place finish. I was impressed with the boys' passion and spirit during the gruelling rehearsal process, and I think this puts us in good stead for a comeback performance next year.

House Athletics was next up on the calendar. The Noake boys were looking to round out the year on a high, but with an extensive injury list, it was going to take extra effort from everyone. We finished eighth (again), but our final standing was not reflective of the effort from the boys, many of whom had to step up to fill some big shoes.

Thank you to Mr Daniel Cadby for his outstanding leadership in Noake this year, and to the tutors and prefects for their continuous support and hard work. I felt honoured to be House Captain for mighty Noake in 2023, and I wish all the boys the best of luck in the future.

# QUEENSLEA

OSCAR LORBER / CAPTAIN OF QUEENSLEA

**The Queenslea boys knew they had a tough year ahead of them. With a last place finish in 2022, the boys were keen to get stuck in and prove themselves worthy of the Beatty Cup.**

We started strongly with a fourth-place finish in the House Swimming Carnival, backed up by consistent performances in House Arts. The Chess team placed third, led by Oscar Gao (Year 8), Andy Wu (Year 11) and the Gregory brothers, Ben (Year 7), Liam (Year 8) and James (Year 11). The eSports team claimed an outright victory thanks to Year 12 star players Liam Balloch, Ben Gallen-Hayes, Nic Johnson and Noah Kowald.

Mrs Bec Sheridan took over the reins of the House while Mr Brendon Noble went on his well-deserved long service leave, bravely taking charge of House Shout in which Queenslea sought to replicate Adele's *Rolling in the Deep*. After some tough judging, we finished third, with many claiming Queenslea was robbed of victory as the whole House put on a clinic for the event.

The House performed well across all athletics divisions to finish fourth, with a fifth placing in cross country. Special mention to middle distance runners James Appleyard (Year 12) and Sam Brampton (Year 10) for taking part in multiple events. The House's athleticism flourished in the Teams Carnival, with both the junior and senior handball teams undefeated, and the soccer teams finishing middle of the ladder at fourth.

Queenslea enjoyed fresh inter-tutorial challenges this year including dodgeball, tug of war, soccer, Connect Four, AFL Tipping and Fantasy competitions, and the viral ping-pong Game of Seven, with the finals staged in the Thursday House meetings. These new games became highlights for the House, and I am sure they will be enjoyed in the years to come.

Special thanks to the House Prefects, Tom Sewell (House Vice-Captain), Yesheh Behari, Sam Ou and Jayden Jusuf, as well as School Prefects Luke Annear (School Captain) and Charlie Billingham (Environmental Prefect) in leading the House and creating enjoyable participatory events for the tutorials each week.

Thank you to all Queenslea tutors, including Mr Brendon Noble, who pushed the House Prefects to organise activities, Mrs Bec Sheridan who acted as Head of House while Mr Noble was away, Dr Stobo who took over Mr David Owens' tute while he was also on long service leave, and Dr Brodie Reid who ran the AFL Fantasy competition. Such effort often goes unnoticed by the boys.

Queenslea looks to be in good stead for the future, with young talent hopefully carrying the House closer to the top of the Beatty Cup ladder. In 2024, we hope to better this year's third-place finish and win the Cup, something Queenslea has been so close to doing for many, many years.

## QUEENSLEA HOUSE

**BACK ROW:** Charlie Phillips, Thomas Boyce Cam, Xiaoming Yu, Liam Balloch, Miles Wyljko, Ben Gallin-Haynes, Noah Kowald, Anthony Stewart, Orson Pestell, Hudson Whiting, Max Goddard, Henry McRae, Joshua Harmer, Lucas Viiala, Sam Brampton, Benjamin McAlwey, Tom Poulson, Raf McRae, Zac Heaton, James Renner

**FIFTH ROW:** Kade MacDermott, Hamish Sewell, Kobe Weston, Alexander Blair, Isaac Savliwala, Issac Bizzo, Kenneth Michael, Ben Cui, Hao Guo Deng, Max Griffin, Harry Piacentini, Alexander Friars, Hamish Metcalf, James Appleyard, William Maitland, Toby Hall,

**FOURTH ROW:** James Lim, Tai Deng, Hamish Macfarlane, Harry Billingham, Harry Billingham, Cameron Wood, Albie Stevens, Alex Price, Martin Huang, Dylan Calderwood, Cota Ng, Ryan De Marchi, Cy Lendich, Dylan Johnson, Lachlan MacDermott, Charlie Strickland, Dylan Ng, Tom Hay, Arkie Parsons, Joshua Jusuf, Thomas Piacentini, Akain Wijayathunga, Kevin Tan

**THIRD ROW:** Xavier Taito, Harry Green, Finn Burgon, Casper Niedinger, Joshua Scatena, Rhys Hennessy, Oscar Gao, Tyson Gill, Alex de Vries, Christian Lorbeer, Leon Butler, Isa Yusoff, Christian Lee, Isaac Kok, Christopher Scatena, Andy Wu, Mattias Price, James Gregory, Will Strong, Atticus Pyefinch, Alex Molyneux, Darcy Lester, Harry Jones

**SECOND ROW:** Benjamin Gregory, Nathan Moyo, Joshua Donaldson, Lincoln O'Keefe, Zachary Marron, Henry Flynn, Connor Johnson, Izaak Couzens, Xavier Hernadi, Mitchell Colman, Loki Bird, James Teede, Noah Chan, Oliver Lefroy, Joel Bassett, Rama Potturi, Adam Porter, Angus Roberts, Ethan Rao, Gabe Chavez, Will Roberts

**FRONT ROW:** Liam Gregory, Mr Mike Ristovsky, Sebastian Thong, Ms Yang Zhang, Jayden Jusuf, Mr Brodie Reid, Charlie Billingham, Mr Tom Shalders, Oscar Lorbeer, Mrs Bec Sheridan, Thomas Sewell, Mr Noel Patterson, Luke Annear, Mrs Angela Tanham, Yeshen Behari, Mr David Owen, Samuel Ou, Mr Scott McCallum, Griffin Collins

# ROMSEY

TOM EDIBAM / CAPTAIN OF ROMSEY

**After a year of COVID-related cancellations, 2023 saw Romsey back on the hunt for the Beatty Cup with a promising future evident in the Year 8s, who didn't have the chance to prove themselves last year, as well as an influx of talented Year 7s.**

After its cancellation in 2022, Romsey was glad to return to the pool in the House Swimming Carnival. Our historical strength in the event proved as true as ever, claiming first place once more. Our depth was emphasised particularly in the relays, with standouts including Benjamin Shipton (Year 12) as well as young talent Sam Reynolds (Year 8), claiming their respective Age Group Champion trophies.

The famed Romsey competitive spirit continued to hold strong in the House Arts and the House Teams Carnival, with notable heartbreakingly close second-place finishes in handball and Senior Public Speaking. House Cross Country and Athletics both ended with a respectable third place, with the likes of Keiyon Billy (Year 8) named as Age Group Champion alongside stellar performances from Jackson Hill (Year 7) and Sam Ogley (Year 9). In spite of an unfortunate eighth pick in House Shout, the House remained dauntless, managing to scrape in at seventh place. Overall, the year ended commendably, with an equal fourth place in the Beatty Cup.

Stepping into the wider community, the Romsey culture was made evident with multiple boys training in the mental health program Zero2Hero and Year 10 Anglicare ambassadors Nic Thyer, Alistair Davison, Charlie Bydder and Daniel Needham putting in a Herculean effort organising House donations for various charities. These boys, along with many others, also worked hard to support each other in the House buddy system.

The prefect body this year, with the invaluable support of Head of House Mrs Megan Pentony and the tutors, aimed to support cohesion and culture in the House, running several activities such as inter-tutorial vortex matches and footy tipping, that will hopefully continue to be staples of Romsey culture.

I cannot understate my gratitude for the opportunity to lead Romsey House in 2023. With a plethora of unique talents amongst all years, the rich legacy of the falcons is on track to be taken to new heights and I wish the future leaders of Romsey all the best in achieving this.

# WOLSEY

TOM OFFER / CAPTAIN OF WOLSEY

**In 2023, Wolsey continued to go from strength to strength, with many individual and collective highlights across the year.**

Wolsey boys enjoyed the full complement of School events for the first time since 2019. The year started with the House Swimming Carnival; a solid performance saw the wolves finish a close second to Romsey. In cross country we finished second, with a strong team effort and great runs from Koh brothers Joshua (Year 7), Lucas (Year 12) and Oscar (Year 10), as well as Cooper McAuliffe (Year 8). In athletics, we achieved a respectable seventh place, an improvement on the previous year. Special mention to Massey Doolan (Year 11) who was a force on the track.

House Arts proved tough competition this year, with Wolsey finishing in the middle of the pack. Of note in the Public Speaking competition were the numerous boys who volunteered to step up and fill empty spots, often with short notice. House Shout saw one of the best-sounding Wolsey arrangements in recent memory. While our fifth-place result was perhaps lower than expected, this was not due to a lack of enthusiasm as nearly all boys chose to participate, reflecting our motto of 'Excellence through teamwork'.

Other highlights include Year 9 OQD and the work of the Year 10 Anglicare Leaders Campbell House, Arjun Rodrigues and Will Lewis, who led donation campaigns benefitting those in need in the Perth community.

The work of the Year 11 Peer Support team and Mr Scott Chrystal once again helped ease the stresses of the transition into secondary school life for the Year 7s, with the Year 11s leading numerous sessions, sharing valuable learnings and honing their leadership skills.

The Wolsey Year 12 cohort had a close bond, and we will take away many fond memories from our secondary school journey. I am very grateful to have led the House this year and I have both enjoyed and learnt from the experience. Special mention to the House Prefect team, as its consistent efforts across the year helped the House to run smoothly. The impact of their leadership on the House cannot be understated.

2023 will also see Mr Gareth Phillips finish his time as Head of Wolsey. Starting in 2012, Mr Phillips enjoyed a distinguished career of service in this role, ensuring the wellbeing of boys under his guidance. Previously an air traffic controller before joining Christ Church as a Humanities teacher, Mr Phillips is also a talented runner, although he remains characteristically humble in his achievements. There can be no doubt that Mr Phillips legacy and influence on the House will be long standing. He will be sorely missed by both boys and staff.

On behalf of Wolsey House, thank you Mr Phillips.

# WALTERS RESIDENTIAL COMMUNITY

ANGUS PARK / CAPTAIN OF WALTERS RESIDENTIAL COMMUNITY

2023 was extremely successful with Boarding Prefects, Frank Stevenson, Elliot Logan, Lochee Forshaw and Angus Park (Year 12) welcoming a new group of boys to the boarding house with a fun orientation. This included playing soccer, having a swim in the pool and generally getting to know each other.

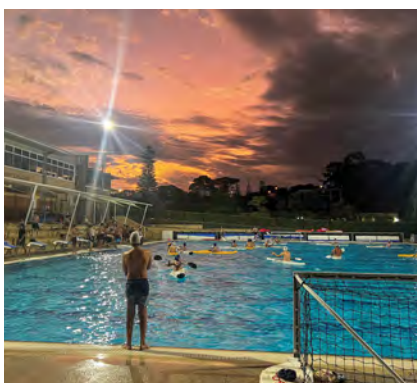

The Knutsford boys enjoyed the year under the guidance of Mr Patrick Molinari. They especially enjoyed the recreational activities like the driving range, Adventure World, movies at the cinema or on Mr Todd Harnwell's big screen TV, and stand-up paddleboarding on the river. Knutsford House said goodbye to a much-favoured housemother, Mrs Carol Campagnoli, and welcomed Mrs Preston. All Knutsford boys brought their enthusiastic competitive spirit to the Gryphon Cup competitions.

This year's Gryphon Cup saw teams Stove, Stretch, Meikle and Doust fight it out in the varying Gryphon competitions, which consisted of the inflatable relay, canoe polo and the classic bombie competition. At the end of the year, Stove was victorious in taking home the coveted trophy. Another highlight was the replacement of one of the competitions with boys coming together to support the Matildas during the FIFA World Cup semi-final in August.

Boarding Week saw the addition of a day boys versus boarding boys soccer competition, with the boarders taking out the title. Another popular choice was the bucking bull, with boys testing their strength in the Chapel forecourt. A few of the station boys seemed to know what they were doing.

Year 11 and 12 boys enjoyed the inaugural St Hilda's and Christ Church Boarding Dance, with the theme of dusty boots and op shop scoops. It was a chance to have some fun in the run up to exams, with a few awards given out, and was enjoyable all round.

The Walters boys have been stoic in the face of renovations and joyously welcomed the reopening of the renovated area. These new amenities will enable all years to be housed comfortably under the same roof.

# AQUATICS: SWIMMING

MATTHEW TAN / CAPTAIN OF SWIMMING

**The preparation for this year's swimming season saw many boys training hard and enjoying themselves in the pool. As always, the swim meets leading up to the House Carnival were successful, with high attendance and many excellent times recorded.**

Coming from the COVID-plagued season last year, the boys were excited to swim at HBF Stadium again without masks. It was a great night with blistering times, with Romsey House taking home the cup. With so many great swims, we saw a strong team leading into the Quads, bringing home the trophy again this year.

With a newfound confidence, we were all raring to compete at Inters, and it came quicker than expected. The atmosphere was spectacular with all the supporting parents and cheer squads. The competition was fierce, and we were neck and neck with Scotch, however, they just managed to beat us by 18 points. Despite the bitter end, we can't overlook the amazing efforts everyone put into placing second with such a close fight. This was shown by some outstanding performances from:

**Charlie Spencer** – U15 50m Breaststroke, 32.73s (School Record)

**Jackson Anderson** – U16 100m Freestyle, 52.76s (PSA and School Record)

**Sam Hicks** – U16 50m Backstroke, 27.60s (School Record)

Sam (Year 10) also swam in the age group above, making a huge impact and being an inspiration to the team.

The whole CCGS Swim Team would like to thank Mr Luke Farmer, Mr Anthony Lynch, Mr Travis Nederpelt, old boy Mr Elliot Rockett, and head coach Mr Will Greenwood, as well as all the age-group managers. They were extremely supportive and pushed the boys to their limits. A huge thanks also to Vice-Captains Oscar Lorbeer and Ben Shipton who rallied the troops and brought the energy.

Congratulations to the swim team for an amazing season.

# AQUATICS: WATER POLO

## PSA CHAMPIONS

BILLY URE / CAPTAIN OF WATER POLO

**It was yet another successful season for Christ Church Water Polo, with all teams achieving marvels.**

The Firsts boys started the Round 1 fixture a little bit shaky with a few late withdrawals by key players, which left only one player who had debuted previously. Nevertheless, our huge efforts in the pool over the winter off-season paid dividends. We outran Trinity by five goals after recovering from equalling at half-time, in a gallant display of our grit and determination. With huge confidence from our Round 1 victory, and key players returning, we faced a hungry Scotch team and managed to hang on by two goals. Following this, we played Aquinas in Round 3, a team determined to bring us down, with both sides playing out a gruelling back-and-forth game which ended in a draw.

The return of Edward Handley (Year 12) had an immediate impact on the team as we dismantled the same Aquinas team by nine goals in the first week of Term 1, with a standout performance of five goals from Charlie Reynolds (Year 12). We maintained our form in the coming weeks, producing yet another undefeated season. Christ Church retained the Dickinson Shield for the second consecutive year.

There were several strong performances in the Middle School competition with the A team only dropping three games to other strong schools. The Best and Fairest Award went to Christian McGlew (Year 9), who played every game in the Firsts.

Although CCGS Water Polo loses an extremely talented cohort, the future is looking bright with an extremely talented Year 10 cohort determined to retain the Dickinson Shield.

### FIRST VII WATER POLO

# ATHLETICS

TIM CHANEY / TEACHER IN CHARGE

There was a sense of anticipation heading into the 2023 PSA Athletics Carnival on the back of some strong performances in both the House Carnival and the Tri-Meet against Wesley and Trinity. Despite injuries to some key athletes, the group was well poised and set its sights on breaking into the top three – a feat not achieved by a CCGS team for over 30 years.

As always, the level of competition at the PSA Inters was exceptionally high. Approximately 120 students who competed rose to the challenge, displaying outstanding effort and with each individual contributing to the pursuit of team success. As score updates came throughout the day, it became apparent that Christ Church was performing very competitively, matching it with traditional athletics powerhouses Aquinas, Scotch and Trinity.

Leading into the final 4x100m relays, CCGS sat in fourth position overall. In a dominant display, the School took out three of the five relays and finished second in another. These results saw Christ Church jump into third place, falling just short of Aquinas College in second. The third-place finish secured the School's best overall result since 1992.

## FINAL STANDINGS:

Scotch	1st
Aquinas	2nd
<b>Christ Church</b>	<b>3rd</b>
Trinity	4th
Wesley	5th
Hale	6th
Guilford	7th

As always, there were some fantastic individual and team performances on the day.

## INDIVIDUAL EVENT WINNERS:

- **Ashton Salomons** – Div 1 U13 100m, 200m and 400m
- **Troy Farrell** – Div 1 U13 Shot Put
- **Rohan Richards** – Div 2 U13 Shot Put
- **Quinn Bewsher** – Div 2 U13 Discus
- **Emre Hatipoglu** – Div 2 U13 100m
- **Sam Brampton** – Div 2 U16 1500m
- **Jonah Hanikeri** – Div 1 U17 1500m (PSA Record), 800m and Div 2 400m
- **Lincoln Hobbs** – Div 2 U17 100m and 200m
- **Massey Doolan** – Div 1 U17 200m and 400m (PSA Record)
- **Oscar Lorbeer** – Div 1 Open Hurdles
- **Mayowa Afolabi** – Div 2 Open 100m

## WINNING RELAY TEAMS:

- **U13 4x100m** – Zac Shaw, Emre Hatipoglu, Quinn Bewsher and Ashton Tay
- **U16 4x100m** – Haimish Collins, Sam Hicks, Tom Poulson and Ben Whiteman (PSA Record)
- **U17 4x100m** – Kalani Chong Sue, Massey Doolan, Lincoln Hobbs and Jack Poulson (PSA Record)

While the above performances were integral to the overall outcome, so to were the many individual efforts of students who may not have won their event but competed at their best. During the day, some athletes sustained injuries and had to withdraw. It was in these instances where the selflessness of the team shone through. Year 11s Max Hansen-Knarhoi and Mark Springate, and Seville Cooper (Year 12) all stepped up with minimal notice to earn vital points for the team. While these boys did not win their events, it is performances like these that epitomise true sporting character and I commend these students on their willingness to put the team ahead of themselves.

The future of Christ Church Athletics is bright and, as we enter 2024, the Athletics program will look to pursue the Alcock Shield for the first time in the School's history.

Thank you to all the coaches and Athletics Captain Oscar Lorbeer, who led this team admirably on the day.

# BADMINTON

## PSA CHAMPIONS

BAILEY ALCOCK / CAPTAIN OF BADMINTON

With boys varying from as young as Year 8 through to Year 12 playing for the First team, a rich pool of players laid the foundation for badminton for this year and the years to come. With at least one boy from every year group represented, the team had varying skill levels, sizes and experiences. However, a shared camaraderie, determination and teamwork united the team as a formidable force against all schools.

Following a tied Brother Kelly Cup last year, the boys were as motivated as ever to get that crown a second time.

After a tough loss to Wesley in the beginning of the season, the team trained harder and gave it their all, establishing a three-way tie halfway through the season between Hale, Wesley and CCGS. A dominant 8-1 win over Wesley during our rematch in Round 13 placed us in a confident position for the last game of the season against Hale for the cup. After a dominant display of talent from all the boys we came out with the win, securing the title outright for the first time in 20 years.

A special shoutout must go to the Thirds who were undefeated for the whole season as well as the undefeated formidable force of Minula Salgado (Year 12), leading the Sevenths to victory.

Finally, a massive thank you must be said to Mr Drew McDonald and Mr Nick Kidd – without their guidance and support, CCGS Badminton's success this season would not have been possible.

# BASKETBALL

ORLANDO KELEMAN / CAPTAIN OF BASKETBALL

**In this year's season, a young Christ Church basketball team defied expectations and finished third in the PSA competition.**

We began the season on the backfoot with two losses against Trinity and Hale. After a win against Scotch, the team just fell short to the 2022 Blackwood Cup winners, Aquinas, in a tight game. The team then saw the first half of the season out with a win against Guildford, finishing with a record of two wins and four losses, which we hoped to improve upon.

Coming into the second half of the season in fifth position, the team had something to prove. We started with a tough loss to Aquinas but bounced back with a dominant win against Scotch. We then faced Hale who had only lost one game at this point. It came down to the final minutes with Christ Church victorious by two points. Ending the season with wins against Trinity and Guilford and a tight loss to Wesley, we placed third overall. Special mentions go to Lachlan Oakley (Year 12), Mayowa Afolabi (Year 12) and Jakob Akhlil (Year 11), who dominated the PSA season.

In the younger teams, the 8As dominated, only losing to Wesley by one point and coached by former Firsts Basketball Captain, Mr Josh Lamb. The 10As were hit hard as three of their talented members played in the Firsts, while the Year 7s improved as the season progressed. Special talents in the junior teams included Oskar Wang (Year 7), Jimi Oyewopo (Year 8) and Lincoln Fahey (Year 9).

Special thanks to Firsts coaches Dr Steven Males and Mr Daniel Cadby, as well as all CCGS staff involved with basketball. Head of Basketball, Mr Jason Lamb, must also be thanked for his work behind the scenes.

## FIRST V BASKETBALL

**BACK ROW:** Mr Daniel Cadby (Teacher in Charge), Oscar Males, Lachlan Oakley (Vice-Captain), Orlando Keleman (Captain), Mayowa Afolabi (Vice-Captain), Clancy Dennis, Dr Steven Males (Coach)

# CRICKET

## PSA CHAMPIONS

SEVILLE COOPER / CAPTAIN OF CRICKET

**After winning the Darlot Cup in 2022, the boys were hopeful of another successful season this time around. With only a few players having left and the younger boys now experienced, we went into the season with high hopes of bringing the Darlot home once again.**

With a successful chase against Trinity in Round 1, we looked set for a dominant Term 4. We continued this form with a last ball boundary to win at Hale before a dominant display against Scotch. Aquinas was a nail-biter with a 60-run last wicket partnership between Oscar Argyle and Zeph Netherway (Year 12), with an unbeaten 92 guiding us home. Another tough win against Wesley, before a convincing win over Guilford, meant we entered Term 1 with a two-game lead on top.

A well-fought draw to start Term 1, guided by Cameron Baker's (Year 10) knock of 36 off 188, tightened the table. However, from then on we were faultless, winning all remaining games to finish the season 27 points atop with a record 124 points and thereby securing the Darlot Cup.

Special congratulations must go to Lincoln Hobbs (Year 11) with two centuries for the season. Zeph Netherway was outstanding, with a century and 5/8 in the same game and finishing overall champion player for the PSA.

A huge thank you to Mr Graeme Wood whose coaching guided us throughout this rollercoaster of a season, as well as Mr Matt Goes for being a terrific Head of Cricket. Further, thanks to Mr Lindsay Flynn for his fielding work as well as his coaching of the Seconds.

The Second XI played well throughout the season. A special mention to the mighty Third XI who played terrifically throughout the season and had the best culture of all teams. With plenty of dominant performers in younger years, CCGS Cricket looks set for more Darlots in years to come.

### FIRST XI CRICKET

# CROSS COUNTRY

## PSA CHAMPIONS

LUCAS KOH / CAPTAIN OF CROSS COUNTRY

**The 2023 season was one of the most successful in the history of CCGS Cross Country. The team remained undefeated and extended its run to 26 straight victories to retain the coveted Moyes Trophy.**

Following the success of 2022, we knew the pressure was on to continue our form. The season began with our biggest test against arch-rival Aquinas. Despite having seven of our top 15 runners unavailable, the team triumphed with an 80-point victory and a first individual win at Salter Point since 2017. This was followed by comfortable victories over a resurging Scotch, Trinity and Guildford, scoring 130 points, the lowest score ever.

This form continued into the All Schools fixtures. Despite narrowly defeating Scotch and Aquinas in the 4km and relay respectively, key wins in the 3km relay at home and the 5km and gruelling Ray Brown 8km at Kings Park, secured the Moyes Trophy. The contributions of Year 7 runners William Driscoll, Jackson Hill and Fergus Khoo, along with PSA star runners Cameron Bills (Year 10), Christophe Gardner (Year 12), Jonah Hanikeri (Year 11) and Joshua Neervoort (Year 12) were integral to this success.

The junior team, led by Cooper Smeulders (Year 8), also achieved unprecedented heights. Despite coming last in previous seasons, they finished second overall, narrowly falling to a strong Wesley team in their final fixture.

Special recognition must go to teachers Mr Travis Nederpelt and Mr Nick Sumich, old boy Jes Bromley and parent Dr Koh who through their coaching, played a key role in our success. Finally, thank you to Mr Jacob Marai whose leadership and commitment have taken this team from sixth place in 2015 to the position it is in today.

### FIRST XV CROSS COUNTRY

**BACK ROW:** Owen Jeffcote, Angus Park, William Kempson, Sam Hoy, Ben Colvin, Sam Hicks, Jonah Hanikeri, Oscar Koh

**THIRD ROW:** Aiden Tan, Lachlan Story, Alex Price, Callum Chin, Marcus Mo, Darcy Busch, Joshua Neervoort (Vice-Captain), Sam Hurworth

**SECOND ROW:** Mr Jes Bromley (Coach), Gourab Sharma, Angus Cameron, Alexander Lewkowski, Cameron Bills, Mr Jacob Marai (Coach), Alasdair Cameron, Luca Campitelli, Gary Xu, Jacob Moore, Dr Tim Koh (Coach)

**FRONT ROW:** William Driscoll, Eamon Tan, Wil Mickelberg, Austin Readman, Lucas Koh (Captain), Ned Eldon, Fergus Khoo, Cooper Smeulders, William Rea

# FOOTBALL

AUSTIN VAN DER STRUYF / CAPTAIN OF FOOTBALL

**The Year 7s, coached by Mr Brad Gardner, had a season of growth with significant improvement and the development of a contested team style of football. The 7A team started the season with some narrow defeats, however, wins against Scotch and Guildford shifted the momentum.**

The Year 8s, under coach Mr Jon Wyllie, played some exciting football with the 8As notching wins against three quality football schools – the best being a gritty victory against local rivals Scotch in driving rain at McGillivray Oval.

In coach Mr Jarrod Kayler-Thomson's final season at CCGS, the Year 9 team managed to string together three great wins and produced a good send off for Mr K-T by beating Wesley.

The Year 10 football season was marked by challenges for both the A and B teams under coach Mr Jordan Wallace, yet their resilience shone through on game days. The season concluded on a high note as both teams secured thrilling victories.

The Thirds enjoyed great camaraderie. Coach Mr Patrick Mollinari was pleased with the team's wins over Wesley and Trinity.

Seconds footy was very positive this year despite only having a solitary win. Coach Mr Lachlan Hall was impressed with their attack on the ball. Their contest was outstanding all year but just lacked a little bit of team cohesion to win more games.

The First XVIII season started with losses to heavyweights Aquinas and Scotch. The loss against eventual Alcock Cup winners Scotch, was Scotch's tightest game of the year. The team faced severe obstacles with many key players injured over the course of the season. A highlight of the year was donning the Indigenous guernsey designed by Kayde Kelly (Year 9). Our best win of the year was a two-point thriller over Wesley. Head coach Mr Declan Cormack noticed a big lift in training standards and matchday performances after the mid-year break, with a huge win over Guildford Grammar. Special mention to Tom Grylls who took out the Best and Fairest Award as a Year 11 boy.

Thanks to all coaches and staff involved this year and best wishes to all future CCGS footballers.

## FIRST XVIII FOOTBALL

**BACK ROW:** William Oakley, Oliver Corcoran, Frank Stevenson, Oliver Pentony, Oscar Males, Preston Browne-Cooper, Oscar Argyle, Orlando Keleman

**THIRD ROW:** Lincoln Hobbs, Tom Grylls, Max Duff, Max Yeo, Ronnie Hobson, Luke Pelliccione, Hamish McCarthy, Seville Cooper

**SECOND ROW:** Mr Scott McCallum (Assistant Coach), Emerson McNeilly, Ben Dredge, William Wildberger, Mr Declan Cormack (Coach), Finn Klug, Will Hayes, Clancy Dennis, Mr Sam Wallace (Teacher in Charge)

**FRONT ROW:** Lennox Badger, Max Eldon, Max Hansen-Knarhoi, Austin van der Struyf (Captain), Eddie Vijayasekaran (Vice-Captain), Sam Harding, Massey Doolan, West Jones

# GOLF

ZEPH NETHERWAY / CAPTAIN OF GOLF

**With this year's season held at Cottesloe's Sea View Golf Club, the golfers were excited to tee off at this recognised course. After coming fifth last year, we were keen to capitalise on the home ground advantage and promising new talent.**

Thomas Pyke (Year 7) was a standout for the team, who, joined by partner Declan Church (Year 9), shot 72 (+1) through the challenging 18 holes. The young duo scored two birdies on the day and 14 pars, showcasing extraordinary consistency.

Dynamic Year 12 duo Zeph Netherway and James Tran had moments of brilliance and darkness. Though they had managed two birdies, which showed great potential, this was accompanied by many bogies throughout the day. These two definitely impressed, with enormous drives that went into orbit, making their presence known.

Ryan Fan (Year 8) and Oliver Liard (Year 10) scored a further two birdies and were consistent throughout the day, with respectable scores of 74 (+3). These juniors display promising talent, taking Christ Church Golf a step further in upcoming seasons.

The final duo of Oliver Corcoran (Year 11) and Sam Singleton (Year 12) managed one birdie for the round, albeit having their ups and downs all day as the difficulty of the course got to them.

Overall, Christ Church secured fourth, being an improvement on last year. With this display of promising talent, the future is looking bright for golf. At the end of the day, we'd like to thank Mr Vinko Shain as this season wouldn't have been possible without his outstanding co-ordination of the team.

# HOCKEY

ETHAN YEM / CAPTAIN OF HOCKEY

**After sharing the Ray House Cup last season with arch-rival Hale, the First XI boys were motivated to claim the cup once again. We had a very promising start with a definitive win in Round 1. Our team debuted some new faces and we applied our skills effectively, resulting in an impressive 5-0 victory against Aquinas. Under head coach and GOAT Australian player Mr Eddie Ockenden, we continued to secure some decisive wins in the first PSA rounds.**

It was at the end of Term 2 when we hit some major speed bumps. A number of our pivotal players were out due to injuries and unforeseen absences, which unfortunately coincided with games against the strongest teams in the competition. We lost two games to Hale and Aquinas but despite these challenges, the boys dug deep and worked together to secure wins in the remaining games.

Our final fixture was against Hale, which ultimately showcased the mighty character of the Christ Church hockey player. With three players away at the Under 16 national championships in Adelaide it was going to be a tough game, but we rose to the challenge. The boys showed incredible grit and displayed unwavering determination and camaraderie, applying pressure on the opposition and ultimately holding Hale at bay with a 2-2 draw. These are the memories of the blue and gold that the Year 12s will cherish. Overall, Christ Church First XI Hockey Team finished second in the competition.

It was a fantastic season for the Second XIs who finished on top of their ladder. Of the nine games played, they won six, drew two, losing just one game. A total of 59 goals were scored with only eight goals conceded. Congratulations to the boys and coach Mr Neil Sagggers for continuing what he declares is "a 400-year winning streak".

The Year 8A boys were undefeated throughout the season, winning their competition. Coach Mr Will Greenwood said that success came down to great teamwork, playing smart and the boys taking shots when they presented themselves. Well done boys.

## FIRST XI HOCKEY

**BACK ROW:** Oscar Evangelista, Oscar Lorbeer, Will Jones, Zeph Netherway, Cody Barrett, Adriaan Heyning, Frank Birch

**MIDDLE ROW:** Mr Eddie Ockenden (Coach), George Warner, Matthew Wong, Bede Wetherell, Charlie Billingham, Samuel Grayling, Mr Tom Goodbourn (Teacher in Charge)

**FRONT ROW:** Henry Hogan, Arjun Brian, Travis King (Vice-Captain), Ethan Yem (Captain), Liam Goebel, Daniel Needham, Harrison Fitzgerald

# ROWING

ANGUS PARK / CAPTAIN OF ROWING

**Alarms went off, sleepy-eyed boys turned on their lights and sat up in bed. The rowing season had begun!**

Our first camp was at Eaton. Blisters burst and the tape came out – the first taste of seat trialling for most crews. Boys were put through their paces to determine the hardest. Suffice to say, some were found wanting.

The next gruelling challenge was the Augusta camp. Hard-as-nails head coach, Mr Simon Cox, started in spectacular fashion: a two-kilometre Ergo Fitness Test immediately after a four-hour bus ride. The boys, however, were keen to show what they were made of. New PBs were put down, diamonds in the rough emerged, and the standard for camp was established.

Welcoming the Year 9s into the pleasures of rowing camps, we kicked the school year off with the ANA Rowing Club camp. Long mornings, two kilometres after two kilometres, Bayswater to Guildford. Crews showed who was boss, putting the home school in their place.

The Year 9 cohort was the strongest in recent memory and produced regular podium finishes. The undefeated 9Es delivered our first Head of the River win, and the 9As spectacularly followed suit.

The Year 10 cohort improved considerably. Both the 10A VIII and 10B VIII had strong final races, placing a commendable third and second respectively, while the 10Cs (racing as the Fourth VIII) put up strong performances against much older crews.

What the Seniors lacked in numbers, they made up for in determination. The Thirds, despite major number shortages, were able to maintain consistency. The Seconds defied injury, finishing an amazing second by just over one second in their final race. In the big race, the crew's best effort was ultimately another respectable third, however, with such a young crew the future looks bright.

An impressive second in the Hamer Cup capped off the season for Christ Church Rowing.

# RUGBY

LUKE O'CALLAGHAN / CAPTAIN OF RUGBY

**The 2023 rugby season for the First XV started off slowly, with the boys only managing to create one senior team. Despite this, the team consisted of some great talent and the boys worked hard in the pre-season to prepare for the first round against Aquinas.**

The first round was a success, beating Aquinas 31-7, proving that there was something special brewing in the team. The boys then aimed to carry this momentum into the much-anticipated Scotch fixture. In a physical and wet game, the score at half-time was 0-7 to Scotch. Scotch then managed two late tries, leaving CCGS with its first defeat. However, the team kept their heads high and proved their worth by winning three straight games against Wesley, Trinity and Guilford. In the last game of the first round against Hale, the team just fell short but knew they had the potential to beat this side.

The second half of the season got underway and was successful as the team only had one loss, against Scotch once again. This led into the highly anticipated fixture against Hale on Thursday of the mid-term break. With the cup out of their hands, the boys placed their pride in their CCGS shirt, as it was the last fixture for the Year 12s. CCGS then beat Hale 48-19, showing how far the team had come. Overall, it was a very successful season for First XV Rugby, as we finished equal second with Hale.

The Year 7 team, along with the middle school team, displayed strong performances throughout the season, marked by both impressive victories and narrow defeats. We anticipate an exciting future, as promising talents continue to emerge throughout the ranks.

**SECOND ROW:** Ollie Wardle, Mr Matt Goes (Teacher in Charge), Mr Eddie West (Coach), Mr Kieran Longbottom (Coach), Mr Andy Cole (Coach), Mr Chris Anderson (Manager), Hugo Fischer

**FRONT ROW:** Ethan Loke, Dylan Calderwood, Charlie Scaddan, Luke O'Callaghan (Captain), Nicholas Coutts (Vice-Captain), Charlie Robertson, Mason Beck

# SAILING

JAMES FERGUSON / CAPTAIN OF SAILING

**Sailing at CCGS is a popular co-curricular activity offering the opportunity to learn and develop advanced sailing skills. The Teams Racing squad trained hard during Term 1 in the lead up to the WA Schools Teams Racing Championship regatta.**

The first day and a half consisted of a qualifying series in which the CCGS team honed its tactics, ending up in equal first place with the Scotch team. The wind was a steady 8-10 knots, perfect for the lightweight team. After the conclusion of the qualifying series, the wind dropped and the river was like a millpond. However, the decision was made to commence the final series.

The finals were run in a 'best of three races' format. Semi-finals were against Shenton College, with the first race lost due to a bad start. In the second and third races, the CCGS boys were victorious, securing second place overall. The grand final was against the Scotch team, and despite all efforts, Scotch was unbeatable.

With a commendable second-place finish and a team comprised of relatively young sailors, there is likely to be ongoing success in the coming years.

Special mentions go to old boys Mr Sam Rose and Mr Barney Woo who devoted their time to help the boys finesse their racing tactics.

## SAILING REPRESENTATIVE TEAM

**BACK ROW:** William Gillham, Aaron Pereira, James Ferguson (Captain), Issac Bicz, Alasdair Cameron  
**FRONT ROW:** Mr Sam Rose (Coach), Alex Molyneux, Angus Cameron, Lucas Page, Joshua Ransom, Mr Khiem Ly (Teacher in Charge)

# SOCCER

JONATHAN ROOST / CAPTAIN OF SOCCER

**This season saw success across many year levels. Led by the First XI, we looked to win the Lawe Davies Cup for the first time since 2016.**

The beginning of the season saw Year 9s Jack Baker, Abe Briffa and Harry Surtees make their debut for the First team. The season started off slowly with draws to Aquinas, Trinity and Wesley, as well as a narrow loss to Scotch. Our breakthrough arrived in Round 5, when we hosted Guildford and secured a resounding 5-1 victory, thanks to Jack Poulson (Year 11) and Matthew Tan (Year 12). The same round witnessed our Third team beating Guildford with a 13-1 scoreline.

The halfway mark saw tight competition between Scotch, Hale, Aquinas and CCGS, as we looked ahead to Round 8 against Aquinas. Down 2-1 in the final minutes of the game, an assist from goalkeeper James Tran (Year 12) saw Sam Gibson (Year 12) tie the game just before the final whistle to keep our chances of winning the cup alive.

With a mix of draws and losses to finish off the season, our last win came in Round 10 against Trinity at home, courtesy of a spectacular volley in the dying minutes of the game. Although the season for the First XI didn't go as expected the future of soccer at Christ Church is bright, with hopes of securing the coveted Lawe Davies Cup in the future. A special mention must go to the Fifts and 7D team for their undefeated seasons.

Many thanks to head coach Mr Mark Lee, Mr Todd Harnwell and Mr Liam Reddy for their unwavering support and to Mr Mike Ristovsky for expertly co-ordinating the season.

## FIRST XI SOCCER

**BACK ROW:** Oscar Hacking, Sean Marshall, Sam Gibson (Vice-Captain), Jack Baker, Billy Templeton-Knight (Vice-Captain), Mark Springate, Jasper Tuckwell

**MIDDLE ROW:** Mr Todd Harnwell (Manager), Alfie Mill, Charlie Mill, Jack Poulson, Harrison Surtees, Daniel Hales, Oscar Narvaez, Oliver Campbell

**FRONT ROW:** Abe Briffa, Hudson Wright, James Tran, Jonathan Roost (Captain), Jake Hashem, Matthew Tan, Ben Kao

# SURFING

## PSA CHAMPIONS

JAKE YEO / CAPTAIN OF SURFING

**The 2023 CCGS surfing and bodyboarding season started off in April for both junior and senior surfers. In the Junior Surfing, first place went to Joel Renouf (Year 9), with Torsten Bird (Year 9) a close second, followed by Joshua McManus (Year 10), Lawson Kirby (Year 9) and Harry Pazin (Year 9) respectively. Senior Surfing saw Archie Martin (Year 12) put up an honest battle for fifth, in fourth place was Frank Birch (Year 11) and Margs gun Tom Scott (Year 11) in third. In second place was Leon Butler (Year 11) and in first place, Jake Yeo (Year 12).**

The Junior and Senior Bodyboarding competition took place a week later in challenging conditions. Junior Bodyboarding saw Jake Jordan (Year 9) taking it out, followed by Hudson Woodard (Year 10), Declan Church (Year 9), Zach Pentony (Year 10) and Lincoln Crommelin (Year 8) respectively. Senior Bodyboarding saw Sam Harding (Year 11) win, with Max Yeo (Year 12) in second, followed by Lennox Badger (Year 12), Billy Ure (Year 12) and Darcy Sergeant (Year 11) respectively.

In August, CCGS rocked up to a glassy Trigg for the WA School Surf Titles Metro Zone 4 surfing competition. We put on an outstanding performance, taking out three of the four divisions, placing us as overall winners. The Senior Bodyboarding saw an all CCGS final with Lennox Badger and Billy 'the Vet' Ure against Sam Harding and Max Yeo, who ended up dominating and shredding their way to the win. Junior bodyboarders Jake Jordan and Declan Church were successful in the conditions, also winning their division against Yancheap, CBC Fremantle and John XXIII.

It was a rather successful day for the CCGS Surfing team. Senior surfers Archie Martin and Frank Birch surfed well to the semi-finals while Leon Butler and Jake Yeo took the win in the final against a talented Lancelin team. Junior surfers Joshua McManus and Lawson Kirby surfed well, however, were unfortunately knocked out early on. We put up an outstanding performance taking out three of the four divisions, resulting in us being the overall winners of Zone 4 of the WA Metro Surfing. The boys who won their division then moved onto the state finals at Trigg.

Once more, the boys were up early for the annual 2023 PSA Surfing competition. We were blessed with a clean, offshore three-foot Scarborough with a nice bank to ourselves. Senior surfers were up first, and Leon Butler, Frank Birch and Jake Yeo all surfed well, finishing a close second in our division to Scotch who out shred us on the day. Senior bodyboarders Max Yeo, Sam Harding and Lenny Badger posted excellent scores with the boys taking out their division.

Junior surfers Joel Renouf, Lawson Kirby and Harry Pazin surfed well. The boys fought well against a challenging Scotch and Hale for third spot in their division. The Junior bodyboarders did not disappoint, with the likes of Jake Jordan, Hudson Woodard and Declan Church contributing. The boys finished up in second place, and for the fourth year in a row CCGS was announced PSA Surfing champions.

August came around for the annual WA School Surfing Titles. In Senior Surfing, Leon Butler and Jake Yeo were up first against some tough competition from Cape Naturaliste and Sacred Heart. We gave it a crack but unfortunately got knocked out. Declan Church and Jake Jordan in Junior Bodyboarding were up against some tough competition from Margaret River. Sam Harding and Max Yeo put on an absolute clinic for Senior Bodyboarding. They came up against Yancheap in the final and won it with ease, being crowned State School Bodyboarding champs, an outstanding achievement.

Overall, it was another successful CCGS surfing year. We'd like to thank Mrs Bronwyn Fricke for leading us to our fourth consecutive PSA Surfing title and another Metro Zone 4 trophy. We'd also like to thank Mr Will Greenwood for coaching the bodyboarders.

# TENNIS

JAYDEN JUSUF / CAPTAIN OF TENNIS

After nearly bringing home the Corr Cup in 2022, the squad was looking strong, with team members Archie Brown (Year 11), and the duo of Jake Carlson (Year 8) and Samuel Lee (Year 9) dominating. After a rough first game with a disappointing loss against the well-drilled Trinity, the team bounced back, winning every game but disappointingly losing to Wesley in the finals.

Despite again being placed second and failing to take back the trophy to Christ Church, each game the boys played their hearts out and put it all on the line. With it being Mr Rob Kilderry's last season coaching the tennis team, we desperately wanted the win. However, it was not to be. The season ahead looks bright and with a new coach, the future looks hopeful for the team.

The Second VIII also proved to have strong players, remaining undefeated all season.

Honourable mention goes to Archie Brown who played the number one spot the whole season, only losing two games. The undefeated duo of Jake Carlson and Samuel Lee remained undefeated in the younger team competition.

Special thanks go to the First VIII staff, Mr Drew McDonald and Mr Kilderry, for their hard work and dedication to the team and for making this tennis season very successful. Good luck and best wishes to Mr Kilderry who is retiring after a very long and successful coaching career at CCGS.

# VOLLEYBALL

ETHAN YEM / CAPTAIN OF VOLLEYBALL

**It was an exciting and rewarding 2022-23 volleyball season, with the CCGS First VI finishing third on the PSA ladder.**

The most memorable game was our exhilarating win against Wesley during the first part of the competition. All our training, teamwork, determination and grit culminated in this thriller, which lifted the team for the remainder of the season.

Special mention to newcomer Miles Wylynko (Year 12) with his massive blocks and spikes at the net. Our team, led by Co-Captains Bailey Alcock (Year 12) and Travis King (Year 12), kept the Christ Church spirit high throughout the closest of games against some very tough competition.

The CCGS Second VI also had a good season with six wins and six losses. The standout game was the very last fixture against Wesley, winning 3-1 with two of the sets going down to the wire at 26-24. It was an amazing effort by the team, including Gary Xu's (Year 12) memorable jump top spin serves.

The 10A team had several exciting encounters with Aquinas, Scotch and Trinity testing their skills, resilience and perseverance. They won lots of epic rallies, thanks to their teamwork and hustle, as well as the hard work of all players including MVP Rohan Shrestha (Year 9) and most improved player Arjun Brian (Year 9).

When asked about our future volleyball stars, head coach Mr Gareth Whitehead commented, "I have high hopes for all the players on the team. The passion that they've shown is very promising for what Christ Church Volleyball will look like in the future and its continued success."

The players wish to send their thanks and gratitude to an amazing and dedicated off field team, including Mr Gareth Whitehead, assisted by Mr Julian Kam, Mr Jeremy Power and Ms Taylor Marsh.

# ABORIGINAL AND TORRES STRAIT ISLANDER PROGRAM

SAM WALLACE / CO-ORDINATOR

**This year we welcomed two Year 7 boys to the Aboriginal and Torres Strait Islander Program – Troy Farrell and Michael Penny. The boys were excited to start at CCGS, with the older boys ensuring that they settled into life at the School.**

We started the year with a Welcome to Country at Kings Park, hosted by MADALAH and Future Footprints. At this event, Dylan Shillito and Jayden Boundary give us Noongar dance lessons.

In collaboration with St Hilda's, we designed and painted two Akruha hats. The process took several sessions and involved collaboration with the St Hilda's Aboriginal and Torres Strait Islander students. The hats were then auctioned at the MADALAH Ball to raise funds for future scholarships. St Hilda's also invited us to participate in their Reconciliation Week sand mural.

We helped mix the sand and lay it out in a pattern to represent the four St Hilda's Houses, as well as animals from different regions of WA.

We celebrated yet another successful NAIDOC Week with the art exhibition and dance.

We collaborated with Blank Walls, Perth and London-based mural creators, and invited old boy Irwin Lewis to help us create a mural for outside the canteen.

The process started with brainstorming ideas about how we could link the mural to the area in which the murals would be situated. The idea was to create murals around bush tucker, hunting and different native food sources. We designed four different murals around the themes of saltwater, freshwater, waterholes and land, to ultimately form one body of work.

Each boy was assigned a mural and had to paint an animal associated with the theme. Once painted, we incorporated animal tracks and tools that might be used to hunt them. Finally, we painted the colours on the murals and tried to make each mural flow into the next to form one body of work.

We invited Dylan Shillito, a Wadjak Ballardong Noongar man, to once again teach us Noongar dance. We really enjoyed learning about each dance and practising the different movements. We then performed the dances learnt at the NAIDOC Week Assembly and all the boys were extremely proud of their performance. Keiyon Billy (Year 8) then demonstrated and explained some of the dance moves to the Kindergarten to Year 2 students.

We are looking forward to celebrating Aboriginal and Torres Strait Islander cultures and histories next year.

# ART

## Schools embrace art for health

Students at Shenton College and Christ Church Grammar School readily embraced a creative program to promote arts engagement for mental wellbeing.

The Schools Challenge was part of the Good Arts, Good Mental Health (GAGMH) Project led by Dr Christina Davies, director of UWA's Centre for Arts, Mental Health and Wellbeing.

Christina's PhD, titled 'Healthy Arts?', revealed that people should engage in the arts for at least two hours a week for good mental health.

Students from Christ Church Grammar designed promotional artwork for the Good Arts Mental Health campaigns.

She is the lead author of *The Art of Being Mentally Healthy*.

"There are still a lot of art forms that people don't recognise as being arts," she said.

"Listening to music or a podcast, reading a book or mindfully colouring in pattern books all qualify as arts because an artist had to make or create those things."

"Students get the concept of arts straight away."

Many other people will remember the Life, Be, Be It campaign to encourage people to engage in activity and exercise. We aim to do the same with the arts.

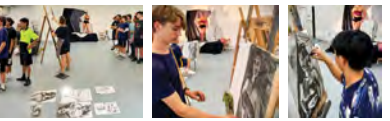

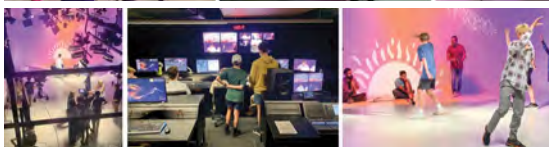

The Life, Be, Be It campaign started in 1975 with a cartoon crutch potato. Noun, who was lazy and overweight.

Sport and exercise is part of everyday life, but Christina notes the arts were lagging behind.

"Just like sport, taking part in the arts for entertainment or as

Students created designs including posters, advertisements, online reels, CD covers and even laptop stickers.

**PERTH, WA**  
**CHRIST CHURCH**  
**GRAMMAR SCHOOL**  
**RHYS BARRY / YEAR 10**

I arrived in Perth from Michaelhouse in KwaZulu-Natal, South Africa on 8 October, and was immediately taken aback by the beauty of the city and how everything worked so seamlessly. Compared to South Africa, it seemed a world apart. I came from an all-boys boarding-only school, so to attend Christ Church as a day boy was quite a contrast. Coming back each day to a homemade meal and a comfy bed was something that I could get used to! One similarity I noticed between Christ Church and Michaelhouse is that they share similar values and are inclusive of everyone.

**TONBRIDGE SCHOOL, ENGLAND**  
**WILL LEWIS / YEAR 10**

Spending a term at Tonbridge School was the best 11 weeks of my life! Whether exploring London, relaxing at my host's house or just a normal day at school, each day brought new opportunities and adventures. These included meeting people from across the globe, learning new skills, experiencing a different setting and lifestyle, and boarding. The experience was invaluable as it taught me how to deal with challenges associated with living in an unfamiliar place, as well as teaching me confidence, independence and organisation, all of which have helped me immensely since coming back home. There was also the added benefit of hosting an exchange student. Overall, it was an incredible experience, and one that I will hold with me for the rest of my life!

**SAINT JEAN, FRANCE**  
**MICHAEL DESOUSA / YEAR 10**

Saint Jean is a co-educational school in Saint-Quentin, a small town located two hours north-east of Paris. What surprised me most about the school was that students in Year 9 and above could leave campus during free periods and lunch. In addition, school started at 8.00am and finished at 5.30pm for most students. My host family were very kind to me and even cooked meals that my mum told them I liked. They also took me to places where Australians had fought and died defending France during the First World War. This made me feel a sense of pride in being Australian.

**MICHAELHOUSE, SOUTH AFRICA**  
**NICHOLAS DREYER / YEAR 10**

My exchange to Michaelhouse in Pietermaritzburg, KwaZulu-Natal in South Africa was a real eye-opener. One thing that completely blew me away was their love for sport and the atmosphere surrounding it. I had heard, but I never fully understood the level of devotion they truly had for it. This was especially evident when my school, Michaelhouse, beat their rivals Hilton College at rugby and thereby securing their 100th First team win. It felt almost unreal to be amongst thousands of students and supporters as we rushed onto the field, getting soaked in sparkling wine as we screamed out for joy of breaking the seven-year losing streak. This was by far my favourite experience of the trip and a memory I will cherish for life.

# BOYS' HEALTH AND WELLBEING

SAM GRAYLING AND AMAN SHETTY / WELLBEING PREFECTS

**In the space of health and wellbeing at Christ Church, our goal this year was to improve upon and instil positive mental health in the boys.**

Mr Brad Gardner stepped in this year as the new Head of the Wynne Centre for Boys' Health and Wellbeing and as the Head of the Student Wellbeing Committee. With his help, we were able to run some initiatives including a Year 7 versus School Prefects dodgeball game that celebrated the Year 7 transition week.

Another strategy to foster and improve boys' mental health was the Ride2School week, an initiative that saw a collaboration with the Student Environmental Committee. A table tennis tournament was widely popular and saw huge involvement from the younger years. International Day Against Homophobia, Biphobia and Transphobia (IDAHOBIT) week, as well as guest speeches, helped spread awareness of mental health groups like the R U OK? suicide prevention charity.

Looking back on the year, we felt that we accomplished what we set out to achieve, creating a space where boys can learn to be vulnerable and be their authentic selves. We wish the Health and Wellbeing Prefects for 2024 a successful year.

# COMPUTER SCIENCE

CHRIS ANDERSON / HEAD OF COMPUTER SCIENCE

**2023 was another enjoyable year in the Computer Science Department with boys having the opportunity to participate in plenty of fun and engaging projects. Highlights included creating a suburban scene and writing a Choose Your Own Adventure story using Python, creating database driven websites, exploring how to protect your device from other people accessing your data, and techniques for penetration testing of a network.**

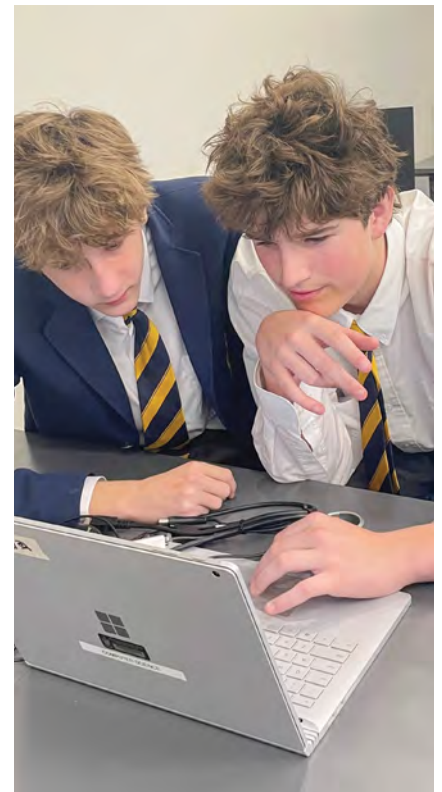

This year saw the introduction of a new Year 11 ATAR syllabus, which was well received by the students. The new syllabus has a much greater focus on the analysis and application of key Computer Science concepts, making for a challenging yet enjoyable course. The inclusion of open-ended projects, in which students are given the freedom to design their own software systems, allows for an in-depth exploration of the relevant programming and database development skills, and the ability to apply those skills in a context of their choosing.

The Year 10 Ethical Hacking class competed in the annual CyberTaipan competition, in which teams were required to set up virtual computers and secure them against external threats to prevent hackers from gaining access. Once again this was an enjoyable learning experience for the boys, with the team of Luca Campitelli, Darcy Finch, Jamie Thom and Zachary Tay achieving a score that placed them in the top five teams for the second round.

## CYBERTAIPAN

DARCY FINCH / PARTICIPANT

The CyberTaipan training exercise, hosted by the USA Air Force, is a 'blue team' experience. The term, blue team, refers to the group responsible for protecting an organisation against simulated or real-world attacks. Teams aim to prepare a computer's defences in the face of an oncoming attack. They must fix vulnerabilities over a four-hour period and are awarded points for each vulnerability they discover and fix. The goal is to qualify for the national competition, by ranking in the top 20 teams nationally. After two challenging and arduous rounds, with teams aiming to be as close as possible to the 200 point maximum, the CCGS team placed third in the second round.

# DESIGN AND TECHNOLOGY ENGINEERING

ALEX COULTER / TEACHER IN CHARGE

## CO2 DRAGSTERS

The CO2 Dragster Competition is an engaging and educational STEM (Science, Technology, Engineering and Mathematics) activity that challenges students to design, build and race small-scale dragster cars powered by carbon dioxide (CO2) cartridges. Students have to apply principles of physics, aerodynamics and engineering to create streamlined, aerodynamic cars capable of reaching high speeds on a straight track. They design their dragsters using various materials, considering factors such as weight distribution, shape and friction to optimise performance. The excitement peaks when students race their CO2-powered creations against each other to determine which design is the fastest. This year, several Year 9 students won awards in the state competition and then progressed to the national finals:

**Oliver Chi - Outlaw Division**  
1st (Nationals)

**Flynn Grainger - Outlaw Division**  
1st (State) and 2nd (Nationals)

**Joshua Bailey - Outlaw Division**  
3rd (State) and 6th (Nationals)

**Oscar Blackwell - Wood Division**  
1st (State)

**Benj Williams - Wood Division**  
3rd (State)

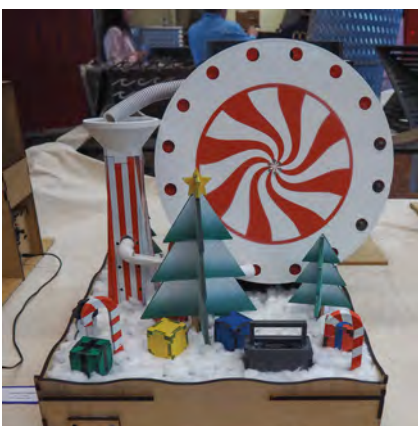

## SCIENCE AND ENGINEERING CHALLENGE

The Science and Engineering Challenge is an interactive and competitive event designed to inspire and engage students in the fields of STEM. Organised as a series of hands-on activities and challenges, the event encourages participants to apply scientific principles and engineering concepts to solve real-world problems. Students collaborate in teams to design and build solutions for tasks ranging from constructing bridges and creating water rockets, to solving complex mathematical problems. It also encourages students to envision exciting possibilities for their future careers in these fields. This year, we sent a mixed Year 9 and 10 team of 32 students to compete in the challenge. While they experienced great success, finishing third in the State, they narrowly missed out an invitation to the national competition.

## A MIDSUMMER NIGHT'S DREAM

Under the vision of director Mr Gregory Jones, an ensemble of Year 10 to 12 students embarked on staging a reimagining of William Shakespeare's classic *A Midsummer Night's Dream*. This comic play was written around 1595 and is set in Athens. It consists of several subplots that revolve around the marriage of Theseus and Hippolyta.

Returning to Subiaco Arts Centre, the cast worked tirelessly to create the action. Set around the royal wedding of Theseus and Hippolyta, havoc breaks loose when Puck, 'a mischievous fairy', cheekily tampers with four Athenian lovers. After many hijinks and the casting of love spells, the narrative concludes at the wedding where the band of loveable mechanicals stages a wonderful production of love, honour and comedy, entitled 'Pyramus and Thisbe'. Much like the mechanicals, our final product was something we were all incredibly proud of – and considered quite hilarious.

What was unique to our show was that the CCGS band Dune Cartel performed music on stage, which underscored some fantastic dance scenes and invited our audiences into our magical world. Year 12 band mates Luke Annear, Reuben Brady, Sam Gibson and Liam Goebel brought a distinct zest to the performance that all cast mates were able to bounce off. There were stellar performances throughout the cast, with Year 11s Jonah Hanikeri and Jack Robertson producing some expert fight choreography, and Year 11 Hudson Black's rendition of Bottom, the weaver, proving to be a fan favourite.

A huge thanks must go out to the production team of Mr Gregory Jones, Mrs Jay Waugh, Ms Sarah Duyvestyn, Miss Tess Reuvers, Jonny Hamdorf (Year 12) and Emma Haines who were able to bring their ideas together to form a truly captivating interpretation of *A Midsummer Night's Dream*.

## **TOUR - ON THE ROAD TO WIN FRIENDS AND INFLUENCE PEOPLE**

The Midnite Youth Theatre Company (MYTC) tour began in the beautiful city of Paris, with a company of 24 performers from various schools. In Paris, we saw many of the iconic tourist attractions, such as the Eiffel Tower, the Louvre and the Arc de Triomphe.

After a few days in Paris, we travelled to London via the Eurostar. In London we experienced the Borough Market, the Globe and The Shard. In London we also had our first performance of *On the Road to Win Friends and Influence People*. We then left London, stopping at Harry Potter World, and travelling to Bath by coach. The scenery of Bath was truly breathtaking. We had our second performance in Bath, and the cast once again presented to an extremely high level. Afterwards, we said our temporary farewells as we were to spend the following three nights with local families in Warwick. This was an amazing insight into everyday life and a highlight of the tour. We then performed at the Bridge House Theatre in Warwick for the families and students, where we gave a stellar performance.

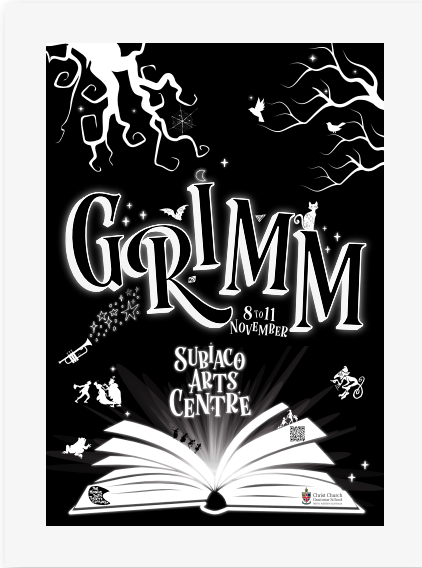

We also visited the Royal Shakespeare Company and had many chances to watch multiple plays on our journey. On our way to Glasgow, we stopped in Manchester for our fourth performance, before continuing through a white countryside coated in powdery snow. In Glasgow, the final stage of our tour, we had two performances, both of which went very well. The 2024 MYTC tour was the opportunity of a lifetime, and something I will never forget.

## GRIMM

The Midnite 2023 season had a fairy-tale ending when Years 7 to 9 students from a number of local schools brought *Grimm* to Subiaco Arts Centre. *Grimm* is an original play, written by our very own Mrs Jodie Busby. The dark themes of the Napoleonic Wars in the 1800s were contrasted against the satirical humour in some of the fairy tales, making for an interesting and thought-provoking production that had people on the edge of their seats for the entire 75-minute production.

With a cast of approximately 45 students under the direction of Mrs Busby and Ms McCormick, as well as the watchful eyes of Year 11s Zac Leedman and Matthew Bennett, the stories of the Brothers Grimm came to life. These included classics such as *Little Red Riding Hood*, *Hansel and Gretel* and *Snow White*. However, it also showcased lesser-known stories, such as *The Three Snake-Leaves* and *The Boy Who Left Home to Find Out About the Shivers*. These fables were interwoven with the story of two families; the Grimms and the Wilds who struggled through poverty and war in the wake of the little Emperor's campaign across Europe.

The fairy-tale dreams were brought to reality by our wonderful set designer Ms Sarah Duyvesten and lighting designer Miss Tess Reuvers. It included smoke machines, magic mirrors, a puppet show and even a secret trapdoor built into the floor of the set! Our diverse range of costumes, specially tailored to each actor, were masterfully assembled by our costume designer Mrs Jay Waugh. This brilliant collaboration of creative minds also included Christ Church old boy Sam Robins.

Closing night had us reminiscing about the friendships we had made, and the huge feats of acting accomplished by the cast. With it brought a fantastic, almost fairy-tale ending to a fruitful 2023 Midnite Youth Theatre season.

## SENIOR CREATIVE WRITING PRIZE

NIC CRADOCK / YEAR 12

*AUTHENTIC AUSTRALIAN: A SHOPPING LIST FOR SUCCESS*

I scramble into my pocket and pull out the shopping list Chanel wrote out for me on the back of a phone bill. That's the Australian way, last-minute scribbled shopping lists.

My actions of late have to be in line with Australian values as the department is undergoing an 'internal review', which is a backhanded way of saying, 'immigrant employee investigation'. Working for a government department, these reviews are common.

During the last 'internal review' a Chinese woman's employment was terminated for secretly homeschooling her children to speak primitive Mandarin. The one before that, an Indian man was found to have liked an Instagram post of his home-country's soccer team conducting a warcry against climate change. Having recently raised suspicion for using Bram's password, I know my conduct will be investigated with a fine comb.

I will show them I am not like the rest. I am dedicated. I am Australian.

Entering the store, I ensure my mask is on properly. I love wearing my mask. I'm not worried about the viruses persay, but my mask allows me to hide the more ethnic features of my face. It's also packaged with additional features of invisibility and ensuring my fellow Australians that I have their own health at heart.

The downfall of masks is that I can only interpret one's eye movements as to whether they're inspecting me. Department agents could be anywhere, watching, waiting and writing.

Stick to the list, I repeat like a metronome in my mind. I begin to cross-off items:

- Femicare Tweezers

I purchase a pink pair with a teal stripe for Chanel. She likes to pluck her eyebrows to match the women on the packaging with thin proportionate eyebrows of true Australian aesthetics. A bottle blonde mother using her pram as a shopping cart grabs a pair for herself. Her eyes furrow in confusion towards my own purchase, after all, Australian men never groom themselves. "They're for the wife!" I assure her. Her eyes widen in understanding as she scribbles in her notepad. Is she writing notes on me?

- Maggi Thai Noodles

They're sold out, so I ask the worker to search the back, a classic Australian request. The bottle blonde woman's eyebrows raise, seeming impressed by my request. She glazes her pen across her notepad once more. She must be with the department. I think I'm passing her test. The worker returns and says they're out from supply chain issues with flooding, suggesting another brand, Taeng's Thai Noodles. The bottle blonde woman fills my peripheral vision. I decline. Those noodles are actually Thai, whereas Maggi fulfill the illusion of Australian ethnic toe-dipping cuisine.

- Kleenex Toilet Rolls

I purchase the bundle major pack. Australians do love bargains, but they love real estate even more. And the more rolls you buy, means the more bathrooms, means the bigger your house is. The bottle blonde woman must be impressed. We can simply stock the excess toilet paper in Sydney's old room. The smell of teenage boy still lingers, detracting visitors, a perfect hiding spot. In the cellophane reflection of the packaging I can spot the bottle blonde woman, still following me, still buried in her notebook.

- Colgate Toothpaste

I personally prefer the feeling of Oral-B on my gums but Chanel is right, Colgate is the Australian way. I suppose whatever makes the breath smell sweet. It's always the second worry Australians have towards foreigners. First, national security. Second, smell. Which reminds me, did I forget to wear deodorant this morning? Is that why the bottle blonde woman is trailing slightly behind? I sneak in a spray of Lynx off the shelf.

- Mullah Munchies

I grasp the box, the childish cartoon depiction of a mauled muslim being turned into Coco Pops staring back at me. I hate the taste of this brand. But the bottle blonde woman places two boxes in her pram. I take three to be safe.

- Lynx (extra addition)

I quickly jot back to the toiletry aisle, I used that Lynx spray, I have to purchase it. Honesty is an intrinsic Australian value.

- ANZAC biscuits

Chanel hasn't listed a brand so I'm left to choose between my past favorite, Mumma's Bikkies, and a new enticing brand, Aussie Heroes Bites. Do I stick to the past or try something new? I can't decide. I'll let Chanel pick when she does the next shopping trip. The bottle blonde woman flicks a large strike in her notebook. Did I do something wrong? She purchases a bag of Aussie Heroes Bites. I knew I should've got those.

- Coles Salad Mix

I ensure to get the one with bacon in it, Australians love their pork, so therefore I do too. Getting a meat-free option could also be labeling myself as a vegetarian. Or worse, vegan. I can't take that risk, especially with Sydney off-grid. If anything ever went awry with his happy farm then the bottle blonde woman could always defend my character with the bacon infused Coles Salad Mix.

- Heinz Beans

Why did Chanel ask for this brand? She must have forgotten. Heinz has been condemned in parliament for placing 'carbon free production' labels on their cans. It was a misprint of labelling meant for New Zealand of course, but the consequences still apply. Has the bottle blonde woman seen this brand on my list? This could be the end! While her eyes dart away, I swiftly rip the paper, erasing all evidence of this item on my list.

On my way out, a standee of donuts speaks to me. Should I grab a dozen for work? I decide against it. The bottle blonde woman could see it as compensating for wrongdoing.

I strut into the AI-checkout like a true Australian. The machine scans my items one by one.

The bottle blonde woman is posted like a soldier at the checkout next to me. She joins up with a man purchasing sausages, onion and white bread, softly pecking him on the cheek.

I forget to place my toothpaste in the machine, an honest mistake. The machine barks, "item not in bagging area". Unable to handle my intolerance, the machine then strips away my invisibility by temporarily blaring a red flashing light.

The bottle blonde woman and white bread man shoot suspicious looks my way. I combat this with a relatable remark, "Thank God they brought back one-use plastic bags!" They squint their eyes in a smile and return to their scanning. Did I pass their test? Truth be told, I moved to Australia after the reusable bag ban. Did they know I was lying?

On her way out, the bottle blonde woman tears the pages out of her notebook and tosses them in a trashcan. I must've passed the test! She doesn't need her notes! Subtly, I swipe the pages from the trash to see their contents. To my surprise, it's nothing more than a measly shopping list with items crossed off.

If the bottle blonde woman wasn't watching me, then who was?

## WINNER OF THE PD NAISH POETRY PRIZE

SAM SINGLETON / YEAR 12  
*DANCER, FIGHTER*

The lamp rests steady  
Behind a sea of black lingers.  
The flame, dances and rides,  
Upon the rhythm of passing breeze  
Bringing a light,  
A little bit of warmth,  
To the surrounding darkness.

And for long the flame rages  
Neatly seated in her little glass cage,  
Petit to any wandering eye  
Yet ferocious to those close by.  
The dancer draws its fuel  
And once again lurches with evermore joy.  
But such is bound to exhaust.  
The flame sucks more.  
Faster.  
Harder.  
The darkness closes in on that little dancer  
Creeping from its surrounds,  
Crawling towards the bastion.

Our flame fight on,  
Flickering: spirit of resistance,  
Fierce to the touch,  
And malleable to blow.

The flicker grows lower regardless  
Calling and gasping,  
Yet choked from within.  
Such is the plight of the little flame of the lamp,  
The little warrior,  
Upon the moment I chose to dream.

## LOWER SCHOOL CREATIVE WRITING PRIZE

INURA KONDASINGHE / YEAR 8  
*SLUMBER IN THE SKY - EXPOSITION*

Death drew near, following me closer than my own shadow. I was tainted by that insidious tumour inside me, that had killed others without prejudice. Each day was a relentless journey, my bike carrying me forward, my thoughts never completely escaping the clutches of this haunting disease. Yet, one stubborn truth refused to let go of my mind – I was still alive and, by some inexplicable miracle, well. I should have been hospitalised, unable to move a muscle, but one thing remained undeniable: in a few days, my conscience would cease to exist, or so the doctors had said.

The clock's relentless march carried me to the final hour of the day, and a slightly longer shadow was cast on the sands of my remaining life. My end loomed on the horizon, a sombre but undeniable presence. It was then, with a heavy heart and aching limbs, that I chanced upon a breathtaking sight.

Azure shimmers danced across the evening sky, a magnificent contrast against the profound midnight blue, so deep it seemed to stretch into eternity, resembling a boundless ocean. I paused, my journey momentarily forgotten, captivated by the sheer magnificence of this celestial spectacle. Sapphire streaks painted the heavens as though the gods themselves had learnt how to wield a paintbrush. The setting sun transformed white dandelion seeds into delicate golden parachutes that drifted on the breeze.

For that fleeting moment, I embraced the self-evident beauty, allowing it to wash over me, filling my senses with awe and wonder. The cool, crisp caress of the evening air on my skin soothed me, as if nature herself was granting me a tender farewell. The air was thick with the scents of fresh grass and dewdrops, filling me with happiness and conjuring a flurry of cherished memories.

# HEALTH AND PHYSICAL EDUCATION

LUKE FARMER | HEAD OF HEALTH AND PHYSICAL EDUCATION

During Term 2, I was fortunate to be on long service leave and travelled to Europe. It was there that I fell in love with pickleball, which is a paddle sport that combines elements of tennis, badminton and ping-pong using a paddle and plastic ball with holes. Recently, this sport has developed a strong presence in Western Australia. It has taken over as an amazing summer recreational opportunity.

On my return to CCGS, I launched the sport in Physical Education, mainly aimed at Years 10 to 12. The positivity, enjoyment, social interaction and fitness it brought to our students has been exceptional. The Physical Education Department ran lunchtime competitions during Weeks 6 to 8 in Term 3.

Congratulations to the following boys who were our pickleball champions of 2023:

## YEAR 10

Oscar Hacking and Hamish Sewell

## YEAR 11

Archie Brown and Akshay Nadkarni

## YEAR 12

Guy Davies and Luke O'Callaghan

## OVERALL

Archie Brown and Akshay Nadkarni

We look forward to including this sport in the Physical Education curriculum in 2024, while also providing social recreation opportunities for our broader community.

# HUMANITIES

ANDY GREIG / HEAD OF HUMANITIES

## CLASSROOM ACTIVITIES

Humanities classrooms studied significant local, national and international events including:

- The Voice to Parliament referendum;
- application of historical perspectives to the current geopolitical tensions and global conflicts;
- functioning of the Australian economy and issues such as high inflation;
- geographical implications of global warming and natural disasters.

## COMPETITIONS

Competitions extend students and provide an opportunity to compete against top performing students from other schools across the country. In 2023, they included the following:

### YEAR 7

ESSI Money Challenge

### YEAR 7-9

Australian Geography Competition  
 Australian History Competition  
 Western Australian Philosothon  
 Middle School Ethics Olympiad

### YEAR 10

Australian Geography Competition  
 GAWA Young Geographer of the Year Award  
 Australian History Competition  
 The Simpson Prize  
 Plan Your Own Enterprise Competition  
 ASX Sharemarket Game  
 Model UN Conference  
 Senior School Ethics Olympiad  
 Australian Economics Olympiad

### YEAR 11

ASX Sharemarket Game  
 Australian Geography Competition  
 Model UN Conference  
 Australian Economics Olympiad

### YEAR 12

Australian Economics Olympiad

## SIGNIFICANT AWARDS

**Fergus Khoo (Year 7)**  
 Most Promising Philosopher Award

**Terence Zhao (Year 7)**  
 State winner, Australian History Competition

**Rohan Shetty (Year 9)**  
 Winner, WA Philosothon

**Jetlen Egerton-Warburton,  
 Lachlan Evershed, Max Harrison,  
 Sam Hoy and Oscar Narvaez (Year 10)**  
 Winners, WA Senior School Ethics Olympiad

**Tommy Greenshields (Year 10)**  
 State winner, Australian  
 Geography Competition

**Alex Lewkowski and  
 Brook Wang (Year 10)**  
 State winners, Plan Your Own  
 Enterprise Competition

**Aidan Lim (Year 10)**  
 State and national winner, Australian  
 History Competition; Young Geographer  
 of the Year Award

**Henry Macrae (Year 10)**  
 State winner, The Simpson Prize

**Hawk Hughes (Year 12)**  
 High Distinction, Australian  
 Economics Olympiad

# HUMANITIES

## EXCURSIONS AND EVENTS

- Year 7 students visited the WA Museum Boola Bardip as part of their study of Ancient History.
- Year 8 Humanities students attended WA Parliament as part of their study of Civics and Citizenship.
- Year 9 students enjoyed a day at the zoo to enhance their study of biomes in Geography.
- Year 10 Geographers completed fieldwork at Port Beach, Coogee Beach and Rockingham as part of their study of coastal erosion and alternative uses of coastal regions.
- Year 11 Geographers had a day trip to Rottneet to explore the impact of tourism on the local environment and strategies in place to minimise the impact of visitors.
- Year 11 Modern History students had an excursion to the Holocaust Institute of WA, where they participated in a presentation on the Holocaust period from the grandchild of a Holocaust survivor.
- The top six Year 12 Economics students participated in the Chamber of Commerce and Industry Student Forum.
- Year 12 Geographers completed fieldwork around the Swan River as part of their study of local waterways.

With so much being added to a busy schedule, it is fitting to recognise the hard work and dedication of all Humanities staff who worked to create a wide range of enriching and challenging learning experiences for the boys at Christ Church.

# LANGUAGES

VINKO SHAIN / HEAD OF LANGUAGES

## LINGUISTICS OLYMPIAD SUCCESS

This year, 28 students participated in the state round of the Australian Computational and Linguistics Olympiad. Two Christ Church teams achieved the highest honours in their respective categories. The Year 11 team, of Aaron Goh, Ben Rippey, Jeremiah Wang and Andy Wu, claimed first place in the senior category. The Year 10 team, of Kenny Hao, Magnus Myles, Narendran Reddy and Lucas Zhang, achieved first place in the junior category. These boys earned the right to represent Western Australia at the national round held at UWA, competing against teams from other states around the country.

## LANGUAGE COMPETITIONS

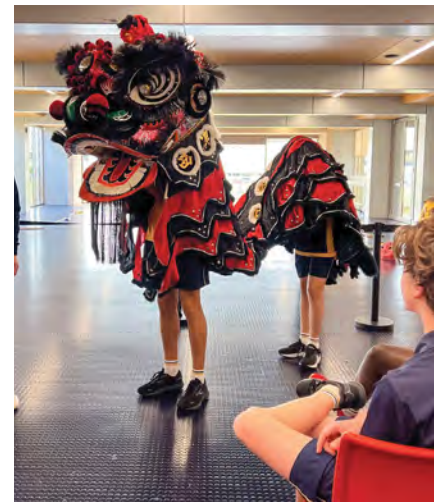

Years 7 to 10 Chinese classes continued their success in the various Chinese Language Teachers' Association of WA competitions. Three noteworthy performances earned accolades in their respective categories: Aaryan Lathia (Year 7 First Prize – Speaking Competition), Matthew Luo (Year 8 Excellence Award – Writing Competition) and Luca Campitelli (Year 10 Excellence Award – Writing Competition).

Students in Year 11 and 12 French participated in the Alliance Française Examinations. David Esterhuysen (Year 11) achieved an overall written examination mark of 70 out of 80, earning him the opportunity to sit an invite-only speaking examination at the state headquarters in Nedlands. After impressive submissions, Ethan Koekemoer (Year 7) and Ethan Di Martino (Year 9) earned the chance to participate in the Alliance Française Poem Recitation final, reciting "L'oiseau du Colorado" and "Les sources de la nuit" respectively.

Year 9 Japanese students took part in a school-based haiku competition, attempting a style of Japanese poem, based on the topic of winter, and limited to 17 syllables over a three-line structure (five-seven-five). Stephan Shen, Michael Vun and Jared Yek were the eventual winners and showcased their linguistic aptitude and imaginative sides to create some vivid imagery through language.

## THE GROWTH OF LANGUAGE ENRICHMENT

Following the success of the Chinese Enrichment Workshop launched last year, 2023 saw a significant increase in enrolments from background and non-background learners of the language. Sessions continued to be an age-appropriate learning experience in which students were challenged to use the Chinese language as a means of communicating and problem solving. Students had the opportunity to work through personal projects pitched at an advanced level of Chinese, showcasing their talents. Callum Chesson, Matthew Luo and Riki Rhee were also recognised for their efforts in the Hanyu Shuiping Kaoshi (HSK), or Chinese Proficiency Test, earning themselves globally recognised certificates.

# LANGUAGES

## BQD LANGUAGE IMMERSION EXCHANGES

The pandemic brought a temporary halt to our overseas exchange program Beyond Queenslea Drive (BQD). However, 2023 saw the program re-start in an overwhelmingly positive way. Four Year 10 French students (Christopher Berg, Michael de Sousa, Tommy Greenshields and George Moore) attended Saint-Jean et La Croix in Saint-Quentin, northern France, and following this, hosted exchange students during their immersion at Christ Church. Ewan Calder and Chris Shen (Year 10) also took part in the program, attending Hotoku Gakuen in Japan during Term 2. The boys then hosted their Japanese host brothers at Christ Church in Term 3 to complete the reciprocal exchange experience.

## LANGUAGES WEEK

Languages Week once again had an array of activities within and outside of the classroom. A bubble tea stand brought by Claremont's own Machi Machi was a hit to kick off the week of culinary activities. Year 7 French classes made authentic crêpes while the Year 9 French students were immersed in a cheese raclette masterclass. Year 9 and Year 11 French classes also explored their language through film with excursions to the Alliance Française French Film Festival at both Windsor Cinema and Luna on SX. The Year 8 Foreign Film Festival was another hit during the week, with around 100 students coming to view films in Chinese, French and Japanese.

The Year 9 and 10 Chinese classes went to Northbridge to experience the authentic Chinese culture that Perth has on offer, making dumplings and enjoying a banquet of Chinese cuisine and cooling off with some refreshing bubble tea. Around 50 Year 9 and 10 students across all languages took part in the annual Languages Quiz at Methodist Ladies' College (MLC), enjoying some delicious treats in a competitive forum. Another highlight of the week included six of our most dedicated Year 11 language students coming in at lunchtime to teach some introductory language classes to the Senior School staff. Callum Chin and Jeremiah Wang (Japanese), Kai Mahalingham and Riki Rhee (Chinese) and Cy Lendich and Noah Rucklidge (French) treated their teachers to some survival phrases and ran some interactive activities in the various challenging elements in each language.

## AUTHENTIC DINING EXPERIENCES

The Year 11 French class was treated to a night of authentic fine dining with the students from MLC at La Bastide in Shenton Park. They enjoyed an array of authentic delicacies while participating in quizzes and challenges in French language and culture. The Year 12 French students were also joined by the MLC students for a premiere culinary experience at Madeleine in Highgate. After their Semester 2 examinations, the Year 11 Japanese students finished their year with an authentic izakaya dining experience at Furaibo in Perth city.

# LIBRARY

LIA DE SOUSA / HEAD OF SENIOR LIBRARY

The Senior Library is a little like a choose-your-own-adventure story – when you come, there are many options of what you could do.

## CHAPTER 1: THE QUEST FOR YOUR PERFECT READ

Inside, the library stretches out before you, shelves overflowing with books. Do you:

1. Head to the fiction section?  
Turn to page 13.
2. Explore the non-fiction area?  
Turn to page 44.
3. Not actually here for reading?  
Turn to chapter 2.

## CHAPTER 2: A WORLD OF GAMES

You find yourself with an array of choices, but you only have lunchtime. Do you:

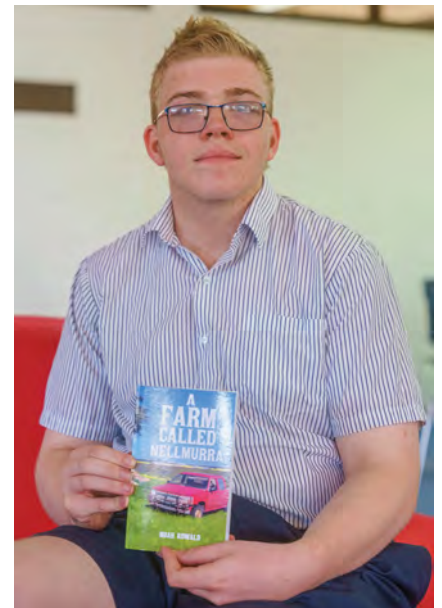

1. Join the ever-popular games table at the top of the library? Turn to page 6.
2. Stick the tried and tested – Jenga, chess or Uno? Turn to page 25.
3. Remember that you have a test period 5?  
Turn to chapter 3.

## CHAPTER 3: IT'S BEST TO STUDY

As much as you want to join the others in a game, you know your Biology test is only 20 minutes away. Do you:

1. Find your friends who are testing each at the group tables? Turn to page 79.
2. Go into one of the quiet classrooms for private revision? Turn to page 10.
3. Realise you need some resources and go off to find a friendly library staff member?  
Turn to Chapter 4.

We loved having you in the Senior Library this year, whatever your reason for visiting, and seeing your passion and curiosity. Congratulations to 2023 leaver Noah Kowald for writing and publishing his own book, *A Farm Called Nellmurra*, with Mr Milton's help. You can find his book and other works by our students in the Senior Library.

# MATHEMATICS

TAYLOR PERVAN / HEAD OF MATHEMATICS

**This year, Christ Church Grammar School competed in a number of Mathematics competitions, achieving many outstanding results.**

In Term 1, selected students took part in the Kangourou sans Frontieres competition. With over six million participants each year, this is considered the largest Mathematics competition in the world. The following students received a High Distinction, placing them in the top three per cent of Australian participants for their division:

- **Jeffrey Pang** (Year 7)
- **Noah Yuen** (Year 7)
- **Darius Choo** (Year 8)
- **Nathan Wong** (Year 9)
- **Kenny Hao** (Year 10)
- **Aidan Lim** (Year 10)
- **Jeremiah Wang** (Year 11)

Christ Church entered teams in all three divisions of the Have Sum Fun competition, run by the Mathematics Association of Western Australia. This was run on Friday nights at Hale School, Churchlands Senior High School and Trinity College. The boys performed very well across the board. Congratulations to the combined Years 9 and 10 team consisting of Kenny Hao, Carlos Jin, Will Kempson, Caden Teng, Nathan Wong and Emmanuel Yuen. Well done, boys.

The Australian Mathematical Olympiad (AMO) is an invitational competition with approximately 200 students from Australia and New Zealand selected to participate. This year, we congratulate Carlos Jin (Year 9), Aidan Lim and Andy Wu (Year 11) who were selected to take part in this prestigious competition, run for eight hours over two days. Andy achieved a Gold Award, placing him in the top 10 per cent of students in this competition and Aidan received a Bronze Award, placing him in the top 50 per cent.

The Computational and Algorithmic Thinking competition gives the students the opportunity to develop their problem-solving skills through algorithmic thinking. Selected students took part in this competition early in Term 2, and we congratulate the following for receiving a High Distinction, placing them in the top two per cent of their division:

- **Archie Cashion** (Year 7)
- **Max Colvin** (Year 7)
- **Mason Heavens** (Year 8)
- **Jacques Sahel** (Year 8)
- **Manny Sandler** (Year 8)
- **Lucas Wei** (Year 8)
- **Carlos Jin** (Year 9)
- **Aidan Lim** (Year 10)
- **Rowan Segal** (Year 10)

The Australian Mathematics Competition is Australia's longest running, largest and most well-known competition for students. In Term 3, students were given the opportunity to participate. Christ Church achieved an incredible 51 certificates of High Distinction, awarded to students in the top per cent of their division. Prizes are awarded to students who achieve in the top 0.33 per cent (roughly one in every 300 students). This is an outstanding achievement, and we congratulate the following prizewinners:

- **Zachary Tran** (Year 7)
- **Harry Bolt** (Year 8)
- **Elliot Ho** (Year 8)
- **Lucas Wei** (Year 8)
- **Carlos Jin** (Year 9)
- **Will Kempson** (Year 10)
- **Aidan Lim** (Year 10)
- **Emmanuel Yuen** (Year 10)

The Australian Intermediate Mathematical Olympiad is an extremely challenging competition aimed at exceptional students in Year 10. Christ Church had students from Years 8, 9 and 10 take part in this. Congratulations to the following who achieved a certificate of High Distinction, placing them in the top 10 per cent of all competitors:

- **Justin Goh** (Year 9)
- **Carlos Jin** (Year 9)
- **Aidan Lim** (Year 10)

The Western Australian Junior Mathematics Olympiad consists of an individual paper sat online at the School, followed by a team event held at the University of Western Australia on a Saturday morning. This year Christ Church entered three Year 8 teams and one Year 9 team. The competition was very tough, and overall, the boys put in an amazing effort, representing CCGS with pride. Congratulations to Carlos Jin (Year 9) who came in overall third place for the individual event with a score of 38 out of 40. Well done to Inura Kondasinghe (Year 8) and Justin Goh (Year 9) who received Merit Awards. In the team event, our Year 9 team consisting of Justin Goh, Carlos Jin, Nathan Wong and Oliver Wright came in second place, only narrowly missing out on winning to a very talented Perth Modern team.

At the conclusion of this event, two very special announcements were made for contributions to Mathematics competitions throughout the year. Carlos Jin (Year 9) was one of three students from Western Australia to be selected to participate in the School of Excellence, a program that recognises exceptional mathematicians with the possibility of being chosen to represent Australia in the International Mathematics Olympiad. Andy Wu (Year 11) achieved the Phill Schultz prize for best overall mathematician in the Australian Mathematics Trust's Enrichment Program, achieving Gold in the AMO and Bronze in the Senior Mathematics Contest.

I would like to thank all students involved for the hard work and dedication shown this year. Finally, a huge thank you to the Mathematics Department for enthusiastically assisting the boys and ensuring the smooth running of these competitions.

# MUSIC

## MUSIC TO THE FORE

CHIARA KINGSWELL / DIRECTOR OF MUSIC

Music to the Fore marked the start of the Music calendar, with performances from Preparatory and Senior students. With the Chapel backdrop, the atmosphere buzzed with energy as the performers passionately brought their musical prowess to the forefront. From stirring solos to lively ensembles, the event set a resounding tone for the year ahead.

## AUSTRALIAN COMBINED SCHOOLS MUSIC FESTIVAL

NOAH RUCKLIDGE / YEAR 11

At the end of Term 2, 11 CCGS musicians took part in the Australian Combined Schools Music Festival. Hosted by MLC, the festival brought talented young musicians from across the country to Perth. In the orchestra we played a diverse range of pieces, from a dramatic opera prelude by Wagner to the rapid and exciting contemporary piece *Powerhouse* by Koehne. Over the four days, we all rehearsed strenuously. Although the music was challenging, it was ultimately a rewarding experience. Our rigorous work culminated in the Gala Concert in the beautiful Winthrop Hall at UWA. I loved being a part of such a diverse and skilled orchestra and being able to connect with fellow musicians from all around Australia.

# MUSIC

## COMBINED CONCERT

RIKI RHEE / YEAR 11

In May, boys and girls partnered up in their respective musical ensembles for the annual St Hilda's and Christ Church Grammar School Combined Concert. The talented musicians spent countless weeks rehearsing in preparation for the highly anticipated event, with this year's theme being 'A Night at the Movies'. The repertoire spanned across all genres from the Concert Band's fantastic rendition of *The Greatest Showman*, to the Symphony Orchestra and Choir's unforgettable performance of *Skyfall* by Adele. The night presented music for all audiences, while creating wonderful memories for the performers.

## ROCK AT THE ROSEMOUNT

CY LENDICH / YEAR 11

Students from Years 1 to 12 from the Rock Workshop program took to the stage at the iconic Rosemount Hotel in North Perth for this annual event. The crowd was treated to the culmination of months of hard work, a compilation of their favourite covers and originals, and an incredible sound and light show. The afternoon performance was a valuable chance for students to experience playing in a real concert venue for large crowds. Special thanks to the Director of the Rock Workshop program, Mr Jozef Grech, and all the Music staff and students for their hard work.

## ELLINGTON JAZZ NIGHT

WESLEY PEH / YEAR 11 MUSIC COMMITTEE MEMBER

This annual event, at the iconic Ellington Jazz Club, has always been a night-of-nights for the CCGS Jazz Cats. Sold out in a matter of minutes, the boys-in-blacks showcased the talents of Christ Church's swingin' Saxophone Ensemble, Big Bands 1 and 2, Coltrane Ensemble and Armstrong Ensemble, jazzing out breathtaking performances of hits such as *Fly Me to the Moon*, *Cantaloupe Island* and *Caravan*. Standout solos came from jazz legends, Ben 'Sax King' Kao (Year 12), Luke 'Bass Master' Annear (Year 12), Sam 'Guitar GOAT' Gibson (Year 12), James 'Tenor Titan' Tran, Wesley 'Whiplash' Peh (Year 11) and Joel 'Trumpet Genius' Renouf (Year 9). Of course, this wouldn't have been possible without our epic Ensemble Directors Mr Jayden Blockley and Mr James Chapman, and we extend a huge thank you to both.

## ROCK EXTRAVAGANZA AND RECORDING WEEKEND

JAI RODRIGUES / YEAR 11

On Sunday 5 November, Rock Workshop participants from Years 2 to 11 performed in the Chapel forecourt. With over 100 students involved, it was a celebration of the year's work. Year 11 bands bravely performed their original works, along with showstopping covers from Preparatory and Middle School bands.

Another innovation was the Year 11 and 12 band recording weekend. In the newly built studio, we witnessed Indoor Pigeons, Dune Cartel, Yellow Craft and So and So carefully record their originals with talented producer Mr Jozef Grech, who taught us the finer details of the art of recording.

# MUSIC

## SOLI '23

**CHIARA KINGWELL / DIRECTOR OF MUSIC**

Soli '23 was an extraordinary celebration of our Year 12 Music performers: the pinnacle of their musical journey. It was a performance that showcased a dynamic fusion of jazz, contemporary and classical pieces.

Thirteen exceptionally talented soloists took centre stage, each leaving an indelible mark with their unique interpretations. Accompanied by the Coltrane Ensemble, Symphony Orchestra, Chamber Orchestra, Combined CCGS/MLC Choir and a bespoke ensemble, performances resonated with the audience who showed their appreciation through rapturous applause.

I wish to extend heartfelt thanks to the ensemble directors and instrumental teachers for their dedication and guidance, making this incredible concert possible.

# ON QUEENSLEA DRIVE

**JARROD KAYLER-THOMSON /  
HEAD OF OQD**

It has been an absolute privilege leading the On Queenslea Drive (OQD) program since its inception in 2018. I have seen boys enter the program unsure about who they are, who leave the program with a clear vision of the young man they want to be.

It has been enjoyable seeing groups enter disconnected, then seeing their transformation to forming brother-like bonds as they shared stories, experiences and went through significant challenges together.

I wish to thank all the staff, parents, guardians and families, and all the young men with whom I have had contact over the past six years in OQD. I will remember leading this program for the rest of my life. This is JKT checking out!

**MONTE NATHAN / ASSISTANT  
HEAD OF OQD**

Looking back on my sixth and final year in the program, I thoroughly enjoyed interacting with the 2023 cohort. This year saw young men explore new challenges, push themselves to their own limits and learn to live cohesively with their House groups.

To the young men in Year 9, I congratulate you on an excellent year of OQD. Time and time again, I was deeply impressed by the reflection, gratitude and growth expressed. I would like to thank all the students and staff involved in my six years in OQD and look forward to the program's growth in 2024.

**JESSE PATANE / OQD MENTOR**

This year saw an incredible transformation in the Year 9 cohort throughout this 16-day program. The boys underwent development in their social skills, emotional intelligence and self-awareness. The OQD staff were grateful to all those involved, especially parents and guardians. The openness and enthusiasm shown by their role models encouraged students to step out of their comfort zone and into their growth zone. Each House group offered something different, and I had the privilege to learn and grow from the experiences of each.

**ARJUN BRIAN / OQD GRADUATE**

I had the privilege of undergoing OQD, where I learnt integral life skills and attitudes, explored my emotions and wellbeing, and endured various physical and emotional challenges hurled at me. This quintessential rite of passage offered rare opportunities to dig deeper into myself and my relationships with others, while progressing a mateship and culture with the boys. Post-OQD, I am continually supported as I transition into the young man I aspire to be within my community. Thank you to the OQD team for making this life-changing experience possible.

# PETER MOYES CENTRE

TAYLOR MARSH / CO-ORDINATOR OF THE PETER MOYES CENTRE

**The past year has been a truly positive and fulfilling time for the Peter Moyes Centre (PMC). Our boys demonstrated remarkable dedication to their individualised programs, achieving pleasing progress across diverse academic and personal domains.**

Key highlights from the year include:

- Active participation in the Associated and Catholic Colleges of WA (ACC) Inclusive Sports Carnivals, notably excelling in the 'No Limits' Swimming, Soccer and AFL carnivals, with our boys proudly walking away with the champion shield.
- Successful co-ordination and participation in Autism Acceptance Week celebrations, fostering understanding and inclusivity.
- A surge in popularity of the PMC Enterprise, The Baker Boys, among staff throughout the school, highlighted by the acquisition of a barista coffee machine.
- Celebrations such as the Year 12 Ball and PMC Leavers' Party, marking the graduation of Finn Buxton.
- Engaging Year 10, 11 and 12 students in meaningful work experiences within the School's Early Learning Centre, Canteen and Administration, as well as Claremont Therapeutic Riding Centre and Westcare.

- Successful conclusion of the Charged Up for Work program for Year 11 and 12 students, enhancing their preparedness for the future.
- Noteworthy Outdoor Education programs, including Venture and various camps.
- Activities like Breakfast Club and visits to tutorials and House groups, coffee catch ups with Mercedes Catholic College and MLC students, fostering a strong sense of community.
- Accomplishing the development and successful moderation of Year 12 Award Scheme Development and Accreditation Network (ASDAN) portfolios.
- PMC Friday Afternoon Sports Program, offering diverse activities such as swimming, boxing, trampolining, wheelchair basketball and participation in the Buddiup program.
- Introduction of a combined cooking program with MLC, promoting collaboration and culinary skills.

## BIOLOGY

SHARYN BANA / HEAD OF BIOLOGY

Our enthusiastic Year 10 Marine and Environment students embraced the opportunity to obtain their SCUBA certificates, immersing themselves in the underwater world and gaining valuable insights into marine life. They also undertook a project to assess the amount and type of rubbish that CCGS discards. This involved sampling the School's bins and calculating the general waste produced and how much of this could be recycled.

This course serves as a natural progression from the foundational themes of biotic and abiotic factors introduced in Year 7 Biology. The practical application was evident in the fieldwork conducted at Herdsmen Lake and continued with an ecology project at the Rowing Boat Shed, providing students with first-hand experience.

Year 11 Biology students conducted quadrat and line transect sampling in Dwellingup, comparing and contrasting fire ecology in different areas. Showing their commitment to hands-on learning, students also had the opportunity to humanely trap a chuditch (Western quoll), which was weighed, measured and then released.

Our annual Science Week continued to be a highlight. The Critters Up Close demonstration was a particular delight, especially for the Japanese exchange students, as it allowed students to touch a variety of snakes, lizards and birds of prey after hearing about the abiotic and biotic factors that impacted them.

## CHEMISTRY

BRODIE REID / HEAD OF CHEMISTRY

The Bunsen burners emitted a radiant glow in the vibrant Chemistry laboratories this year, where students from Years 7 to 12 eagerly explored chemicals displaying a varied array of properties.

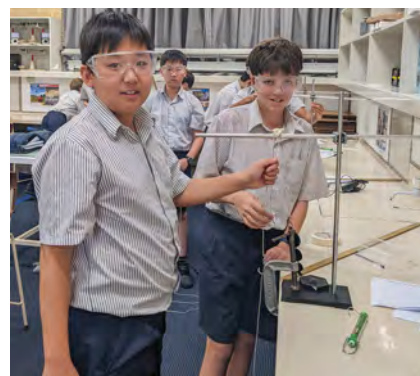

The ever-anticipated 'pop test' made its customary appearance across the middle years, but students also revelled in the vivid and colourful spectacle of flame tests and delved into the captivating world of pH indicators.

A whopping 191 students participated in the International Chemistry Quiz and a select group of accomplished senior students boldly embraced the challenges presented in the Chemistry Olympiad.

The Year 12 students welcomed the use of pipettes and burettes during their exploration of volumetric analysis. Six teams of three actively participated in the National Titration Competition, with two of those teams adeptly showcasing their skills in the national final.

## MARINE AND MARITIME STUDIES

SCOTT CHRYSTAL / TEACHER  
IN CHARGE

The Marine and Maritime Studies program covers a range of engaging subjects, including oceanography, diving, boating, environment and resource management, and history and archaeology. This diverse curriculum ensures students are exposed to various facets of the marine industry.

One of the goals of the program is to immerse students in real-life industries, providing hands-on experiences and exposure to diverse fields. It also aims to inspire the next generation of marine enthusiasts and professionals.

Highlights this year included:

- Conducting investigations on the differences in abiotic and biotic factors around Rottneest Island.
- Undertaking a longitudinal study on the changing coastal morphology of Cottesloe Beach.

- Using nautical charts to navigate the intricate waterways of the Swan River, thereby demonstrating proficiency in practical maritime skills.
- Successfully completing the Stage A Freediving Course. They learnt safe dive techniques and received specialised breath hold training from trained professionals.
- Employing chemical methods to excavate shipwreck artefacts in the laboratory.
- Hand-building fibreglass fishing rods.

## PHYSICS

JACOB MARAI / HEAD OF PHYSICS

In the vibrant realm of the Australian Science Innovations (ASI) Physics Olympiad conducted in Term 3, our Year 11 students showcased their incredible talent. In the preparation sessions, these bright minds engaged in discussions and debates, weaving through the intricate pathways to solutions, making physics come alive in the most fascinating ways.

We were thrilled to witness Year 11s Andy Wu, Abe Morgan and Gabriel Hazelhurst earning a prestigious High Distinction in Physics. Their remarkable achievement has not only brought them honour, but also an invitation to Andy and Gabriel to attend the ASI Summer School program in Canberra. Not to be outdone, Abe Morgan was invited to the National Youth Science Forum in Canberra. It is truly a testament to their dedication and passion for the subject.

The Year 12s brought this academic year to a close with a flourish, mirroring the impressive standards set by their predecessors in 2022. The culmination of their studies foreshadows a stage filled with congratulations at the Scholars' Assembly in 2024, where hopefully we will celebrate their accomplishments and witness the bright futures upon which they are poised to embark.

# WORKPLACE LEARNING

JODY CLARKE / CAREER COUNSELLOR AND VET CO-ORDINATOR

**Through work experience, Michael and Christian Kalafatas gained traineeships in hospitality during Years 11 and 12. Christian worked at Emily Taylor Bar and Kitchen and the Warders Hotel in Fremantle, and Michael at Longview restaurant in Cottesloe and the Tradewinds Hotel in East Fremantle.**

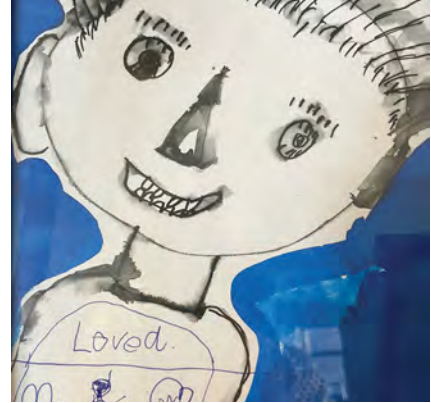

The traineeship involved the completion of a Certificate II in Hospitality and over 500 hours of paid work experience. They also took part in the Hospitality Group Training Youth Skills Showcase, which involved trainees cooking and serving a formal dinner for 500 guests. Michael said the best thing about completing the traineeship was that he was “more confident and loved working in both the kitchen and front of house”. Christian commented, “I feel optimistic about leaving school and getting a job with this experience and qualification.”

Christian’s enthusiasm and hard work throughout the year resulted in him receiving the Hospitality Group Training’s School Trainee of the Year Award. This hospitality traineeship is a steppingstone for Christian and Michael who want to start their own restaurant. They have already decided on a name, Kalabros, registered the business and have already started designing and selling merchandise.

# PREPARATORY SCHOOL

# HEAD OF PREPARATORY SCHOOL

STEVEN MALES

**Reflecting on the incredible journey of 2023, the growth and countless hours of learning that took place provides a moment to pause and express our gratitude. Each student grew in so many ways and continued to showcase the skills learnt and the solid friendships developed. Having a strong bond with each other helped our boys overcome challenges and celebrate achievements, no matter how big or small. We were all extremely proud of our boys for their dedication and effort throughout the year.**

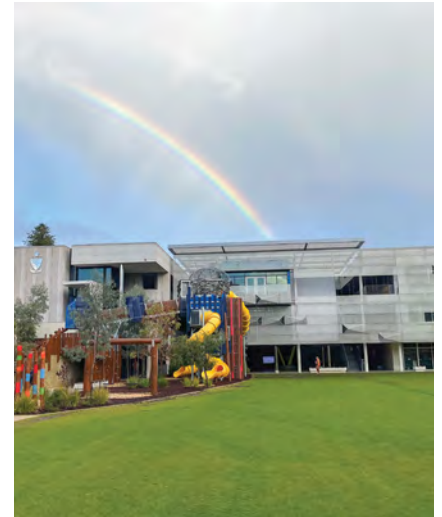

There were many memorable moments in 2023:

- The welcoming of our new students at the start of the year.
- Little Queenslea Drive: the first overnight experience at the School for our Year 4 boys.
- The return of the Year 6 Canberra Tour after a four-year pause due to COVID-19.
- Our participation in a live team meeting with former NASA astronaut Don Thomas, from Washington DC, to hear him speak about his multiple space voyages.

One of my favourite parts of the school day was visiting classes across the Preparatory School and saying hello. I was often asked questions, told stories, offered ideas and at times, provided with some sound advice by our Early Learning Centre (ELC) boys who would visit me in my office.

Our core values of care and compassion, respect, excellence and integrity continue to drive our Preparatory School culture and are the pillars of our approach to social and emotional learning.

The pursuit of academic excellence was exemplified at the Academic Awards Assembly at which 101 of our students were recognised. The following results were truly amazing: a total of 210 Distinctions, 49 High Distinctions, three trophies for the highest score in the Australian Mathematics Competition; and a new milestone for the Prep School—the awarding of 12 International Competitions and Assessments for Schools (ICAS) medals.

# HEAD OF PREPARATORY SCHOOL

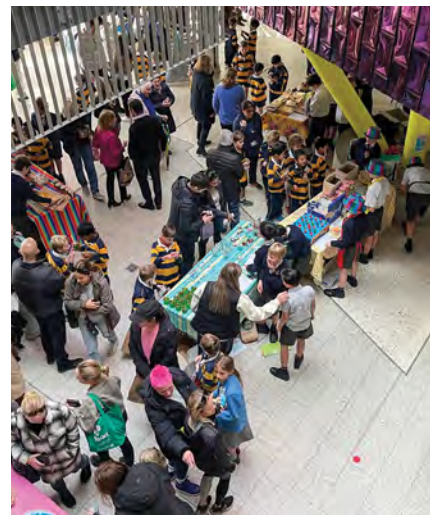

The ELC is now in its fifth year of operation and has grown to include almost 200 boys from Pre-Kindergarten to Year 2. Although it looked different across the classrooms, Play with Purpose remained our focus and intent.

Our library team took reading to a new level and continued to promote a love of reading with the assistance of authors, illustrators, and an extensive addition of new high-quality literature across a diverse range of genres.

House activities are some of the most fun experiences and demonstrate the Preparatory School spirit. Some of these included the uplifting experiences of the House Shout, taking part in the House Athletics, Cross Country and Swimming Carnivals and coming together as Vertical House Groups. Boys participating in activities to learn more about values in action, provided many memorable moments.

Each year the Preparatory School does a phenomenal job regarding giving back. The philanthropic efforts of our community included the Year 6 Market Day and the annual Lapathon, which raised \$23 323 for Camp Quality who support young children with cancer.

2023 was an incredible year, full of highlights. I would like to thank the boys in the Preparatory School for all their efforts throughout 2023 – well done, boys.

# KARDA GOANNA

## CHARLIE BRUCE AND OTTO GRIFFIN / CAPTAINS

During Term 1, the House Vortex competition occurred and Karda, unfortunately, came second in the final. The Cross Country Carnival took place on Thursday in Week 9 and again, Karda came second by a just a few points. The Values Cup continues to be a focus every term with boys working hard to be the most virtuous House. The House Chess competition was on this term and, despite having tremendous players, we lost. It was a great term and we loved working with our House Co-ordinators and the boys.

## THOMAS ASH AND WILLIAM RATNESER / CAPTAINS

Term 2 was full of adventures and fun times. In Week 4, we had the Athletics Carnival. We cheered our hearts out and ended up winning the Spirit Shield, but sadly Karda came fourth overall. We also had the House Soccer Carnival and we put up a good fight. We played well and scored lots of goals. However, we came last, but we all enjoyed it very much. In Week 6, we held the Table Tennis competition and Karda dominated, winning almost every year event. We had lots of ups and downs throughout the term but all that matters is that we had a wonderful time with lots of fun.

## BENJAMIN FILIPPOU AND GIDEON VAN NIEKERK / CAPTAINS

It was amazing to be the Karda leaders in Term 3! One of the biggest events was House Shout, in which we sang *Believe* by Cher. This was an incredible experience that we were so lucky to be a part of, working hand in hand with Mr O'Driscoll and Mr Dawson to achieve a lovely rendition. Leading the dodgeball team was also an exceptional experience, regardless of the outcome. We would like to thank Mr O'Driscoll, the pillar of Karda.

## WILLIAM FIRNS AND ARTIN VAHEDI / CAPTAINS

In Term 4 we did well in many House competitions, such as the Swimming Carnival, the McPherson Basketball Cup, and the Mario Cart competition. In the Swimming Carnival we did better than previous years and won the Spirit Shield. In the McPherson Cup we tried hard but unfortunately, we just missed the opportunity to get to the final. We would like to conclude by saying thank you to Mr O'Driscoll for all the help he has given us in 2024. Well done, Karda!

# KEARLA

## DOLPHIN

### SAMMY DRISCOLL AND HARVEY KERR / CAPTAINS

In Term 1, we competed in two House competitions. Luckily, we won them both, which was an outstanding result. In the Cross Country it was a tight race between Kearla and Karda. In the end, we won, which was a relief. Kearla had an amazing term. Well done to all boys in Kearla for showing their amazing House spirit, which helped us to win events.

### CHRISTOPHER LISLE AND CHARLIE NG / CAPTAINS

Term 2 was an outstanding term for Kearla. We invited the Year 3 boys and new boys to participate in the House events. This included the Athletics Carnival and the House Soccer and Table Tennis competitions. Kearla started at the bottom of the House points ladder but we ended winning the Values Cup for Term 2. Well done, boys!

In the Athletics Carnival, we secured second place, sadly losing to Yonga. Kearla had an amazing Soccer tournament with only two or three losses. We ended up beating Karda in the semi-finals and faced Yonga in the grand final, defeating them 4-1. We came second in the Table Tennis competition. All these events gave us a lot of House points towards eventually winning the Giles Shield.

### SAMUEL CROSSLEY AND OLIVER HAY / CAPTAINS

In Term 3, Kearla House did well in the Dodgeball competition beating Yonga but losing to Wardung and Karda. Although we finished in last place, we tried really hard. In the House Shout competition, we practised *Somebody That I Used to Know* by Gotye and claimed victory. In the Values Cup, we were coming third behind Wardung but in front of Karda. Finally, our fundraiser was YES! Housing, an Anglicare WA organisation supporting homelessness. We donated non-perishable foods, cooking items and toiletries for a worthy cause. Well done to all Kearla boys for a great Term 3.

### LIAM KAIN AND HARLEY MCLEOD / CAPTAINS

Term 4 was an exciting time for the Kearla boys. Swimming training commenced in Week 1 in preparation for the carnival. Even though we came second to Yonga, we were sad that after screaming our lungs out, we did not win the Spirit Shield. However, we did win other House events and were awarded the Giles Shield.

We would like to thank all the Kearla boys for helping us progress throughout the term and our House Co-ordinator, Mr Healy, for making it possible for Kearla to do so well and for giving us an amazing term.

# Year 1a

# WARDUNG

## AUSTRALIAN RAVEN

### HUDSON BROWN AND TEX MESSER / CAPTAINS

It was fantastic to be House Captains in Term 1 as we ran our Cross Country, played House Vortex and competed in Chess. In Cross Country we came third, which was better than last year. During the House Vortex we put up a particularly good fight but unfortunately, we did not win; however, we had fun competing. In the teacher/student Vortex competition, we chose Patrick King as our Wardung student. The students ended up 'losing'. Overall, it was a great term.

### ARCHIE ANNING AND OLIVER OWEN / CAPTAINS

During Term 2, Wardung competed in several House events, managing to be one of the most consistent Houses for the term. In the Athletics Carnival, Wardung competed strongly throughout the day, ending the competition in third place. Coincidentally, Wardung finished third in every event they competed in during Term 2.

Term 2 also saw the all-important Lapathon take place. This year, Camp Quality was the beneficiary of all the laps run by the Preparatory School, which managed to raise \$23 323, a terrific achievement.

### GO KOTANI AND ANGUS PEATE / CAPTAINS

We were excited to become House Captains in Term 3. Some of the events we took part in were the House Dodgeball competition, the House Shout and the Values Cup. The dodgeball competition started off well with Wardung undefeated in two matches against Kearla and Karda and then a draw against Yonga. In the grand final, Wardung beat Yonga in the last minute of the game when Angus Peate flung the dodgeball into the hoop. I really liked the way the boys were all smiling and being proud of themselves. The boys from Years 3 to 6 really enjoyed House Shout. We sang *Wish You Well* by Bernard Fanning. The boys practised at home, at school and even during their sleep. Lastly, I would like to thank the Wardung House teachers and Co-ordinators for helping us improve our song and enjoy a great term.

### CHARLIE BOLT AND LI-JIAN WEE / CAPTAINS

Term 4 was certainly an outstanding one for Wardung, participating in the Swimming Carnival, McPherson Cup basketball tournament, and the Mario Kart competition. As a House, we congratulated Yonga on winning the Swimming Carnival, and Karda for securing the Spirit Shield. We were proud to place fourth in that competition, losing by a close margin. Wardung competed in a tough grand final with Yonga in the McPherson Cup, winning the basketball tournament thanks to our star players. Overall, Term 4 was a high-performing and extremely enjoyable term for Wardung.

# Year 6

Absent: Thomas Eley, Isaac Liew, Dylan Zheng.

# YONGA KANGAROO

## OLLIE SWANN / CAPTAIN

During Term 1, the boys from Years 3 to 6 competed in the Cross Country Carnival. Boys in Years 3 and 4 ran 1.5km and those in Years 5 and 6 ran 2.3km. All boys ran exceptionally well but Kearla came out on top with Karda a close second. The Spirit Shield was won by Yonga, the best House. Yonga hosted a fundraiser for WA charity Fair Game in which boys donated their old sports equipment. We ended up donating a whopping 200m of equipment, when laid out on the running track, which will be sent to children in rural communities who cannot afford the cost of new gear.

## LUCAS BEGOVICH AND GEORGE REA / CAPTAINS

In Term 2, Yonga did some amazing activities. It was great to see all the years ready for the Soccer Carnival. Although we did not win, we still got into the grand final which was something to be proud of. We were proud of everyone's sportsmanship. Yonga performed very well at the Athletics Carnival with all boys cheering wildly as we led Yonga to victory. The House lunches were an opportunity to catch up and talk about our values. We had an amazing time with most of the young Yonga boys looking up to us and asking questions during VHGs (Vertical House Groups).

## BENJAMIN GEORGE AND MATTHEW SHIPTON / CAPTAINS

In Term 3, we had loads of fun. We participated in the House Dodgeball competition, House Shout, Values Cup, and lots more exciting things. We enjoyed making dodgeball teams and felt a sense of independence when doing this. Everyone was a good sport in the end. House Shout was also a massive highlight and it was great to see all the progress we made learning our song. We appreciate all the Yonga staff who helped the boys through the term and hopefully we will win the Giles Shield in the future.

## ARCHER MCRAE AND DYLAN TAN / CAPTAINS

Term 4 was an amazing term for Yonga. After successfully taking first place in the competitive Swimming Carnival, Yonga topped all the other houses and secured a 200-point lead over second place. Despite all Yonga's great efforts, the boys could not win the ultimate prize, the Giles Shield. Yonga would like to congratulate Wardung on the great win of the McPherson Cup and we would like to equally congratulate Kearla on winning the Giles Shield. To make all these wonderful things possible we would like to thank our much appreciated House Co-ordinator Mr French.

# SCHOOL CAPTAINS

WILLIAM RATNESER / YEAR 6

**Being one of the Preparatory School Captains was such an amazing experience, honour and opportunity. I know Lachlan Ledger, Cohen Lee, Gideon van Niekerk and I really appreciated the opportunity to represent the School.**

One of my favourite duties as School Captain was the privilege of speaking at school assemblies. This really helped build my confidence in public speaking.

I was really excited to meet some of the new boys joining CCGS when I helped with the Preparatory School tours and I also enjoyed the responsibility of looking after the school flags with my friends.

I am very grateful for being given the opportunity to be a Preparatory School Captain.

# CANBERRA TOUR

CHARLIE BOLT / YEAR 6

In Term 4, the Year 6 cohort was privileged to visit Canberra. The global pandemic put a pause on this exciting tour and fortunately, we had the honour of being the first group to proceed with this rite of passage post-COVID and experience the wonder of our nation's capital.

Highlights of our trip were Parliament House, the Australian Institute of Sport (AIS) and Questacon. As well as being an important political establishment, Parliament House is an incredibly impressive building to explore. It offers an immersive exploration of the Australian Parliament's history, which is pertinent to the Year 6 HASS curriculum. It really was a day we will never forget.

The AIS was a massive highlight for us. As sport and physical activity is a major aspect of life at CCGS, it was certainly an encounter that took the interest of many. The scientific Questacon was enjoyed by all, with a range of various galleries, extending from robotics and physics, to design and arts. We particularly loved the Free Fall – a two-storey, vertical, zero-gravity slide. We also explored the High Court and the Australian War Memorial, which was very poignant as it offered us a chance to reflect on the sacrifice of the soldiers who died fighting for a democratic and just world.

The Canberra Tour also enabled us to take part in leisure activities, including a boat cruise on Lake Burley Griffin, a bike ride around the lake, bowling and a movie night at Hoyts Cinema. We thoroughly enjoyed sleeping in dorms with our friends and eating delicious meals in the communal dining room under a ceiling twinkling with fairy lights!

The four days spent in Canberra left an indelible mark on our educational journey. We all grew from the experience and gained great independence; and for many of us, it was the first time flying alone and travelling interstate without our families. It was a highly anticipated event that we all looked forward to throughout Year 6.

# CENTRE FOR EXCELLENCE

ANTHEA FEAVER AND BROOKE SIEGMANN / TEACHERS

## MATHEMATICS EXTENSION – YEAR 4 PI DAY

The Year 4 boys learnt a lot about circles and in particular, pi. We had five days to learn as many digits of pi as we could before our class competition. Everyone could have a party pie to celebrate, and the placegetters got a special meringue pie. The winner was James Lau who memorised 121 digits!

## HAVE SUM FUN COMPETITION

JAMES ROBINSON AND MARC THOMAS / YEAR 5

The Have Sum Fun Competition at Penrhos was an enjoyable experience for the 18 boys selected. The three Christ Church teams competed against 30 other teams and it was an extraordinary way to meet new people. Christ Church was successful with two teams placing second and third while the other team placed 18th.

## MATHEMATICS EXTENSION – ORIENTEERING

BEN MCNAUGHTON AND LIAM TAM / YEAR 5

Mrs Feaver introduced us to the wonderful new sport of orienteering and taught us map-reading skills. We used our skills to race our friends on orienteering courses around the School. Eventually, some boys were selected to compete in the WA Schools Orienteering Championships at Manning Park, in which Christ Church won 14 medals. Overall, it was a fun sport to learn and participate in.

## YEAR 1 MATHEMATICS EXTENSION REFLECTIONS

JAMES GRABINSKI

My favourite bit of Maths Extension was when we did division. My second favourite thing was when we used the rainbow calculators to play games, like who could get the highest number in one minute and ordering them.

CHRISTIAN ILLICH

My favourite part about extension was when we did ICAS because it was a big competition.

## COURSES

LUKE ARNOLD, ALI CRADOCK, LINCOLN LE, DANIEL LI, NATHAN LEO, BEN MCNAUGHTON AND MILES TIANG / YEAR 5

We had an enjoyable time in Centre for Excellence courses this year, especially the hydraulics unit. We made hydraulic machines in pairs, like scissor lifts or catapults. We also liked how we had to improvise when something didn't work on the hydraulic machine. It was also very satisfactory when we got something to work. We also enjoyed the Biodiversity Shapers unit where we learnt about symbiotic relationships like the Arctic fox and the caribou (commensalism).

CHARLIE BOLT AND ETHAN CHEN / YEAR 6

In Semester 1, the Year 6 students participated in the Doctor Doctor course, which included creating a presentation on the circulatory system and the respiratory system.

The course was strategically laid out to effectively inform students about the human body in an enjoyable experience. This was by far our favourite CFE course, and gave us a stronger idea of what we may want to pursue in the future.

## DA VINCI COMPETITION

MATTHEW LEWIS, LUCAS PHUNG, LIAM TAM, MARC THOMAS AND WILLIAM XIE

Sixteen Year 5 and 6 boys competed in the da Vinci Decathlon, covering many subjects such as cartography, English, engineering, mathematics, ideation, science, code breaking, art and poetry, legacy and creative producers. The Year 5s and 6s both finished third overall.

## TOMS COMPETITION

CALLUM TAM / YEAR 6

The language and literature task was to present an idea to build a statue in a particular city. We made a play about science fiction and the Martian. Overall, we had lots of fun and we tried our best.

HASSAAN BADSHAH / YEAR 6

The task for Social Sciences Clash of the Ages was to show two artefacts from the 20th century and one from an older time. We made a play where World War II was never a thing and Adolf Hitler became a painter. Our two artefacts were a pistol and paintbrush.

# CHESS

MARCO CAMPITELLI / YEAR 6

In Term 2, Ayun Batahena, David Luo, Dhruv Sanjay and I competed in the Independent Primary School Heads of Australia (IPSHA) Chess Tournament hosted by Guildford Grammar School. This tournament consisted of 10 official games which counted towards two competitions: a team and an individual competition. In the team competition, Christ Church placed really well, and we received third place. Ayun Batahena placed second in the individual competition while Dhruv Sanjay also placed in the top 10 of the individual competition. Overall, this competition was an amazing experience to play chess and to meet students from other schools.

# CHINESE

LI LIU / CHINESE TEACHER

**The boys enjoyed a busy and fun year of Mandarin lessons that were not only focused on language but also deeply embedded in Chinese culture.**

Their journey began with creating a lap-book about Chinese New Year at the start of the year. This was followed by all Prep boys presenting a song at the assembly and culminated in acting out Chinese plays towards the end of the year. They also participated in and engaged in a wide range of culturally embedded activities, including a traditional Chinese ink and wash painting workshop, jianzi making, Chinese calligraphy, the Chinese pitch-pot game, a chopsticks challenge and Chinese tea appreciation.

Kindergarten and Pre-Primary boys had the unique opportunity to integrate Mandarin learning into the content of their mainstream classes using the Content and Language Integrated Learning (CLIL) approach. They learnt essential language skills, applying these to their regular lessons, whether it was solving math problems, understanding concepts related to time, or exploring the origins of the food they enjoyed. In celebrating the boys' achievement, we would like to give special recognition to Dhruv Sanjay (Year 4), who represented Australia in the global Chinese Bridge competition for primary school students held in China in October.

# CLUBS

Each term, boys from Years 1 to Year 6 participate in several different co-curricular clubs before and after school. These clubs offer boys the opportunity to try new things, meet new boys and staff, and learn different skills.

## WHAT WAS YOUR FAVOURITE CLUB AND WHY?

**SAMMY / YEAR 2**

I loved Colour, Cut and Paste Club because I got to make different creations each week.

**CHRISTIAN / YEAR 3**

I liked Table Tennis Club because I love playing table tennis.

**RYAN / YEAR 3**

My favourite club was Minecraft Club because it was fun, inviting and I got to create things!

**WILLIAM / YEAR 6**

I was in Prep Rock Workshop, and it was so much fun. We got to play at the Rosemount Hotel and I got to learn new music all the time.

**HOWARD / YEAR 4**

I liked Book Creator Club because we were able to write our own stories and the boys were nice.

**JOSHUA / YEAR 3**

Chess Club was the best! I learnt more about chess and the more I played, the better I got. And I beat my brother!

**LIAM / YEAR 2**

I liked doing tennis because I hadn't tried tennis before. I want to get better at it now and I am going to keep doing it.

# ENDEAVOUR PROJECT

JACK UTTING / TEACHER

Year 6 Enterprise Project

The collaborative Endeavour Project encouraged innovation and entrepreneurship between Year 6 students while they developed a basic business model and a unique product to sell at our community Market Day. To begin the process, the Year 6 boys visited Claremont Quarter to conduct market research. After this, they were split into small teams to decide on a business name and create an eye-catching logo. To consider the popularity of their initial product idea, the boys conducted surveys and, subsequently, each group member designed and constructed a prototype of their chosen product. Eventually, a budget was developed, and units of each product were manufactured en masse. These products were advertised through posters, animated videos, and even websites, and finally sold to eager consumers at Market Day.

## MARKET DAY

RUMITH ABEYSURIYA / YEAR 6

On Wednesday 21 June, the Year 6 cohort took part in our Market Day, the climax of the Endeavour Project. The students worked hard brainstorming, constructing and marketing their chosen products in the run up to the Market Day. I created edible glass made from water, sugar and glucose syrup. I earned \$400.66 and my group earned \$537.90 overall. The Year 6 cohort were exceptionally successful on the day, selling their products to parents, teachers and friends. In total, we earned a massive \$7162 from our sales, all of which went to our chosen charity Make-A-Wish Australia. Overall, the students learnt many skills such as teamwork, marketing and social skills.

# DRAMA

## **ROBIN AND THE SHERWOOD HOODIES**

**MARCO CAMPITELLI / YEAR 6**

This year's production of *Robin and the Sherwood Hoodies* was filled with amazing actors with lots of dedication, and also with memories and unforgettable experiences. I played the role of Billy Wigglestick, a playwright who looks and speaks like William Shakespeare. The production required us to rehearse Tuesday and Thursday afternoons in the Drama room. After the first rehearsal, which was about choreographing the opening number and the second song, I was excited for the next rehearsal. Week by week, we continued learning the play and choreography until the day of the first performance. After the matinee with the Year 5s, we received our notes about things to work on for the big night. There were some mistakes along the way, but in the end we gave the audience three amazing shows that we will never forget.

Thank you to all the tech crew, the teachers who helped, the boys who participated, and especially Mr Dawson for an amazing production.

**OSCAR HARRISON / YEAR 6**

The Year 6 production of *Robin and the Sherwood Hoodies* was a fantastic play, featuring a troupe of wandering entertainers mistaken for a gang of soldiers. The entertainers were fighting to save a village from the ghastly King John. I loved singing and dancing in rehearsals, getting feedback from the legendary Mr Dawson and performing three nights in a row. This production was a milestone of my sixth grade in Christ Church, and I will look back on it all through my life.

# INNOVATION SPACE TECHNOLOGIES

GRANT HAGGERTY / TEACHER

DYLAN EPARI / YEAR 4

A new thing I learnt in Technologies this year was how to code a micro:bit. My favourite project was the micro:bits because I had not done it before and I like coding, so it was incredibly fun.

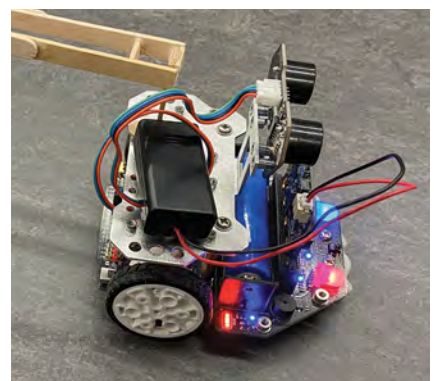

ISAAC KANG / YEAR 5

One thing I learnt in Technologies is how to operate and maintain the 3D printers. My favourite project was the bag tags as we got to use a 3D software called Shapr3D.

HAYDEN CHAN / YEAR 6

One skill that I learnt this year was how to make a Tech Deck. It was extremely fun being able to play with them and I also had fun being able to design the sticker for the bottom. We also got to design the packaging, which I based off Pokémon.

My favourite project was the coding, making our MakeCode Arcade games, because we could choose anything we wanted. I based my game off Pac-Man with the ghost as the enemy.

# LIBRARY

SOPHIE SMITH / TEACHER LIBRARIAN

## THE PREPARATORY LIBRARY

Just up the stairs and behind the glass door  
Is a place taking you where you've not been before,  
Round the world, into space, future, past, fantasy,  
Can be found in the books of the Prep Library.  
And now that it's Book Week, we would like to convey  
Exactly what happens in the library each day.

Firstly, we'll talk of the boys in Year 1.  
Their time in the library can be lots of fun  
Where throughout the room each boy will run,  
Around and around, as if practising aths,  
But at least they sit down when studying maths.

Another group who, do some maths in here too,  
And think that it's funny, are the boys in Year 2.  
These boys in this year are approaching the age,  
Where they understand every word on the page.

The Years 3 and 4, all rush in the door,  
Read Ahn Doh and dragons as they sprawl on the floor.  
The boys of Year 4, all seem to read more,  
Than all the other grades, of that we are sure.

Then there's the big boys of Years 5 and 6,  
They've been here a while, so they know all the tricks  
Of getting their way, or so they think all the time,  
But we're always a step ahead of their crimes.

Yet, our library won't work without their monitoring role  
So we trust every boy, appreciate them as a whole.  
Their industry shown placing books back on shelves,  
Is something akin, to JK Rowling's elves.  
This work being done, by boys older and taller  
(we know they're not elves for their ears are much smaller)

At lunchtime the library's a not-so-quiet retreat  
For those who like chess, puzzles, or are just downright beat  
Well tired, from playing and running around  
The spaces and sports fields of Christ Church Grammar grounds.

Everyone is in book club where we explore,  
The works of Tim Harris, Tristan Banks, Nat Amooore.  
With book series, *Harry Potter*, *One Piece*, *Wings of Fire*  
And others such as *Funny Kid* are books we admire.

Electric sharpeners are a popular hit,  
Boys sharpen each pencil 'til there's none left of it.  
They do this while happily spinning on chairs,  
It's a wonder these items don't require more repairs.

We have regular visitors who come by each day.  
Charlie, Titus, Lachie, George, Daniel, Raymond (or Ray).  
Hayden, Henry, George, Magnus, Charlie know where we are at,  
And frequently drop into our space for a chat.

Students always look forward, with anticipation  
When we start to discuss Dewey classification  
With copyright, plagiarism, research techniques  
And online resources in our lessons each week.

There is more to our library than borrowing books,  
Everyone's welcome to come in and look  
And join all the activities, the research, the play  
All celebrations, the National Days.  
Science, NAIDOC and Book Week, great milestones in sport  
Around all these events, so much can be taught.

We as librarians, know our library's refined  
And to all here assembled we would like to remind  
Whether relaxing, researching, taking refuge to read,  
The library ticks all of these boxes indeed!

# MUSIC

EBONEY YAPP / CO-ORDINATOR OF MUSIC

**Preparatory School Music continued to flourish with energy and excitement. Weekly classroom lessons were an integral part of every Pre-Kindergarten to Year 6 student’s educational journey. They encompassed a variety of musical experiences, including exploration of world music, singing ability, engaging in interactive games, and composing original pieces on iPads. Students also delved into performance and notation, mastering both rhythms and pitch. Boys experimented with an assortment of melodic and non-melodic instruments, ranging from the melodic sounds of marimbas and ukuleles to more unconventional items such as chairs and sticks.**

Boys in Pre-Primary learnt to play the violin or cello in group lessons for the semester and performed in two concerts. The ELC boys welcomed the group Flamingo Strings in Term 3 for an exciting incursion exploring the string instruments. Students in Years 3 to 6 were also captivated by Kaboom Percussion, in which they explored an array of unique percussion instruments.

Boys were able to engage in Music in the 14 co-curricular ensembles and groups offered either before, during or after school, from Year 2/3 Choir to Composers’ Club. These ensembles highlighted their talents in various festivals throughout the year, performing before adjudicators and receiving valuable feedback.

The ensembles performed at the Preparatory School Winter and Spring Music Concerts in Terms 2 and 3, highlighting their hard work and talent through a number of exciting pieces and songs.

## YAHOOOS

LI-JUN WEE / YEAR 4

The Yahooos Choir performed the song *Sense of Arc* in the Australian Combined Schools Music Festival hosted by Methodist Ladies’ College (MLC). It is a song about the beauty of Cottesloe Beach. This was held in Term 2. We also combined with MLC, John XXIII and Scotch College. We rehearsed every Monday afternoon even in the mid-term break with Mrs Yapp and Mr Perry Joyce, our conductor. My favourite thing was the actual performance in Winthrop Hall at the University of Western Australia.

## STRING ENSEMBLE

MARCO CAMPITELLI / YEAR 6

On Sunday 10 September, the String Ensemble participated in the Australian Band and Orchestra Directors' Association (ABODA) Strings Music Festival, which consisted of boys from Years 3 to 6 playing the violin, viola, cello or double bass. This ensemble was conducted by Miss O'Brien who helped us learn our three pieces every Monday morning. The pieces were *Mamba Samba*, *Tangerine Rag* and *Sonata Vivant*. The festival was held at Churchlands Senior High School and consisted of a short practice session, the performance, and a workshop afterwards to learn how we could improve. Personally, I really enjoyed the excitement of performing as well as the insightful workshop. Overall, it was a very enjoyable experience, and I would like to thank Miss O'Brien for conducting and helping us.

## IPSHA PERFORMING ARTS FESTIVAL

WILL BURTON / YEAR 5

In Term 2, the Year 5 boys performed in the Independent Primary School Heads of Australia (IPSHA) Performing Arts Festival held at Penrhos College. Approximately 40 boys performed a sing and dance routine choreographed by Mrs Yapp and Mr Dawson. Rehearsals took place every Tuesday morning for nine weeks. We sang and danced to *I'm Still Standing* by Elton John and were backed up by boys in the Preparatory School Rock Band. On the day of the performance, we rehearsed in the morning, followed by a full-dress rehearsal to the college audience, and finally our performance in the auditorium to a sold-out audience. Six schools performed on the night. I really loved being involved in the IPSHA Performing Arts Festival as it provided me with an opportunity to collaborate with other schools. Our costumes were so cool, as we wore funny bow ties, light up glasses and gel in our hair. We rocked!

## CLASSICAL GUITAR ENSEMBLE

GIDEON VAN NIEKERK / YEAR 6

The Classical Guitar Festival was a blast! This festival was one of my Music highlights of the year. It was a wonderful experience for the younger boys as the ensemble played in front of a live audience and we were given feedback on how we played. This was also memorable because it was the first festival in years, which was exciting as not many others had the opportunity. Overall, the festival was amazing, and I speak for all the other guitarists when I say we thoroughly enjoyed it!

## KABOOM PERCUSSION

EAMON DYKE / YEAR 5

I am sure that anyone who went to the Kaboom Percussion incursion would agree it was one of the best. Kaboom Percussion graciously gave their time to show some of the things they had been working on. My favourite part was their inventions as it was a good way of using old materials to create new music for everyone to enjoy, while also encouraging recycling and helping the planet.

# PETER MOYES CENTRE

## PMC STAFF

**2023 was an exceptional and productive period for the Peter Moyes Centre (PMC), as we continue to model excellence in special needs education. The centre's unwavering dedication to providing a nurturing and inclusive environment has been consistently evident throughout the year. With a foundation rooted in innovation, high expectations and inclusion, the PMC continues to empower every student to meet their physical, social, emotional, and learning needs through a personalised, student-centred approach.**

What truly sets 2023 apart is the remarkable progress and growth of the students at the PMC. The year has been a testament to their abilities and potential. Students have had a multitude of enriching experiences, showcasing their talents and achievements. Through their dedication, persistence and a sense of ownership in their own learning, they have actively participated in a diverse array of activities, excursions and school events. The PMC's commitment to differentiation and inclusion has ensured that each individual has appropriate and meaningful access to the curriculum.

Furthermore, the PMC serves as a pillar of connection, communication and support, not only for individuals with disabilities but for the entire school community. The collaborative spirit and achievements of 2023 have created a sense of unity and purpose. As we bid farewell to our senior students, Otis Clune, Yannik Sullivan and Nathan Tran, who take the next steps in their educational journeys, we celebrate a year that exemplifies excellence, inclusivity and unwavering support.

# PHILANTHROPY

JAY PYEFINCH / PHILANTHROPY CO-ORDINATOR

## KARDA

In Term 4, Karda boys collected pre-loved toys for those less fortunate in our community. These were donated to Anglicare WA, a leading not-for-profit organisation that helps people in times of need with 86 services in 55 locations across Western Australia. We were amazed at the generosity of our community.

## KEARLA

In Term 3, Kearla House supported Anglicare's YES! Housing initiative by asking for donations of household items. YES! Housing (Youth Externally Supported Housing) helps young people (aged 15 to 25) who are homeless or at risk of homelessness to access and maintain stable, longer-term housing. Students were encouraged to donate a variety of household items, such as non-perishable food, cleaning products and personal care items. The response from the CCGS community was fantastic with bins full when they were collected. Anglicare representatives were extremely grateful for the donations.

## WARDUNG

In 2023, Wardung House once again organised the CCGS Lapathon. This year all proceeds went to Camp Quality. This is an Australian charity that has been running for over 40 years and provides children impacted by cancer the chance to engage in a wide range of activities to help them through a difficult time in their lives.

Over the course of the day, almost every student from Pre-Kindergarten to Year 6 was able to head out onto the Prep School Oval and run some laps. Once again, the students did a terrific job, resulting in \$23 323 raised.

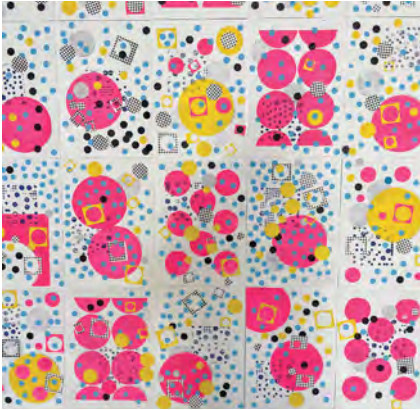

## YONGA

Since 2011, WA-based charity Fair Game has recycled over 60 000 items of sports equipment, supporting many tens of thousands of disadvantaged children across the State who can now enjoy the physical, mental and social benefits of participating in sport. They welcome donations of all sports shoes, especially runners, track shoes, basketball shoes and footy boots, as well as sports equipment in good condition.

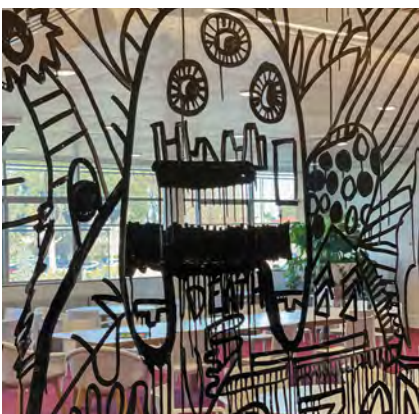

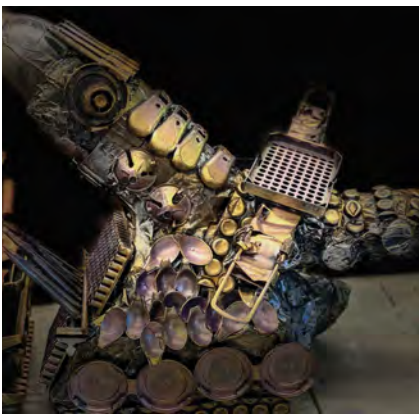

This was Christ Church's third year participating in this fundraiser and we were amazed with how much sporting gear was donated – over 200m worth of items, when we laid it out on the running track! This charity allowed boys to truly experience the act of giving something tangible to directly improve the lives of others.

# BASKETBALL

## YEAR 6 PARTICIPANTS

**There were a lot of ups and downs throughout the JPSSA Basketball season. Most weeks we were able to play at Bendat Basketball Centre, but occasionally we drove out to the different schools to compete and try to get a win.**

Term 1 did not work out the way we wanted with a couple of big losses to Hale, Scotch and Aquinas. However, we never gave up and Ms Morcom was proud of how we tried our best each game until the final siren.

During Term 4, we demonstrated improvement in many areas, and we were moving the ball well. Our defence was much better, and teams couldn't score as easily as before. We converted more lay-ups, and we were working well as a team. We lost a nail biter to Aquinas by one point and all the other games were close.

Trainings on Monday afternoons were always fun with all the teachers ensuring we were tired and sweaty by the end of each session. We focused on lay-ups, defence and movement without the ball. We were really grateful for the work the coaches put in and we can't wait for next year. Go Church!

# CRICKET

## SAMMY DRISCOLL / YEAR 6

This JPSSA cricket season was so much fun and it was exciting when Vihaan Kumar, our Year 5 member of the A team, got a wicket first ball of the 50 over match. Another highlight was the father/son cricket match because all the boys loved playing against their families.

## SAMUEL ABRAHAM / YEAR 6

I loved playing cricket as my JPSSA sport because I spent time with my friends and had fun with them. We had quite a good year as a team and had some brilliant Year 5 members, such as Eamon Dyke and Vihaan Kumar. Overall, cricket was my highlight of the year.

# CROSS COUNTRY

## JPSSA CROSS COUNTRY CARNIVAL

A great afternoon at Hale School saw all CCGS competitors represent the School proudly.

Overall, Christ Church came second in a terrific team result. Thank you to Mr Stanton-French and Mrs Pugh for all their efforts in training the boys.

Well done to our Year 6 team who won its division and had seven of the top 20 runners on the day. Congratulations to Gideon van Niekerk for finishing second overall in the Year 6 race.

### Other notable performances on the day included:

James Philip (Year 4) in ninth place;  
 Patrick King (Year 5) in third place;  
 Noah Ahmadi (Year 5) in seventh place;  
 Lucas Begovich (Year 6) in fourth place;  
 Archie Anning (Year 6) in ninth place;  
 and Oliver Swann (Year 6) in 10th place.

# FOOTBALL

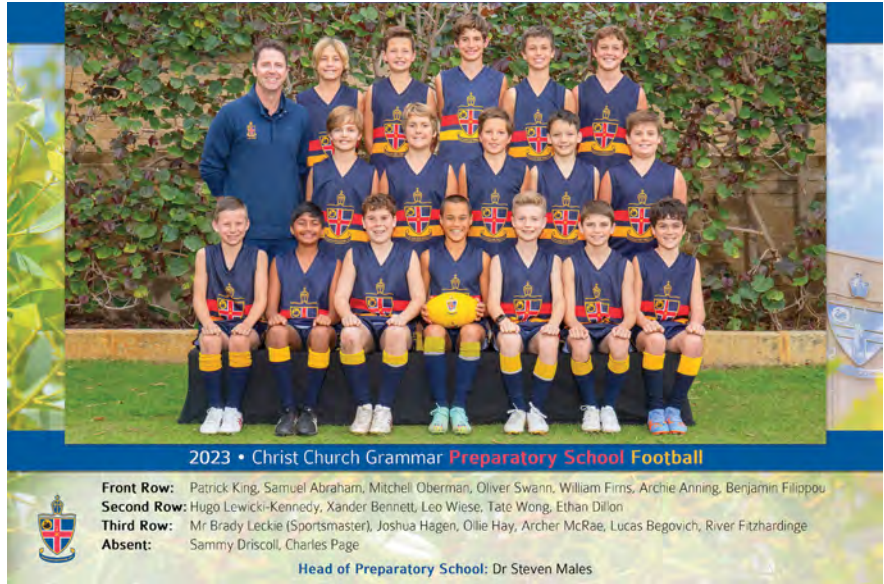

ARCHER MCRAE AND OLIVER SWANN / YEAR 6

**The 2023 Football season was a blast! All the boys involved in the program looked forward to playing and training. We all had a very enjoyable time and so much fun each week.**

The A team was nearly undefeated, only losing closely to Hale. Leading up to each game, the boys displayed great hunger to win and learnt from every game. Our best game of the season was when we beat Wesley College and kept them scoreless. The B and C team also had great seasons, in which they developed their skills and became better, all-round footballers.

The A team was lucky to have two Year 5s, Joshua Hagen and Patrick King, play the whole season as they were fantastic team members. In addition, we were assisted by some of the best coaches at CCGS, Mr Leckie for the As, Mr Pyefinch and his assistant coach Lachie for the Bs, and Mr O'Driscoll for the Cs.

What we loved to see during the season was how our ball movement and skills developed, with some brilliant football at times. The trademarks of our team moving forward to the Senior School will be determination, effort and teamwork.

# HOCKEY

UDSON BROWN AND GUY YELDON / YEAR 6

It was a refreshing start to each week for the Year 5 and 6 hockey teams, with players hitting the fields at 7am each Monday morning for training during the cooler terms. The boys worked tirelessly to improve their skills, teamwork and overall performance under the guidance of Mr Pike, Mrs Westbrook and Mr Utting. We trialed many new drills and were taught skills not normally shown to this level, due to the immense talent of this year's group.

One of the highlights of the year was the father/significant other and son game held in the final round. While there was some contention as to who actually took home the trophy this year, there was great sportsmanship, fun and friendship gained from this incredible experience.

The other highlight was the weekly bus trip, where Mr Utting and Mrs Westbrook received a personal boy band performance from all 35 boys.

# RUGBY

HAYDEN CHAN / YEAR 6

**The 2023 Rugby season was a huge success with only two losses the entire season. We had an exceptional team of Year 5 and 6 boys, totalling 26 players. This included many new to more experienced players.**

Throughout the season we saw a major improvement in our passing, team co-ordination and overall skills. Everyone contributed and no-one was left behind. We saw major success when our forwards competed for the ball in scrums, allowing our backs to play in a skilful and co-ordinated manner. We must mention the sheer speed and elusiveness of Christopher Lisle and Gideon van Niekerk (Year 6) who managed to score length-of-the-field tries on multiple occasions. We would like to thank Mr Healy and Mr Gowland who put in the effort to help train us every Monday morning, even when it was bitterly cold.

The final game of the season was a major highlight. We came away victors against Hale in a comprehensive 52-0 win. In addition, the father/ significant other and son match was full of laughs and good humour and played in a wonderful spirit.

This year's rugby cohort loved the game and was successful in making bonds with everyone on the team. We hope 2024 will be another good season for rugby in the Preparatory School.

# SOCCER

XAVIER BEGG / YEAR 6

**The soccer season was an absolute blast! It was full of celebrations and, at times, defeat. We would like to thank Mr Mark Lee for being an amazing coach, allowing the boys to play where they wanted and to control the game, which was a great learning experience.**

A highlight for me was playing against Wesley, because after the match it was 3-2 to us as we got to do a penalty shootout. Lastly, I would like to thank all the boys in the team. They were tenacious and persistent, no matter the outcome, even through horrible weather, or if the game wasn't going in our favour. It was an awesome experience, and I can't wait to play in the Senior School.

# SWIMMING

BRADY LECKIE / SPORTSMASTER

Yonga House won its fourth House Swimming title in a row after a great day of competition in the pool. Dominating from the first race, Yonga led throughout the day, demonstrating a strong, team effort.

Final Results

6	Xander Bennett and Mathew Shipton

Congratulations to Theo Porter (Year 5) for setting new School records in the 50m Freestyle (30.52) and 50m Breaststroke (42.13) on the day.

## JPSSA SWIMMING CARNIVAL

Our swimmers put on a great display at the JPSSA Swimming Carnival to win their fourth title in a row. The 2023 success adds to the Preparatory School's winning tally of 11 titles in the past 14 years. It was an awesome team effort and everyone should be very proud of the boys.

# TENNIS

LIAM KAIN / YEAR 6

**Through wins and losses, 2023 was an amazing year for all of the Preparatory School tennis players.**

As JPSSA Tennis commenced in Term 1, we were all excited for a challenge! A new cohort of Year 5s meant that the seasoned Year 6 players had to improve their game. Despite this, everyone showed excellent sportsmanship throughout our regular challenge matches at Monday's after-school training sessions.

Term 1 was a great season for all those who chose tennis as their preferred sport. Numerous challenges arose, with players rising and falling within our grading system. Term 4 came around quickly, and so began another season of tennis. As the year went on, so did the weekly wins or losses. Each week we usually ended Thursday sport proudly enjoying the bus ride back to CCGS, with every boy having won both of his matches!

Everyone proved that they were more than worthy of being part of the tennis squad. By combining CCGS's great sportsmanship with the outstanding skill demonstrated on the courts, each boy was encouraged to improve throughout the year.

# VOLLEYBALL

LI-JIAN WEE / YEAR 6

**Every Monday morning at 6am, we woke to the sound of parents calling and alarm clocks buzzing – ah yes, volleyball training day!**

As we approached school, the big blue gym was the first thing we saw, followed by the tired faces of the other boys. We headed into the gym, saw the teachers' smiles, and quickly forget how early it was. We got on with our warm-ups, skills and game play drills. When everything was over, we had a smile on our faces for the day ahead. We knew we were as prepared as could be for our Thursday matches.

Each Thursday, as we did our schoolwork, we looked forward to our games in the afternoon. During 2023, we had many great matches. We always looked forward to playing Aquinas, Hale and Scotch, as they also had strong squads. This season, we had many wins! The afternoon always passed quickly, and we returned to school sweaty but proud of our sporting achievements. We can't wait for volleyball in 2024!

# WATER POLO

OLIVER SWANN / YEAR 6

**Water polo was a blast for all the boys this year, with both A and B teams having a strong and competitive season.**

A big shout-out to all the Year 5s who stepped up to play in the A team. We were also fortunate to have Mr Stanton-French as our training coach, alongside Mr Healy and Mr Gowland as our game day coaches.

One of the highlights was the father/significant-other game. The boys had so much fun playing with their family members and teaching them how to play water polo.

Overall, I think that the water polo season was very successful for all boys.

# PRE-KINDERGARTEN AK

ASHA KIANI / TEACHER

**Two big highlights of Pre-Kindergarten in 2023 included making new friends and raising a family of silkworms, snails and slugs through an entire life cycle.**

## BOBBY BAHEN

I like the river, got in the water, saw fish. I like playing with the slide, I slide down it with Yunfeiyang, Howard and Aaron. Silkworms eat leaves and then they go to moths.

## HOWARD CHENG

I like race cars, I play with it with Aaron, Triston, Clive, Tommy and Yunfeiyang. I like playing bikes, I ride on it. Silkworms turn brown, come out as a butterfly.

## LEONARDO COSTANZO

I like the two-seated bike with Matteo, Sebastian, Andreas, Sidney and Clive. I like building toy trucks and engineering in the sandpit. Silkworms crush up leaves and turn it into juice, then some turn into butterflies.

## AARON DINH

My favourite thing to do at school is playing. I love to run with Howard, play games – dinosaurs, Mobilo, building a race car. Snails have shells, it hides them, slugs don't have any shells.

## THOMAS ELEY

I like drawing, painting, cars, Mobilo with Howard and Yunfeiyang. I like playing dinosaurs, bikes and T-Rex. Slugs don't have shells and snails do have shells – they move, eat leaves.

## MATTEO FRANCO

I like to play with Sidney and Leo, we put pipes under the ground to chuck water into another pipe. When silkworms come out of the cocoon, they turn into a moth.

## ALEXANDER GARVEY

I love Mrs Balfour, playing the drum and the triangle, playing the maracas. Play with Sebastian, Yunfeiyang, Darcy.

## DARCY GONG

I like bikes. I play in the school. I play with Haoyun. Snails and slugs eat leaves.

## SEBASTIAN GOULDSMITH

I like to have fun and play with trucks and water with towers with Triston, Tommy and Jasper. Snails and slugs like moving, they move and then they go backwards.

## SIDNEY HAGEN

I love to play with everyone. I like doing the water tap with Matteo, Andreas and Leonardo. We build a sand and water castle. Slugs and snails are very slimy, and the snails need to grow their shell.

## JASPER LI

I like Lego. Playing bike with Howard, Triston, Hayden. Sandpit, sandcastles. Silkworms are like caterpillars and then fly. Eat leaves.

## LIAM LIMILLS

I like to ride bikes. I put some blocks on it and I put the trailers on, and load and I go really fast. I like the rocket with Ben and Freddie. Silkworms eat leaves and then fly really high.

## TAJ MACARTHUR

I like making rocket ships and playing with the magic sand, ice and water with Tommy and Darcy. Silkworms look like caterpillars, but they are smaller.

## FREDDIE MILNER

I like playing with Triston and Yunfeiyang. We play with trains. Outside, I like playing in the cubby with Liam. Slugs eat fruit, I like fruit. Snails eat grass and are next to my house.

## NOAH MOYO

My favourite is playdough. I make some playdough and make some fish. I play outside with Darcy, with Tommy. Snails make trails, the slugs eat leaves.

## YUNFEIYANG SHEN

I like playing spidey games outside with Aaron and Tommy. I like Lego, I make creations. Silkworms lay eggs, then they turn to butterflies. Snails and slugs make slime and lay eggs too.

## CLIVE SLATER-PENNY

My favourite is playing dump trucks and racing cars down tracks with Leonardo, Andreas and Bobby. Silkworms eat leaves, we go outside to get leaves from the spot and then we feed them.

## ANDREAS STAVRIANOU

I like coming outside and going on the trampoline with Howard, Tommy and Triston. I like racing cars. Snails hide in their shells if they are scared of something. Silkworms are so fluffy.

## HAOYUN SUN

I like school. I like playing cars, puzzles, playdough, digging sand outside. Darcy is my best friend. Snails have turtle-like heads.

## CHARLIE WAINE

I like to do my jobs at school. I like playing with my friends – Tommy, Jasper and Aaron. I like the cars and cranes. Silkworms are like butterflies.

## TRISTON WEE

My favourite is to play Mobilo. I make a truck with Jasper, Howard, Sebastian, Aaron and Yunfeiyang. Outside I play water and sand. Snails and slugs are soft, they have ears that are a little bit long.

## HAYDEN YOON

I like playing with ice and playing with trains with Triston, eating, playing with the Thomas trains. Silkworms can be brown and can be white.

## BENJAMIN ZHANG

I like making trucks at the Mobilo and playing with the space station, bicycles and sandpit with Jasper, Tommy, Taj and Liam. Slugs don't have shells, snails have shells. The shells keep them warm.

## WILLIAM ZHANG

I like playground, water – put sand in it with Sebastian. Silkworms go big, long. They eat leaves and go big and lay eggs. The moths really stick to the sides of the box.

# KINDERGARTEN CW

CHANTAL WIDDICOMBE / TEACHER

**2023 has been an amazing year of connecting, learning and having fun together in KCW. The boys reflected on the year that was and were asked: What do you love about Kindy?**

**ALEXANDER CATALANO**

Playing. I enjoy outdoor play and eating my lunch. I like to play there. Mat time, activities, and listening on the carpet. I like Art and going to the river. I wish I could come back.

**HARRISON CATALANO**

Lots of things. I like playing. I enjoy playing with the toys in Mrs W's class. Also, I like to learn things there. I love going to the river and throwing sticks into the water and making boats.

**CHARLES CHU**

I play with William, Nicholas, Leo and Branden. I liked going to the museum and the farm.

**LIAM FRY**

Sometimes we go on excursions. My favourite was the farm. I like painting.

**DANIEL JACOB**

I play fun games. I play Spiderman games. I do painting. I liked going to the big playground.

**NICHOLAS JIANG**

I like to draw and colour in. I liked to go to the museums and look at things.

**BOWU (JAYDEN) LI**

I like reading books and building. I like cooking.

**BRANDEN LIN**

You can play. I play with blocks. I like to do fruit time. I like reading. I like playing with Eric because he always plays with me.

**LEO ROBINSON**

I play with Liam and Charles. I like reading books at library time. I liked the museum and seeing the big dinosaurs.

**PEI SI**

I can play. I like everything. I liked the car. I like the cow. I like playing with Nicholas.

**ISHAN SOMANATHAN**

I play. I do climbing. I like going to the river. I play in the sand.

**ERIC SUN**

Mrs Widdicombe and Miss Barnes. My friends. I like sports and running races. I like to make cars and draw something. I like to play with all of my friends.

**CAELAN SUTCLIFFE**

I like to play with Benny. I go down the slide and play basketball. I liked going to the farm and seeing the cow and pig.

**BENJAMIN TOOHEY**

I love playing. I liked playing on the slide and playing basketball. My favourite was the farm because I pat the animals.

**NICOLAS YEPES BUSTAMANTE**

I play outside. I play everything I want. I play basketball.

**WILLIAM ZHANG**

I play outside. I play with my friends. I like learning about sea creatures, and I went to the sea creature museum and I loved it. And I love going on the big bus.

# PRE-PRIMARY MB

MEGAN BANKES / TEACHER

## MIKAYL AFSAR

In Pre-Primary, we get to go on the big kids' playground sometimes. We went to Scitech to see inventions. For Upside-Down Day we did the opposite of everything. We had a dinner and wore our pyjamas. We walked to Lake Claremont to find birds. There was a list. I saw them all.

## SULEMAN BADSHAH

For Upside-Down Day we got to wear our pyjamas to do everything upside down and we even ate some food upside down! In Pre-Primary, we do swimming lessons. I was with my friends. I play basketball outside with Julian, Finn and Matthew. At the zoo excursion, we saw lots of animals, I really liked the lions.

## MILES CHEAH

We go to the big playground, when you are half Pre-Primary. We had lots of excursions, like to the zoo. We used to have chickens, they hatched from eggs. They went back to the farm which was very sad. We get to do investigations and I especially like the pet shop.

## ASHER DO NGUYEN

I really liked swimming lessons because you can do dives in the deep end. My best thing is Father's Day, because we got to roast marshmallows with our dads. I like doing Strings, I learn the violin. We got to learn about how inventions work and try some out.

## HARRY GAIRNS

My favourite thing in Pre-Primary was that we had chickens and they hatched out. We made a chicken playground. The chicks went on our playground. We did swimming lessons with friends. In swimming there are lots of monkey and alligator games.

## MATTHEW GAULD

The best thing about Pre-Primary is that we visit the big playground. Me and Miles played on the slides. At the zoo excursion, I was in Miles's group and we went in the nocturnal house. We saw a bear and reptiles. For Upside-Down Day, we ate roast chicken and wore our pyjamas.

## FINN KIRMAN

I really liked my recess where I played with all my friends. I also liked taking my iPad up to Mr Haggerty for Design and Technology. I really liked my swimming lessons.

## HUGO HAMMOND

This year I made lots of friends and I liked to play soccer with them. I liked my PE lessons because we did all sorts of fun activities.

## TEDDY HARRISON

I had a great time swimming in the pool in Term 4. I enjoyed making my mealworm habitat. Year 2 was fun in the playground, and I really liked playing soccer. I also liked going on my iPad in Design and Technology. The river was a fun time too.

## RYAN HERATH

I really enjoyed my time in Year 2. I really liked my Maths lessons especially addition, subtraction and multiplication. Spelling was one of my favourite subjects. I also liked to go up to Mr Haggerty's room because we did Rube Shoot.

## KYLE HUANG

I had a good year playing with my friends and I really liked making the mealworm habitat. I liked practising Maths on my iPad, especially partitioning.

## JACKSON JAMES

Jackson loved playing Rube Shoot on his iPad and playing with the 3D shapes.

## RYO MACDONALD

I really liked going on the excursion to Kalamunda. I liked playing on the old vehicles and visiting the olden day classroom. I really enjoy playing on the playground, especially the big yellow slide.

## WILLIAM NGUYEN

This year I had a good time in Art, and I liked making our cut-out pots. I also like reading and going to the library for my lessons. The mealworms were fun to watch change and then I made my mealworm habitat.

## RIAAN SAHNI

Year 2 was fun. I really liked my friends and I liked to play *Star Wars* with them and play with the bean bags in Manjar Square. I really liked literacy.

## JOE SIKIRICH

I had fun this year. I liked going to the library and reading news books I borrowed. I loved the mealworms and watching them change into darkling beetles.

## SAM SINCLAIR

I really liked designing and making the mealworm habitats. It was really epic! I liked Sport lessons and I loved learning the piano and drums.

## BEN SPEHR

We had a great incursion at school all about creepy critters. My favourite animal was the sugar glider. Visiting the river was a highlight for me. I really liked building small huts out of sticks and dirt.

## JIMMY STRICKLAND

I really liked learning with my teacher Mrs Wisker. Swimming lessons were fun, and I liked Maths. I liked playing with my friends at recess and lunchtime.

## LIAM THAM

There were a few things I really liked doing. I loved Maths and I really liked Golden Time. I also like Design and Technology. Literacy, especially Talk for Writing, was really good because I learnt all different stuff. I also liked the swimming lessons.

## XAVIER THOMPSON

I really enjoyed being involved with the House Shout. I was able to play the xylophone for Kearla House. It was really good and we won! I like Golden Time and love my music lessons where I learnt to play the drums.

## LLEYTON TRAN

I liked to play with my friend Remy on the slide because it was lots of fun and exciting. When I broke my leg, my classmates were very helpful and assisted me. I also liked to go down to the river. I also liked sport, particularly footy.

## JEREMY WEN

I loved Maths Extension. I also enjoyed swimming.

## TED WHITE

I really liked the new friends I made, and I had lots of fun playing with them. Maths and Science were fun. I also enjoyed my Art lessons.

# YEAR 3HP

HEATH POZZI / TEACHER

## OLIVER BAKER

I like going to Drama with my class 3HP. We play a game called Bang. The aim of the game is to shoot each other out and the last one standing wins the game. It is so much fun.

## RILEY BRINKMAN-GRAY

Getting to touch and hold the birds and reptiles when they came to visit was a highlight. We got to look at all the animals that had been found and rescued. It was great!

## RUPERT CURNOW

I loved the Athletics Carnival. It was my favourite event because, I came Runner-up Champion Boy. I got two first place ribbons.

## OSCAR D'ALESSANDRO

This year I have really enjoyed PE. I especially enjoyed playing all the different games with Mrs Pugh. It was so much fun.

## ALEX DUARTE

A favourite moment was when the birds and reptiles came to CCGS. My favourite animal was the very interesting looking tawny frogmouth. I love birds.

## ROHIL FAYERS

It was great fun doing swimming. When we did our trials for the carnival, I was a bit nervous but I still did it. I also enjoyed having a lot of great teachers.

## MAX HAYLER

I loved our excursion to the zoo. It was amazing! I especially loved it when the smart elephant waved at us and showed us lots of tricks. I also really enjoyed my great talks with Mr Pozzi!

## RYAN LE

I enjoyed the Athletics Carnival the most because I got third place in the 100m race. I was nervous and I thought I was going to do poorly. It was a bit of a miracle; I was losing, and then somehow, I raced up to finish third.

## SEBASTIAN LEWIS

I loved the Cross Country Carnival. It was great seeing everyone participate. I think it was the right distance for Year 3 and I was very happy with my result. I won the race for Wardung!

## BOMING LIN

I enjoyed our zoo excursion. Especially when we went to see the penguins. They were so cute and funny. It was great to watch them eat and play.

## OSCAR MOLTONI

I really liked performing my Speakers' Challenge speech. It was a challenge, but also fun! I loved talking about the Chevy Corvette, one of my favourite cars.

## TINASHE MUSUKA

I had lots of fun doing the Athletics Carnival. We arrived at school like normal. Then on the bus, off the bus, and into our House areas. Then we got into the events. At the end of the day, I walked away as Champion Boy.

## ELIAS PAPINEAU

I really enjoyed Year 3. One of my favourite events was the Athletics Carnival. I was nervous at the start, but I ended up coming third in the 800m race.

## JONATHAN PHATARA-ATIKOM

I loved House Shout. My House sang a song called, *Somebody That I Used to Know* by Gotye. We practised a lot in Kearla, and it all paid off, because we won the singing competition.

## GEORGE RUSSELL

What I really liked about 2023 was making dragons out of recycled materials in Innovation. I also liked when we went to the zoo and the lion got angry.

## ROHAN SHIVAKUMAR

I thought I'd done well in my speech. I was very nervous as Mr Pozzi was beginning to announce who the captains were going to be. When I heard my name called, I was super happy!

## BROCK SMITH

As I turned the first soft page, the beauty of flowing words grabbed my head and pulled me closer. I read it as fast as the wind. I was embraced in words. I couldn't stop reading.

## CADEN STALCUP

My heart was pumping, the adrenaline boosted my blood pressure. I was really nervous. Three ... two ... one ... GO! I ran as fast as I could.

## PADDY STRICKLAND

I walked in and saw cages, lots of cages! One was open, it was a blue tongue. As the lady was feeding the lizard, we all could see its blue tongue flickering in and out!

## ETHAN VAN DER MERWE

I enjoyed showing my parents around the School during the Term 3, Open Classroom. I showed them my art, the classroom, Music and then we went to the Chinese room.

## FRANKLIN WHITE

I entered the bird cage with excitement. As they started to fly around us, I was full of joy. The birds moved swiftly around the cage; left, right, up and down. We approached the penguins, they looked so cute.

## KILLIAN WHITE

The Herdsman Lake excursion was a lot of fun. I enjoyed walking around the swamp in the peace and quiet watching the birds.

## CHARLES XU

I loved going to Scitech. The planetarium was the best. It was like going to the movies, but with all your classmates. I also liked sharing my jokes in class.

## TOBEY YOONG

Almost ... almost ... Yes! I got a PB in my breaststroke! Okay, so onto the next one, freestyle. I loved competing in the Swimming Carnival.

# YEAR 3NH

NICHOLAS HOGAN / TEACHER

## TOM CHETTLEBURGH

One of my favourite things was in the playground with Chester, George and Riley in handball. My second favourite thing was the Football Carnival at Aquinas.

## GEORGE COLVIN

This year my favourite event was going to Scitech, this is because I want to be an astronaut. I also loved the book day because I dressed up as Spider-Man.

## JAMES FULLER

My highlight was the Chess tournament in 5SH as it was really fun. I came first. My favourite part was playing and meeting new kids and even making friends with them.

## SAM GRABINSKI

My favourite thing was going to the Perth Zoo because it was really fun and long. I also liked the Cross Country Carnival because it was insanely fun.

## BODHI GRACEY-CAMPBELL

My highlight for the year was when we went to the Perth Zoo with St Hilda's. My second highlight was coding robots in Innovation.

## COEN HARDCASTLE

I enjoyed the Cross Country because I got fun, energetic exercise. I also enjoyed Scitech because I went on the train for the only time I remember, and also because I experienced what it is like in a space rocket.

## LOUIS HATLEY

I have loved Christ Church; it has been really fun. Making friends has been good and I love my teacher, Innovation, and my friends.

## PAOLO JUWONO

The thing that I most enjoyed was going to the Perth Zoo to see all the animals, and my favourite animals were the penguins. My second favourite was playing soccer with my friends every day at recess and lunchtime. It was really fun with an energetic and competitive feeling.

## JOSHUA KHALIL

I enjoyed the Soccer Carnival with my team at St John's Wood. I versed my BFF's soccer team because he's at Hale School and we beat them 3-0. I also enjoyed playing soccer with my friends at recess and lunch.

## RILEY LEDGER

I liked the Cross Country because it was challenging. The House Athletics Carnival was great because it was tiring.

## CHESTER LITTON

This year I loved the handball competition. Charlie won it! It was also very enjoyable.

## HENRY MITCHELMORE

House Cross Country! I loved how you run really far without stopping. I came 10th. When I was done, I was proud of myself because I beat 60 people.

## LEON NG

My favourite thing was AFL and learning how to kick a football. My favourite place was Scitech because it was interesting.

## AARAD NIKNAM

My favourite part of the year was when we went to Hale School because I saw every single person from my old class. I cried with happiness. My second favourite was House Dodgeball. My third favourite was the Football Carnival. It was soooooo fun!

## TOBIAS PEATE

I enjoyed dressing up at Book Week because I had fun and the Soccer Carnival was great because we beat every team, and I scored lots of goals.

## GEORGII PUSHKIN

I liked Perth Zoo because we saw animals. I liked playing soccer with Coen. Also, Coen and I have our own books on writing, so this year was just too good.

## CHARLIE SAMBROOK

My favourite parts of the year were the following: firstly, I really enjoyed the 3NH handball competition. It was fun, and I won. Secondly, the House Cross Country Carnival because I love running!

## DAVIS SEO

My highlight was the dragon building in Innovation as I like to build things. We eventually placed these on robots. I think that my creation would not stand the true dragon test.

## HARRISON SPEHR

My favourite thing this year was the Centre for Excellence. I loved building the robots. I called mine Grip-lock. Secondly, I enjoyed writing because I liked reading and writing about bunyips and dragons.

## FLYNN TOMASZ

One of my favourite things was when we did House Cross Country. Also, one of my favourite things was when we played soccer because I like soccer.

## KEVIN WANG

I enjoyed making a dragon in Technology out of recyclable things. My other one was the Soccer Carnival at Aquinas because we won both times. I scored once and it was a lot harder than I thought.

## RYAN ZHANG

I liked the Soccer Carnival in Term 3 because I usually play soccer and it is a game where everyone gets involved. I also liked the Cricket Carnival in Term 1 because to me it is a game of timing.

## LONNIE ZHU

I had two favourite things! Firstly, we went to Scitech. I spent most of my time playing the games with my friends Joshua, Henry, Davis and Paolo. Secondly, we also went to St John's Wood to play our Soccer Carnival. My friend Brady and I were the stars of the team. I scored three goals and he also scored three. The score was 6-0 so it was also an enjoyable event!

# YEAR 3RD

RACHAEL DURSTON / TEACHER

## NOKHEZ ALI ASSLAM ALI

In Term 4 we had swimming lessons. I had my own swimming teacher and it was with Kirby Swim. I went there because I am still learning to swim.

## BROM BELLINGE

In Term 2 we had a special visitor, Mr Clarkson. He was learning to be a teacher. We had games and fun times and that's a memory I won't forget.

## ELIO CAMPITELLI

In Term 3 we spent weeks practising our House Shout song. On the day of the competition, we went to the Chapel and every Year 3 to 6 boy sang. I'm in Kearla and we won!

## MARCUS CHEUNG

In Term 2 we walked to Claremont train station and took the train to Scitech. When we arrived, we went to the planetarium. It made me very dizzy. My favourite part was the rocket simulator, but it also made me dizzy.

## HARRY COOPER

In Term 3 in Technology, we designed and then created dragons from recycled parts and painted them. We wrote an information report and a story about our dragon. In Term 4, we learnt to code RV cars.

## IGGY CORNELIUS

At the beginning of Term 3, we had an incursion from Kaboom Percussion in the Chapel. They played with a cereal box and pretended it was a drum!

## JOSEF GALATI

For Science Week, all the Year 3 boys went to the Senior School. We saw a tortoise, a snake, two lizards and a tawny frogmouth. I touched the snake, and he was heavy and smooth.

## OSKAR HAY-LI

In Term 1, all the Year 3 to 6 boys went to the House Cross Country. The Year 3s and 4s had to run 1.5km and the Year 5s and 6s ran 2.1km.

## MYSEN JONES

In Term 2 we had Book Week. On the Friday, I dressed up as Boba Fett from *Star Wars* and it was fun. I also liked looking at other students' cool costumes.

## KIT MURRAY

On the Monday of the Week of the Arts, we went to MLC to watch Sydney Grammar School perform music pieces. Sometimes they sang and sometimes they played as an orchestra.

## HEDLEY MYLES

In Term 3 we wrote letters to our buddies at St Hilda's. A few weeks later, we met them and had a scavenger hunt where we had to take a photo of things around the School.

## HUNTER PITTS

In Term 3 we had Grandparents' Day. I showed my grandparents my speech and they loved it. I showed them the specialist rooms, but my Poppy's legs hurt so we went in the elevator. I was 100 per cent happy the whole day!

## PETER SEVERYN POROSHENKO

In Term 1, a fire truck came to the Blue Web. First, they told us about how to stay safe from fires. Then they gave us a tour of the fire truck.

## WYATT PYVIS

As part of the Week of the Arts, we had the Class Concert. Everyone in Year 3 got a chance to perform if they wanted to. Some boys sang together, others played together and some played instruments by themselves.

## JASON QIU

At the end of Term 3 when it was Open Night, I was with my mum. We went to the Art room because I wanted to show her what I had done. I impressed her with the fish plate I made.

## SAMUEL RUSSELL

On 21 June, students from Years 1 to 6 met up for a Year 6 Market. We bought all sorts of things to raise money for the Make a Wish Foundation.

## HARVEY SOMIC

My favourite subject is Year 3 Sport. All Year 3s gather to practise sport on the oval on a Thursday afternoon. In Term 1 we did cricket, Term 2 was soccer, and Term 3 was football. In Term 4 we played basketball.

## BRADY TEOH

In Term 2 we had the House Athletics Carnival with Years 3 to 6. My favourite event was the 100m because I came first.

## CHRISTIAN THONG

Being Class Captain was great. I was Class Captain in Term 3 with Mysen. Class Captains collect the lunchbox, hand out books and help Mrs Durston when she needs it.

## MASON VUJICIC

In Term 2 everybody in the whole school did the Lapathon. You had to get people to sponsor you. I loved the Lapathon because we got to run for as long as we wanted.

## JAMES WALLIS

In Term 3 we had the Speakers' Challenge. I wrote a persuasive speech to convince Mrs Durston to teach us about prehistoric times. She was very persuaded.

## JEREMY WANG

I sang on the stage as part of the Year 2/3 Choir. Our songs were *What, Banana* and *Cow Over the Fence*. The next performance was someone playing the guitar.

## KAYSON WU

At the start of Term 2, Year 3 presented animal speeches. I did a speech on the Tasmanian devil.

# YEAR 4FT

FIONA TELFER / TEACHER

## SNAPSHOTS

### RORY ADAM

I will always remember LQD. The best part was building the dictionary bridges with Mr Pyefinch and constructing rafts at the river.

### HENRY BATH

Throughout Year 4 we have done a lot of fun things, but my favourite thing was LQD where we didn't get sleep and played in the river.

### THOMAS BEAVER

I will never forget the day I was the main speaker in our assembly. I was very proud of the amount of positive comments I received from people after our assembly.

### JAMES CHEAH

My favourite memory from Year 4 was LQD. The best part about LQD was the sponge race.

### OLIVER D'ARCY

I will never forget the day we went to Koorinal. It was super-duper fun! My favourite part was swimming in the freezing lake.

### SEBASTIAN DILLON

I have always loved the time we danced in our costumes for Book Week. It was so fun to relax and dance.

### HUNTER EDMISTON

My favourite part of Year 4 was when we visited the Shipwreck Museum. We learnt about the First Fleet and the types of boats used in the olden days. I loved doing these activities with my class.

### LEWIS ELEY

I will always remember the slo-mo race we did in Drama. It was the funniest day of the year. I loved how dramatic my group was.

### DYLAN EPARI

I will never forget the day when we had LQD. My favourite part was when I watched *Captain Underpants* in the library for our movie night.

### ROSHAN FAYERS

My favourite part of Year 4 was Book Week. I loved dressing up and dancing on stage. I liked seeing what others dressed up as and playing games with my friends.

### BOSTON GOBETTI

My favourite part of Year 4 was Book Week! I enjoyed dressing up and being part of the celebration.

### DAVID HONG

I will never forget the day I was the guest performer at the assembly. I performed with Lucus Phung in Year 5. It was a great experience.

### SPENCER HOWE

My favourite part of Year 4 was LQD. The best part was swimming in the pool and the movie night.

### LOGAN KENNARD-MCGILL

I'll never forget the day we went to Koorinal and learnt new things about nature. My favourite part was when we walked down to the river. We looked at the amazing rocks and talked about what happened there long ago.

### GABRIEL LEE

Year 4 taught me about hard work and perseverance and how even if you are not good at something, you should at least try. This will stick with me throughout my school journey.

### TEDDY RATNESER

My friends and I had a really great time on LQD. My favourite part was when we got to play in the playground and play team games. I really enjoyed playing with Li-Jun.

### HAMISH RUSSELL

My favourite part of Year 4 was buddy time. We made games, pancakes and videos. It was so fun. We also played Lego together.

### LACHLAN STANTON

I will never forget the day I stayed up until two o'clock on LQD with my friends. I really enjoyed eating in Sandover with my friends.

### DANIEL SANCHEZ

I will always remember the amazing time I had on LQD. My favourite part was spending time with my friends and movie night.

### ALSTON SUN

I will always remember the friends I made in Year 4. I loved playing soccer and participating in the sports carnivals.

### JONATHAN PASCOE

The most memorable part of Year 4 was LQD. I really enjoyed watching the *Captain Underpants* movie with my new classmates and playing games together around the School.

### GEORGE PEQUIGNOT

I will always remember the day that I got Runner-up Champion Boy for the Athletics Carnival. I was very excited because it was my second time in a row.

### LI-JUN WEE

I will never forget the time we had LQD. I slept next to my friends Teddy and George. We went down to the river to build rafts.

### LOVELL ZHU

My favourite part of Year 4 was when we went to Koorinal. I had a great time with my friends and exploring the different environment was very interesting. My favourite part was swimming in the lake because I love swimming.

GEORGIA MOORE / TEACHER

## (YOU GOTTA) FIGHT FOR YOUR RIGHT (TO LEARN!) BY 4GM AND THE BEASTIE BOYS

### (Verse 1)

In Year 4, we joined the class, we're oh so cool,  
A school year party, breaking every rule.  
From Noongar Culture to history's call,  
First Fleet's arrival amazed us all.

Swimming and athletics, we made quite a splash,  
Incursions and river visits, an exciting dash.  
From Talk for Writing to figurative language's grace,  
In Year 4, we conquered every learning space.

### (Chorus)

(Yeah, you gotta) Learn in Year 4, it's so much fun,  
(Yeah, you gotta) Play and laugh, we've just begun.  
(Yeah, you gotta) Make memories, hear them roar,  
It's time to celebrate Year 4, we want more!

### (Verse 2)

Homework and projects, we gave it all we got,  
With forces, climates, materials, we fought.  
Life cycles, rock cycle, in our science quest,  
Year 4 rocked the test, we're truly the best.

Soil types, erosion, and weathering, you see,  
Year 4, we're like a natural mystery.  
From the ground to the sky, we explored it all,  
Year 4, you've made us stand so tall!

We went to LQD, it was a blast,  
Koorringal day visit, a memory that'll last.  
Kings Park and Shipwreck Museum, don't you see,  
In Year 4, we're the best that we can be!

### (Chorus)

(Yeah, you gotta) Learn in Year 4, it's so much fun,  
(Yeah, you gotta) Play and laugh, we've just begun.  
(Yeah, you gotta) Make memories, hear them roar,  
It's time to celebrate Year 4, we want more!

### (Verse 3)

On the playground, making friends and memories,  
In the classroom, we're Year 4 mysteries.  
With Dr Males bursting through the door, oh boy,  
Saying, "What's all that noise?" with boundless joy.

### (Chorus)

(Yeah, you gotta) Learn in Year 4, it's so much fun,  
(Yeah, you gotta) Play and laugh, we've just begun.  
(Yeah, you gotta) Make memories, hear them roar,  
It's time to celebrate Year 4, we want more!

### (Outro)

As Year 4 ends, we'll treasure every day,  
The knowledge we've gained in every single way.  
With grateful hearts, we say goodbye, it's true,  
Year 4, you've been a blast, and we'll always love you!

# YEAR 4JS

JAMES STANTON-FRENCH / TEACHER

## MEMORABLE MOMENTS

### ALEX ANAGNOSTAKIS

My most memorable moment was when we were on LQD and we were playing cricket and soccer with my friends. The thing I loved the most about it was hanging out with my friends and also my teacher.

### JAKE BABICH

I was shaking. It was the Speakers' Challenge. I started off by saying, "The main characteristics of an ideal villain ..." It started very smoothly, and I was hoping I would keep it up. Mr Stanton-French announced, "... and the winners are Jake and Dhruv."

### HARRY BROWN

Harry was a true ray of sunshine in 4JS this year. We all loved it when he joined our class in the morning and brought his kind-hearted smile and warm attitude. Harry loved hanging out with the boys, and they always rushed to be the one to sit with him. We will miss him in 4JS!

### AYUN BATAHENA

A thing that I enjoyed immensely was the sleepover at LQD. I also liked the chips at recess. We also had an educational tour at Kooringal, while also getting to swim in the deep river with a lifeguard.

### SAMUEL CLARK

My most memorable moment was when we swam in the pool, and we had a quiz and saw the School light up in the night.

### NITHILA DISSANAYAKE MUDDIYANSELAGE

My most memorable moment was the Kooringal experience. We ate hotdogs, swam in the river, and went deep into the forest to explore things that we had never done before.

### NEEL GADVI

My most memorable part of school was LQD and spending lots of time with my friends. It was very exciting to look forward to it and I'm sure you will have lots of fun.

### HUMPHREY HAGER

My most memorable thing this year was when my mum and dad dropped me off and I didn't know where the classroom was. Mr Dawson helped me to my classroom, and he remembered me from Pre-Primary.

### JJ HEALY

My most memorable thing is when I went to Kooringal and swam in the river and ate a sausage sizzle for lunch. I made a lot of friends at LQD and it was such fun.

### HAMISH JOHNSTON

My best memory was being Class Captain with Hudson. Also, we had to go Sherlock Holmes mode and solve the case of the stolen lunch order.

### HAYDEN LEIGHTON

My most memorable moment was when I won the sponge and bucket race at LQD. And when I met Ethan. Now, he is my best friend.

### LAUCLAN NAYLOR

My most memorable thing was breaking my pinkie. I was playing footy and tried to mark the ball. It hit my pinkie and broke it.

### HUGO PAGE

One of the best times was LQD. Hudson came up to my top bunk and we stayed up all night. Then I woke him up at 2.00am, and even worse, we woke the teacher up at 5.00am.

### CRISTIAN PASCU

The best thing was meeting Marcus and Hudson. I also enjoyed going to LQD. One piece of advice for LQD is that it's not as scary as you think!

### DHRUV SANJAY

My favourite thing was making new friends such as Hayden, Humphrey and JJ. Also, LQD when I stayed up all night for no reason at all. My favourite moment in LQD was at 2.00am when one of the boys put his light on and started reading a book.

### LEON STANFORD

I woke up in the night at LQD as one of the boys wouldn't stop throwing his toy at me. We did activities like building a boat to float on the river and a quiz night.

### HUDSON STOTT

My highlight was at LQD when I could not get to sleep. Hugo was my bunk bed partner, so I said: "I can't get to sleep. Can I come up to your bunk?" He said yes.

### ETHAN THAM

My most memorable thing was LQD. The best thing in LQD was when we played soccer with everyone, because everyone was involved.

### ALEX TIVEY

My most memorable moment was when I showed my BGM at the Chapel. Also, at LQD when I told Finn a joke at 1.00am. Also when I met all my new friends like JJ, Nithila, Ayun and Joel.

### VISHNU VYHUNTHAN

My most favourite part was LQD. It was fun sleeping with my friends. We had a quiz night, and we did team building where we stacked dictionaries over the structure we made.

### FINN WILSON

2.00am. LQD. My friend Alex is shaking my bed asking me to wake up. "What?" I shout. Alex said, "Can I tell you a joke?" Suddenly all my friends burst out laughing as it was a prank.

### JOEL WYRZYNSKI

I had a great year. One of my many favourite things was the Centre for Excellence. I met new people and had fun.

### MARCUS YOUNGS

The best thing was meeting Hugo and Cristian and them introducing me to a new game! I also started to play with Lachlan, Yuvaan and Noah.

### BAXTER ZILKO

I was shocked by the news that our first Speakers' Challenge was happening. I was almost last on the list, and I was HORRIFIED. It was my turn to speak. I looked around in shock at all my friends. But I did it!

# YEAR 4TR

TONIA RANFORD / TEACHER

## ARSH AGRAWAL

### What was my favourite art activity?

I expressed my creativity when I designed an airship in Art and made firework designs using origami based on the novel, *The Firework-Maker's Daughter*.

## DARIO BARBOSA

### What was my favourite event this year?

My favourite event this year is LQD. We had delicious food like ice cream for dessert!

## HARRISON BENNETT

### What events will you remember?

I will remember LQD. It was awesome. I will remember Sport when we played soccer.

## LACHLAN BORLAND

### What do you think was the most important value this year?

I think that Care and Compassion was the best value. I showed care and compassion to my friends when they were hurt or had no-one to play with.

## NICOLÁS BROWN MORALES

### What did you achieve this year?

Every morning I solved a wordle puzzle, and after a while I became quicker at finding the daily word.

## JAMES CHANG

### What advice would I give to a Year 3 student?

My advice to all the Year 3 students coming into Year 4 is to always be kind and helpful.

## RYDER COGAN

### What were some of the unexpected events that happened this year?

An unexpected event was that I stopped playing tag and started playing soccer, and I also made new friends.

## LUCA CONNELL

### If I could go back to the start of the year and give myself some advice, what would it be?

I would tell myself to be confident when speaking in front of an audience and not to be afraid of answering questions, even if they are challenging!

## THEO DRABBLE

### What challenge did I face this year?

One challenge I faced this year was Thursday sport. It was overwhelming going to the playing fields every week. But now I'm fine with it.

## NOAH FEENEY

### Who made the biggest difference to my life this year?

Mrs Ranford made the biggest difference in my life and was an inspiration to me. I will remember her competitive spirit and her boundless information.

## JAMES GAO

### Looking back, what am I grateful for this year?

Looking back, I'm very grateful to Mr Hall for teaching me the drums. At the start of the year, I was clearly very nervous for my first music lesson.

## JAYDEN GUI

### What is something I learnt this year?

My best learning experience was learning about the life cycle of the mealworms. Did you know that darkling beetles can be black, red and white?

## LACHLAN LAMBORN

### What are my goals for 2024?

My goals are to play my cello in the class concert. My other goals are to get into Extension Maths and the JPSSA swimming team.

## JAMES LAU

### What was the best part about being in instrumental music?

The best part about being in a music ensemble this year was making new friends and getting the opportunity to perform as a group in front of students, teachers and parents.

## BENJAMIN LEWIS

### What was my favourite learning activity?

I liked learning about rocks and soils because it is what I do in my spare time.

## FERNANDO PICAZO AMERIGO

### What fear did I overcome this year?

The fear I overcame was starting at Christ Church as I had come from a small primary school. I was very stressed because I didn't know many students, but now I have lots of friends!

## ALEXANDER POLE

### What were some of the unexpected events that happened this year?

One unexpected event that happened was when school started. I learnt that half of my class was new students from other schools, and half of the class was old students.

## ELIJAH RIORDAN

### What was the biggest risk you took this year?

I had friends from my old school at Christ Church, but instead of just playing with them, we expanded our friend group.

## TOMMY SLACK

### What were some of the most meaningful moments of this year?

I was a bit nervous throughout LQD because I wanted to be with my friends in the bunks, but Nicolás made me laugh a lot, so I enjoyed my time.

**What were your top five favourite activities this year?**

My favourite activities this year were learning about the life cycle of mealworms, rocks and minerals, First Fleet coding and reading *The Land of Roar*.

**YUVAAN VIJ**

**What was the most difficult challenge I faced this year?**

The most difficult challenge I faced this year was making friends. Now I have positive friendships in my group, which is great.

**GODFREY WANG**

**What new opportunities became available this year?**

I got to take home my iPad and complete my homework. I also got to experience LQD.

**JACK WHITE**

**How did I express my creativity this year?**

I expressed myself through Art by drawing and making a flying machine and stickled crabs.

**WILLIAM ZBOROWSKI**

**What was my favourite book of this past year?**

One of my favourite books was *Tiny Timmy* by Tim Cahill. I recommend these books for Years 3 to 6.

**DYLAN ZHENG**

**What was the difference between Term 1 and Term 4?**

The difference between Term 1 and Term 4 is that there is more work, and my friends are more knowledgeable.

COLIN FALLON / TEACHER

## ADVICE FOR YEAR 5

### NOAH AHMADI

Some advice I would give you is to always have the right uniform and bring the stuff you need. You should also not waste any time because if you finish your work, you get free time.

### LUKE ARNOLD

My advice to next year's Year 5s is take on all the opportunities you get and have fun in everything you do.

### MUYIWA AYONRINDE

Try and pay attention and finish quickly. Some teachers let you play games! Also, you will have lots of work so finish it all by Friday or you will have to do it on the weekend or at recess and lunch.

### DYLAN BAGGA

Advice I would give to someone going into Year 5 is to not get on the teacher's bad side in the first two terms.

### RHYS BOWKER

What advice? I would say try your best in every test you do and to not give up, do not be mean to others and try to include everyone.

### CHRISTIAN CINANNI

My advice is to always behave and be serious with everything you do. You also go to camp for a couple of days, and it is really fun.

### VINCENT CROSLAND

Advice I would give to future Year 5s is to keep up with Mr Fallon's expectations and you will have a good year.

### EAMON DYKE

My advice to the next year's Year 5s is to always respect your teachers and your peers, and to always take advantage of your circumstances and to try everything you can.

### JACK GARDINER

To have a successful year in Year 5 you have to be a good student and meet your teachers' expectations. Make sure you have neat handwriting.

### TEDDY GREENWALD

To start off, Mr Fallon is a nice guy, but do not try to slack off or he will catch you for sure. If you play a game, which you will most likely do, do not spoil it for everyone.

### NOAH HARNWELL

Some advice I would give next year's class is that you should try to do your work as quickly as you can because if you finish all your work early, Mr Fallon lets you play a game.

### KAIDEN HO

Year 5 is the year in which you grow up. There is a thing called crosses and if you do something like call out in class, you get a cross.

### JAXON ILIAS

Some advice I would give to next year is to have the right uniform and listen in class. You should also not waste any time.

### THOMAS KIDD

To have a successful Year 5 next year, you must always be ready for the unexpected and work as hard as you can. You want to always meet your teachers' expectations and make sure you have everything done by the end of the week so you can relax on the weekends.

### NATHAN LEO

Some advice for Year 5 is to always remember to do your homework. If you do not you will have one strike. One strike is equal to five minutes at recess or lunch.

### ELTON LU

Time to get serious. Year 5 is the year you grow up. So here is some advice. Never argue with the teachers. Always finish your homework on time. Always.

### DAVID LUO

My advice for Year 5 is to listen to the teacher as it is a big jump from Year 4 to Year 5. If you listen, you will not fall behind. Also, be on the search for new friends in your class.

### FRANKLIN MANFORD

My advice is always get 20/20 in spelling tests as the teachers like it when you are perfect. Teachers are stricter than in Year 4. You still do a lot of fun stuff like Koorringal.

### DARIO MANZI

My advice for future Year 5s is to follow the rules with any teacher and do not misbehave. Behave and you will have a wonderful year.

### FINN PAPINEAU

Some advice would be to get all your work done early so you do not have to rush it on Friday morning. Make sure you try out all the opportunities possible, there are quite a lot that are really cool.

### LUCAS PHAN

My advice for Year 5 is to find friends quickly and always try your best because it is one of the most important years.

### LEO SAW

I would say to try your best and do not procrastinate. It is like teachers have eyes at the back of their heads, they are always watching you.

### XAVIER SHAKIBAIE

Advice that I would give to future Year 5s is to be neat and organised. Then you do not have to go searching for your books in your tray.

### JAMES WENN

My advice is to always have fun no matter what you are doing. Keep neat and tidy while working as your small area can become crowded very quickly. Get to bed nice and early because school can be tiring.

### WILLIAM XIE

Year 5 is a very important year. You will get a choice of sport on Thursdays, so choose wisely. Finally, FINISH YOUR HOMEWORK!

JOE BLANCHARD / TEACHER

## MASSIMO ALOI

The first thing on my bucket list is to travel the entire world, see various places, taste different foods, and see unfamiliar cultures. The second thing on my bucket list is to go skydiving.

## FRED BROWNE-COOPER

First on my bucket list would be to get into the World Surf League. Secondly, I would like to live in Exmouth because there is good surf.

## WILL BURTON

The first thing on my bucket list is to go to Paris and try all the different pastries. My second thing is that I want to have kids because I want to have joy in my life.

## GIORGIO CHERUBINO

First on my bucket list I want to meet my favourite soccer player, Mbappé. Secondly, I would like to go to Paris because I would love to see the Eiffel Tower.

## CAMERON CHOW

I want to go to Tokyo because I know that they have tasty food. I also want to go skydiving because I have never been in the sky.

## THOMAS GRABINSKI

I would like to publish a bestselling fantasy book because I have always loved to read. I would like to play at Wimbledon because I love tennis.

## HAOTENG GUI

I always wanted to be a professional soccer player, and I also want to go to Italy and New Zealand, because I think it will be fun and I have never visited those countries before.

## CONOR KHOO

The first thing on my bucket list is to play airsoft games and have a full professional loadout. The second thing is to go to Canada because it is cold.

## PATRICK KING

First on my bucket list is to go watch my favourite NBA player Stephen Curry because he is the GOAT at shooting three-pointers. Second is to get into the AFL.

## ASHER LEE

The first thing on my bucket list is to get my scuba licence because when I went on holiday, I saw an option to scuba dive, but I was not old enough so I want to do it before I turn 13.

## MATTHEW LEWIS

The first thing on my bucket list is archery because it has been something that has consistently interested me. Another interest of mine is welding, so I want to learn how to weld.

## PETER LEWIS

Before I turn 30, I want to play a week-long game of airsoft. I would also like to go to Yale University and do mechanical engineering.

## JACK LINDFIELD

First on my bucket list is to meet my WWE heroes because I love watching the incredible things they do. Secondly, I would love to wrestle or commentate at WWE because it would be amazing to work at my favourite TV show.

## HAMISH MCMANUS

I would love to go on a snowboarding trip, because my whole life I have wanted to see snow. I would also like to go on a surf trip around Indonesia.

## BEN MCNAUGHTON

First on my bucket list is to be on a reality TV show. I would also like to visit the Great Wall of China, as I would like to see how long it is.

## TOBIAS NG

First on my bucket list is going to be to see a polar bear because this is my favourite animal. Next would be to make and code a video game that does not constantly glitch.

## THEO PORTER

My top things are to visit Japan and try the food and visit places like Mt Fuji. The second is to buy a fast boat, get a boat licence and go out with my dad and brother.

## HARRY POWELL

Firstly, I want to go free diving with whale sharks as I want to learn more about them and see them in the wild. Secondly, I would love to become a palaeontologist because I love reading about dinosaurs.

## SEBASTIAN SAMBROOK

First on my bucket list would be to become a professional soccer player because I have dreamed about it since the age of five. Secondly, I want to go back to the place where I was born.

## RYAN SCENEY

Firstly, I want to see the northern lights because they have always been fascinating to me. Secondly, I want to graduate from Japanese school so I can go and live in Japan, ski and eat all the delicious food.

## RIYAN SHRESTHA

First on my bucket list is to go on a cable car up into the high mountains so I can play with snow and see the view. My second wish is to become a professional soccer player or a doctor because I want to help people.

## OLIVER TAFTI

First on the bucket list is to go swimming with whale sharks, and I have been wanting to do it since I went to Coral Bay. I would also love to go sky diving, but only if it is very safe!

## LIAM TAM

I want to tour the world I have not yet seen, like Italy, Canada, Brazil and even Russia. Finally, I would love to get my first-ever pet, such as a dog or even a sea otter!

## MAX VAN HAZEL

When I am older, I want to surf a three-metre wave. One day I want to live in Byron Bay, because I love Sydney and it has good surf.

## RYAN YING

First on my bucket list is getting a reptile licence because I have always wanted to keep a lizard as a pet. Finally, I would really like to visit all my relatives as I have never actually visited all of them at once.

# YEAR 5LH

LAURA HEUER / TEACHER

## TERM 1

### VIHAAN KUMAR AND DANIEL LI

Excitingly, this was the year we went to Koorringal, and we stayed there for two nights. On the first day we got to swim in the lake after walking through a rocky and mossy slope where many people slipped. After the swim we started building our mia mias, which are small cubbies that were made of wood and logs. Unsurprisingly, the tents and dorms were hot and sweaty. Koorringal was fun.

### GUS GREENHAM AND JOSHUA STANTON

On your mark, get set, go! On Thursday 30 April all of the Year 3 to 6 boys ran the gruelling cross country track at Mount Claremont Playing Fields. The Year 5 and 6 boys ran the distance of 2.5km while the Year 3 and 4 boys ran 1.5km. After four races, Kearla ended up coming out on top. No matter, it was a fun day!

## TERM 2

### TOM MARTIN AND LUCAS SWAN

IPSHA was amazing. There were so many other schools there, such as Carmel, PLC and St Hilda's. IPSHA is a performing arts show where we put on a variety of performances such as singing, dancing and drama. We travelled to Penhros's Performing Arts Centre. Our song was *I'm Still Standing* by Elton John. Thank you, Mr Dawson and Mrs Yapp, for organising our performance.

### JAKE LEYS AND TOMAS PELLICCIA

People were cheering as their friends' races started. Everyone was having fun as there was no school that day. The races brought out the competitive spirit of our CCGS boys. There were a wide variety of events, such as hurdles, team events and relays. House Athletics was a day like no other!

### NATHAN KHULLAR AND HUGO RASTON

In the morning, Kaboom Percussion performed in the Chapel. Boom! Crash! Smack! Their instruments were things you would find at home. It was amazing because they were incredibly creative and engaging. Our favourite part was at the end when they were playing faster while throwing their drumsticks to each other.

### LARS FRAUNSCHIEL AND HARLEY PEREIRA FORD

At Open Classroom the boys are filled with pride showing their parents what they did before. Their work smiles, their parents laugh... all is good in the class.

Parents get tests and fingers crossed they pass, trying to remember what they did last. Then the parents must go, and the kids grow with the flow.

### ISAAC KANG AND VIREN WIRASINHA

The Speakers' Challenge happens every year, and every year they love to hear. The confident boys performed their speech, it was a period the teachers didn't teach. Their script speaks so clear and strong, and sometimes the speech works all along. The teachers' marking was ever so strict, It was super close for who would be picked.

### CALLUM CASEY AND REUBEN VANCE

In Term 2, we walked to Claremont Show Grounds to watch a puppet adaptation of *Blueback* by Tim Winton. Slowly, we entered the very dark theatre. The dark, eerie space created a sense of being underwater. The puppeteers manipulated their puppets. Each puppet was made of fabric to look exactly like the characters.

## TERM 3

### JAYDEN FENG AND LUCAS PHUNG

In Term 3, we had a very fun and intriguing Maths incursion in Sandover. When first hearing about a Maths incursion, we thought it was going to be boring, but we were all clearly wrong. Puzzles looked easy, but we were all confused and tricked.

Our brains shut down like a dead battery, as we got stuck on nearly impossible brain teasers. Overall, it was extremely great education for working our brains and it was so much fun!

### ALI CRADOCK AND CAMERON LI

Book Week was exciting and fun because we didn't have to wear our school uniform. Instead, we dressed up as our favourite character from our favourite books! We danced on stage in the Chapel and showed off our snazzy dance moves. The library had lots to offer with different activities every day, such as House Read, author visits and a roaming lunchtime library.

### HUGO GREAVES AND FIN SANDFORD

On Open Night, we started the evening in the classroom and presented our work, such as our class Chat GPT poem and stories inspired by Little Vixen Street. We ventured into the Art room, full of hustle and bustle, to show off our mechanical animal sculptures. We also went to other classrooms, such as the Drama room where we dressed up and danced. The incredible Innovation Lab had Lego, Tech Decks and a flight simulator on display. Open Night was an amazing night.

### MAX BAILEY AND MAXIMILIAN BONE

Singing in the background, humming through the day. The Houses: Kearla, Karda, Wardung and Yonga sang against each other in the hope of winning the glorious trophy in the House Shout competition. This year, Kearla took home the win! They sang *Somebody That I Used To Know* by Gotye. House Shout is an awesome opportunity to get together and sing your hearts out!

## TERM FOUR

### PATRICK DENNIS

Every Thursday, all the Year 5s and 6s would flood out of their classrooms to play their highly anticipated game of JPSSA sport. Our options for summer were water polo, tennis, cricket and volleyball. The options for winter were football, rugby, soccer and hockey. Every Monday, there was only one light at the end of the tunnel – sport training. We all gathered where our training was based.

# YEAR 5SH

SAM HEALY / TEACHER

## SIDNEY BAILEY

My favourite thing in Year 5 was when I went to Koorungal and we swam in the river. We also made our mia mia, which was harder than it looked as the structure kept falling down.

## HUGO BILLING

My favourite animal is a dog. Dogs are a domesticated descendant of the wolf. I like dogs because I have two dogs in my house which means that I am a dog person for life, forever.

## PIERS BRINKMANN-GRAY

The best thing was Koorungal because we went swimming and rafting. We slept in tents that were uncomfortable because there were three of us in one tent.

## NICHOLAS COOPER

Something that I was proud of making was my Franken-animal because it was really interesting to design. It was a snake, a bird and a wolf combined.

## ARI CROSLAND

My favourite animal is the octopus as they are intelligent creatures. Each has a mini-brain that allows them to act independently. An octopus's three hearts have different roles.

## MICHAEL DELLA-BOSCA

I am proud of myself because this is my first full year in mainstream. At times, it has been challenging but I have tried my best. I really enjoyed going to Koorungal.

## SAMUEL FAHIMIAN

On my holidays I went to Exmouth. We stayed at a little house near an IGA. We chartered a deep-sea boat and caught a lot of fish! I caught a spotted cod. It tasted good.

## JOSHUA HAGEN

I do not really know how to describe 5SH! They can be crazy, silly, really nice and sometimes a bit serious. 5SH is filled with great people and I am sure I will not forget anybody, especially Mr Healy.

## OLLIE HARRINGTON

My advice for future people coming into 5SH is not to give up, even in the hardest tests or the hardest sporting moments. When you feel like stopping, just keep going.

## ALEXANDER KHORSHID

The special thing about my grandparents is that as long as I do my work, they let me do whatever I want: iPad, TV, Netflix, computer, Xbox, noodles and reading. I love going to their house!

## OLIVER KING

My favourite diary reflection: A massive roar of cheering started as we entered the stadium. There were loud fireworks. The referees came to shake our hand. Then we did the toss. We won and decided to choose the left side of the stadium.

## LINCOLN LE

My favourite animal is a rodent called the capybara. Capybaras are great swimmers and can sleep in water. They are very agile on land and can run at about 34km per hour.

## CALEB LEE

I am very proud of myself for starting in 5SH this year and all my achievements. I enjoyed camping at Koorungal and staying in the dormitories with my friends.

## JAMES LEECH

Advice I would give to boys coming into Year 5 is just to do as much as you can. If you get invited to do anything, do it, because you are not in Year 5 twice.

## LACHIE MCLEOD

My advice to the incoming Year 5s is to never run down to the mat to get on the couch because you will get told off because you ran.

## ARSHIA NIKNAM

I enjoyed Year 5. I am proud of all my work. My favourite thing was Times Tables Rock Stars. My biggest score was 53.

## OSCAR PYEFINCH

My favourite thing about being in 5SH is that if we do good things, we go outside and play a game, which is really fun. Also, Mr Healy is really nice and he always make us laugh.

## EWAN ROBERTSON

One of the funniest things was when I went into my room and my sisters were selling my toys and left over stuff! I decided to join in and we sold our old stuff to my mum.

## JAMES ROBINSON

My favourite memory is Koorungal because we went in the creek to cool off from the 30-degree temperature. Koorungal was also good because we got to learn about lots of things that I did not know.

## JETHRO RUSHTON

This is what future Year 5s ought to know about JPSSA sport. I thought that Year 4 Sport was good, but this is better. There is even before or after-school training.

## DEXTER SABA

My advice to future Year 5s is to not complain after lunch. It can seem like it is a small thing but a lot of complaining can cause a big problem.

## MARC THOMAS

My absolute favourite animal is a snake. Reptiles sometimes get labelled 'cold-blooded', but this is incorrect as their blood is not cold. Reptiles are ectothermic.

## MILES TIANG

My favourite animal is a penguin. Penguins are a species of flightless aquatic birds from the order of Sphenisciformes. Most penguins feed on krill, fish, squid and other forms of sea life.

## ETHAN XUE

My favourite memory of Year 5 was camping at Koorungal and heading down to the lake to kayak and then flipping our boat.

## EVAN ZHENG

My favourite diary reflection: Should pets be allowed in school? I think so because people who have pets can let people who do not have pets play with them.

# YEAR 6JJ

JASMINE JEFFS / TEACHER

## THANK YOU, PREP SCHOOL. WE WILL MISS EVERY PART OF YOU!

### HASSAAN BADSHAH

Thank you, dear Year 6 stairs, for all the times I have stepped on you. No matter what type of harsh weather faced you, you always stayed standing strong. Your sensor light provided us with security when it was dark.

### DYLAN BAILEY

Goodbye, Manjar Square. I will always remember your beaming silver poles that can be seen from the oval. Thank you for always providing excellent company, particularly for students who didn't have a hat or when it was raining. You will be missed.

### ARCHIE BLACKBURN

I will miss you, roundabout, because I have always sat on your bench in any weather. Your backwards C shape protected us from cars as we waited for our parents.

### MARCO CAMPITELLI

Goodbye, wooden lockers. Thank you for your storage and dealing with the unbearable. Your limited storage will hold a special place in our memories as we upgrade to bigger lockers next year.

### JONATHAN CONNELL

Thank you, grass, for all the times I fell on you but was unharmed. I will miss your soft touch that I played on with my friends. You were always stoic and unfazed by all the little kids kicking and digging away at your lush blades.

### JAMES COUNSEL

Thank you, Innovation room. Over the years you have challenged us, given us ideas, and allowed us time to co-operate with peers. You have made us elated and excited.

### SAMMY DRISCOLL

Goodbye, iPad charging box. Not only did you give us energy, but you also powered us through the days. Your white plastic box has darkened over the times we have been together, but you remain strong.

### BEAU EDMUNDS

Thank you, Combes Tower, for providing me with an amazing place to spend lunchtime with my friends. I will miss your two yellow slides and your steady wooden structure.

### BENJAMIN FILIPPOU

Thank you, our wonderful trays. I acknowledge you for holding all my work and books nicely through the years. I will miss giving you a bath once every year with Spray and Wipe.

### CAMPBELL FINCH

I will miss you, *Bulletin*. You provided me with so much information and I could never go a day without you. You announce everyone's birthday so happily and Mr Pyefinch's puzzles provided a fun morning challenge.

### RIVER FITZHARDINGE

Thank you, ramp to the office. I will miss your tolerance as I walked up you loudly and quickly, stomping on your firm surface. Thank you for the fun and excitement you provided in winter when we would slide down your sparkling, wet surfaces.

### OSCAR HARRISON

Thank you, undercover area, for giving us a second play space at lunch and recess. We will miss your welcoming ping pong tables, and your shelter from the harsh weather.

### WILLIAM HEWITT

Thank you, sturdy rock-climbing wall, for being a fun activity in the playground. When you were first built, I could barely complete the first level, but now I have conquered your hardest level!

### JOSEPH HEWLETT

Thank you, colossal yellow slide, for providing us with many fun times. You stayed sturdy and maintained your vibrant yellow colour despite intense weather.

### LACHLAN HILL

Thank you, white umbrellas, for providing us with shelter and shade while we wait for 8.10am when Ms Morcom sends us to class. I am grateful that you have survived the varying weather conditions.

### LIAM KAIN

We will all miss you, sturdy class lunchbox. You provided a huge role in keeping everyone's lunch orders warm. As a former Class Captain, you assisted me greatly.

### YUSEF LEZIAD

I will miss you, grey shorts, for occasionally keeping me warm in winter. Sorry for all the times you've been sat on. I will think of you in Senior School when I am wearing pants in winter.

### ARCHER MCRAE

I will miss you, big tree. You gave us a place to play and helped us make a goal or a finish line. I thank you for always providing shade on Thursday lunches where we could look up and see your delicate yellow and green leaves swaying in the wind.

### JOSEPH NGUYEN

Farewell, 3.10pm home time. You've been with me ever since I started and gave me a sense of freedom each day. I'll always remember your beautiful ring.

### WILLIAM RATNESSER

Goodbye, printer. Thank you for all the times you printed our work, no one worked as hard as you did.

### OLIVER SWANN

Thank you, sports shed, for providing us with equipment. I will never forget the smell of the rubber balls and your large grey door. You made me experience what it's like to spend time with people I never usually hang out with and that made me grow new friendships.

### CALLUM TAM

Thank you, water in the playground, for providing us the ability to play with you during lunchtime and recess. You have given us hours of fun when we made dams and waterfalls.

### JOE THYER

Thank you, classroom couches, for providing a soft and comfortable listening space while the teacher explained our subject. Sorry we fought over you almost every day.

# YEAR 6JU

JACK UTTING / TEACHER

## GUESS WHO?

### 1. RUMITH ABEYSURIYA

This person has been at Christ Church Grammar School since Pre-Primary and he is in Karda. He was born in 2011. His favourite sport is cricket and he is in A division for Year 5/6 sport. He has been a Year 6 Captain.

### 2. SAMUEL ABRAHAM

This is a 12-year-old boy who loves his sports including cricket and soccer, at which he is particularly good. He is also quite smart as he is in Maths Extension. In Term 1, this boy was a very good Chapel Captain and is quite humorous at times.

### 3. THOMAS ASH

This 12-year-old loves the West Coast Eagles and supports soccer as well. He has long, light brown hair as well as brown eyes. He has had captaincy roles this year.

### 4. JONATHAN BALDWIN

This student plays guitar at recess and lunch. His favourite song is also the name of a Chinese-American dish consisting of meat, eggs, bean sprouts, celery and cabbage.

### 5. CHARLIE BOLT

This student has been a Chapel Captain this year. He is extremely smart, studious and loves to read. He is kind and compassionate and has an amazing sense of humour. He is a participant in the Strings Ensemble and was in the Year 6 production.

### 6. HUDSON BROWN

This anonymous person is a good friend because he will always be there to stick up for you. He is good at water polo. He is the best person to be friends with because he makes sure you are having the best time in the world.

### 7. CHARLIE MORROW BRUCE

This anonymous student is a great friend that never fails to make me laugh. His Year 5/6 sports are water polo and football. He was elected Kearla House Captain in Term 3 with Ollie Hay. He is a kind person who will always help you.

### 8. ETHAN CHEN

This intelligent student is especially excellent at Science. He loves to play tennis and be with nature. He is incredible at Drama and performing, but he just needs to come out of his comfort zone.

### 9. SAMUEL CROSSLEY

This anonymous person is a good friend of mine. He has been Karda House Captain. This person is a great cricket player and football/soccer player. He was also in the Year 6 production in the role of a villager.

### 10. DANIEL FOO

This person is kind and caring, he always plays fairly and is there when I most need him. He is a great friend and tries his best in everything. He is very respectful to everybody around him and is very responsible!

### 11. EAMON HO

This boy is in Maths Extension and is a very kind and good friend. He is one of the shorter boys in the class and wears contact lenses. His favourite colour is blue, but he also likes the rainbow colours.

### 12. MAX HUTANA

This boy is a hilarious student who is very smart and has had two leadership roles in 2023. This student is very friendly and is good at tennis and hockey. This boy likes to sing.

### 13. HARVEY KERR

This person is intelligent with a great sense of humour. He has the courage and determination to do whatever he puts his mind to. He is a kind boy with a big heart. He has short black hair and loves his Apple watch.

### 14. LACHLAN LEWIS

This student was the Wardung Captain and a Chapel Captain and joined Christ Church in Year 4. He loves manga and watching anime.

### 15. RAYMOND MOSWEN

This human being has great ambition and self-confidence. He is extremely artistic and is also good at basketball. He has great manners along with demonstrating excellent responsibility through all that he does.

### 16. ANTHONY MUIR

This anonymous student is smart, sporty and funny. I think he can always make people laugh but he can get carried away. He is good at Maths and is always eager to start his work.

### 17. OLIVER OWEN

This is a hard-working individual who always seems to stay on task no matter the distraction. He also manages to stay sporty, participating in multiple running races.

### 18. ERTE PAN

This boy is always making jokes that get the entire class laughing. He has won many music awards on an instrument called the guzheng. He started at Christ Church in Pre-Primary.

### 19. PHILLIP PENG

This boy loves a good wok and food, but he also loves a forbidden song. He tries to stop me from doing the wrong thing when I am bored, and he also helps me to stay on task.

### 20. ELIAS POPAL

This student has lots of friends and a great sense of humour. He is energetic, curious and open-hearted. His favourite activities are using playdough and Lego and playing with his friends on the swing.

### 21. GIDEON VAN NIEKIRK

This person has a wild sense of humour. He loves animals and cartoons. He has exceptional skills, amazing talents and is great at his schoolwork but can be hard on himself.

### 22. GUY YELDON

This person has a quirky sense of humour and is always kind, considerate and helpful. He is in Wardung House and joined in Year 5.

### 23. CHASE YUEN

This student has been Class Captain in Years 4 and 5. He can be described as kind, funny and mischievous, which makes him fun to play with. He will always help a friend in need and reassure them to try to make them feel better.

# YEAR 6RG

RYAN GOWLAND / TEACHER

## LAYTH ALTAF

Never back down when there is a wall,  
you will always find a way to overtake it.

## LUCAS BEGOVICH

Glass is not dangerous until it is broken.

## XANDER BENNETT

There are people who give up and there are  
people who persist – the people who persist  
will survive in life.

## CAMERON BUTLER

Dreams are like a walk – the closer you  
are the more you see you can achieve it.

## GEORGE CANCI

School is fun because you get free grades.

## JAMES CRAIB

Be stubborn about your goals  
but be flexible on your methods.

## DINGWEN CUI

If you do not believe in yourself,  
nobody will do it for you.

## PATRICK DUARTE

Learn as much as you can while you are  
young, since life becomes too busy later.

## JAYDEN EPARI

Hard work pays off.

## OTTO GRIFFIN

Yesterday is history, tomorrow is a mystery,  
but today is a gift, that is why they call it  
the present.

## LUKE HAO

I never lose. I either win or I learn.

## MARCUS HO

If you do not know something search it up.

## DHEERA JAYACHITRA

If you do your best, the results will speak  
for you.

## TEDDY KOH

Study hard, have fun and be positive.

## CHRIS LISLE

Life is like an orange and school's like the skin,  
the worst part.

## TEX MESSER

When you get hit down, do you get back up?  
Or do you give up? The people that get back  
up will succeed.

## ARYAN PATERIA

You are not just another face in the crowd.  
You are one in a million.

## JUSTUS RADTKE-RITTER

From nothing comes nothing,  
always try your best.

## MATTHEW SHIPTON

Going to school and not learning anything  
is like eating lollies without the sugar.

## RISHI VASWANI

With great power comes great need to take  
a nap.

## LI-JIAN WEE

Study hard, eat well and sleep:  
that is the perfect combination of life.

## TATE WONG

When you aim your goals for the sun,  
you will shine.

## MATTHEW WRIGLEY

No one is you and that is your power.

## FELIX XI

Giving up means that you are giving someone  
else a chance to be better than you.

# YEAR 6SM

SALLY MACKINNON / TEACHER

## LIFE HACKS: A LIFE HACK IS A STRATEGY OR TECHNIQUE ADOPTED TO MANAGE ONE'S TIME AND DAILY ACTIVITIES IN A MORE EFFICIENT WAY. THIS IS A COLLECTION OF 'HACKS' FROM THE BOYS IN 6SM.

### OSCAR AMANN

For every minute you are angry, you lose 60 seconds of happiness. So, try and focus on the good stuff and try not to dwell on the negative things.

### WILLIAM BOYCE CAM

Success in life isn't about how well you execute Plan A. It's how smoothly we can cope with Plan B, C and D. This means that you are not going to get what you want straight away.

### WILLIAM CHAMBERS

Make friends with people who bring out the best in you. Don't try to impress everyone; the people who try to impress others are usually the most unhappy in life.

### HAYDEN CHAN

Spending time with your friends is a good way to build your friendship. You can do lots of things like play four square or go camping together.

### MICHAEL CUI

Learn how to read sheet music at a young age because then you can pick up any musical instrument and play it. Music can relax you and transport you to another world.

### ETHAN DILLON

When booking a ticket to the footy, basketball or cricket, pay for the cheapest seat, then once the game starts, move to the better seats.

### WILLIAM FIRNS

Hang out with people who you feel bring out the best in you. You will find those people by doing things you enjoy, such as sport or a club.

### JOSHUA FRANCO

Never underestimate the power of homemade pasta. If you learn how to make it from scratch, people will compliment you on your culinary skills.

### BENJAMIN GEORGE

To improve in sport such as soccer, always tackle each game as if you are the second best. That way you can always improve knowing that each game is played with determination to show your best.

### JACK KENNEDY

Learn to draw because it teaches you to see things and understand how to look at shapes in detail. Drawing is a life skill that will help you to explain the world around you.

### JONATHAN KHALIL

Never go shopping when you're hungry. Bring a list and stick to it. Shops always arrange their unhealthy goods at eye level.

### HUGO LEWICKI KENNEDY

Keep your living space clean and tidy because it relaxes you knowing where everything is. Pack your bag the night before so you are prepared for the next day.

### CALUM MACDONALD

Value the power of curiosity. The more you ask questions, the more feedback and answers you will receive. Being a lifelong learner will fuel and grow your mind.

### HARLEY MCLEOD

When you talk to people you have just met, try and say their name in the conversation to make them feel welcome.

### CHRISTIAN MESSER

Spending time in nature is good for your wellbeing. The Japanese call it *shinrin-yoku* or 'forest bathing'. The brain is happier once you have connected with nature.

### CHARLIE NG

To save money, go shopping on a Tuesday. Fuel is cheaper and this can save \$1000 a year. Food is cheaper on a Tuesday.

### LEE PALLETT

If you ever travel in a plane, wipe down the tray table surface with sanitiser. Germs are commonly on the tray table and are responsible for causing sickness.

### RUPERT PHILLIPS

Spend time with your grandparents as they know a lot about the world. Ask your grandparents lots of questions and write down their memories.

### VIVEK RAJA

Appreciating the world through travel is a good way of getting fun experiences. It doesn't mean leaving the country, you can explore our state.

### GEORGE REA

Respect the ocean for all the beauty it gives us. I appreciate what the ocean provides, such as exploring coral reefs in Exmouth and catching fish at Rottneest.

### AAYAN SAHNI

When removing a Band-Aid, it hurts less if you rip it off quickly. Soak a Band-Aid in oil to take it off slowly without pulling on your skin and leaving a scar.

### HUGO SLAYFORD

Understanding all the codes of football is a good life skill. If you know each code, you can watch football in any country and be confident in having something to chat about.

### MITCHELL VAN DUREN OBERMAN

When travelling, customise your suitcase with a bright ribbon or distinguishable pattern so you can locate it.

### CALEB WILSON

A simple but effective life hack when buying bananas is to select them at different levels of ripeness. That way you will always have a perfectly ripe banana.

## MOTTOS FOR FUTURE SUCCESS

### HUDSON AIREY

Don't worry about the small stuff, big things are yet to come.

### ARCHIE ANNING

Failing is the key to success.

### XAVIER BEGG

If you can't stop thinking about it, don't stop working for it.

### OLIVER CRIDDLE

You don't know your limits until you try.

### TOM FOGARTY

Nothing good in life comes easy.

### FRASER FRY

High risk, high reward.

### OLLIE HAY

Never look back, you are not going that way.

### LUCA HAZELDINE

If you can't run, walk. If you can't walk, crawl, but you always must keep going.

### JASPER JERRAT-SCOTT

Don't count the days, make the days count.

### STERLING KERR

Always remember to fall asleep with a dream and wake up with a purpose.

### TRENT LE

The only victory that counts is the one over yourself.

### LACHLAN LEDGER

DREAM the impossible, SEEK the unknown, ACHIEVE greatness all in your own way.

### COHEN LEE

Be a rainbow in someone else's cloud.

### ANTONIO MONDELLO

Don't wait until you reach your goal to be proud. Be proud of every step you take.

### HUNTER MURPHY

Life is like a recipe; it has lots of ingredients.

### CHARLES PAGE

Just because others go the same path, it doesn't mean that it's the right path.

### ANGUS PEATE

Never look back, always forward.

### THOMAS PHELAN

Never back down, never what? Never give up.

### YANNIK SULLIVAN

Spend time playing with your friends.

### DYLAN TAN

Believe you can, then you're already halfway.

### NATHAN TRAN

Share a laugh, spread some kindness.

### ARTIN VAHEDI

The world is your canvas, you can do whatever you want on it.

### LEO WIESE

Life is like footy; you get tackled, you get back up and try harder.

### JEREMY ZHU

If you're tired of starting over, stop giving up.
